SUICIDE AND NEAR MURDER AT RALEIGH

Raleigh, N. C., March 16.—The union station was thrown into a panic this afternoon about 3:45 when Henry H. Powell, proprietor of the Sanford Inn, shot twice at Charles H. Smith and Duncan E. McIver, his fellow townsmen, then turned his smoking gun upon himself and shot out his own brains.

A more opportune time to create a sensation could not have been chosen. All of the trains were nearly due and the people had gathered to buy tickets and to take leave on the three chief passenger trains. Mr. Smith had come from Sanford to testify in a case before the corporation commission and it is presumed that Mr. Powell had followed him there. The story had somehow gotten out that the object of the visit of Messrs Smith and McIver was the securing of a charter to operate a rival hotel. The dead man had brooded over it and during the afternoon, eye witnesses to the tragedy declare they heard the three men talking about it.

Whether the men had discussed the matter with any heat or not could not be learned, but without speaking, Powell walked towards Smith and McIver and began shooting. The first bullet struck Mr. Smith in the right shoulder and glanced aside. The other aimed at Mr. McIver missed him and went into the wall. Both crouched as if badly hurt and the assailant of the two undoubtedly thought he was a murderer. He placed the pistol under his right ear and fired. He stood a second and fell like a post.

Women fainted and men ran, the officers appearing on the scene almost simultaneously with the shooting. Both Sanford men walked into the street coolly afterwards and later went to their homes. There were detained a number of witnesses to testify at the inquest.

All three men come from Sanford's best citizenship. The dead man has suffered considerable grief and trouble recently and is said to have lost money. He was a former confederate veteran and regarded one of the most quiet inoffensive men. Temporary insanity is believed to have resulted from brooding over his troubles. Mr. Smith is president of the Sanford chamber of commerce and a dealer in lumber. Mr. McIver is one of the best known lawyers in middle North Carolina.

Birthday Party

Misses Lillie Horne and Helen Temple gave a delightful joint birthday party, the occasion being their 9th birthday. They received many beautiful and useful presents. They spent the afternoon playing games, until 4 o'clock when they were ushered into the dining room where refreshments were served by Mrs. Horn and Mrs. Temple. The children did justice to the repast, after the repast the children were led into the parlor where they gave several oral recitations from memory, and sang some beautiful songs led by Miss Byrdie Daily, for which they were heartily applauded.

The occasion was at the home of Mr. and Mrs. S. A. Horne Friday March 17th.

SMALL BOY RUN OVER BY AUTOMOBILE IN ASHEVILLE

Asheville, March 17.—What may prove a fatal accident occurred this afternoon on Philip street, when an automobile, said to be owned by a local garage, ran over the small son of Mr. and Mrs. Lyerly of this city. The auto went over the child's abdomen and it is feared he is injured internally. In fact, when removed to the Meriwether hospital, it was not thought that he could live more than an hour or two. Tonight, however, it was stated that the child is resting easy and that there is a chance for recovery. No operation was performed and the extent of the injury will not be ascertained for a day or two.

POOR MAN TURNS ON BIG HATS AT LAST

Norfolk, Va., March 15.—Objecting to high hats, low hats and wide hats, poor man has served notice that he will not attend the Lenten services being conducted for the benefit of business men at noon every day in the Granby Theater, unless members of the fair sex who attend are made to remove their headgear or sit to themselves.

Following the protest of the men, women will not be permitted to sit in the center aisle hereafter and must be content with seats on the sides; in other words, the choice seats in the house will be reserved for the men and the ladies will be all to themselves, where they can wear their hats without even a chance of jabbing the brim into some fellow's eye. Bishop Robert Strange, of North Carolina, delivered the sermon today and will be the speaker for the remainder of the week.

WILL REMAIN IN JAIL AT COLUMBUS GA

Atlanta, Ga., March 16.—Pending the final disposition of his case by the Prison Commission Edgar Stripling, erstwhile Chief of Police at Danville, Va., and re-arrested after 14 years freedom on a charge of murder, will remain in the county jail at Columbus, Ga., and will not wear prison stripes. His hearing by the commission has been set for April 6.

Governor Brown takes the position that while Stripling had been sentenced to life imprisonment he escaped before he began that sentence and since an application for pardon is pending, which will come up to him for final action he felt that he should take no action in the matter at this time.

COMMISSION FORM OF GOVERNMENT LOST IN RALEIGH

Raleigh, March 20.—The election held here today on the proposed Commission form of Government for this city was defeated by a vote of 886 to 437, or a total of 1,323, the majority against the proposition being 449, or more than two to one.

The election was a most quiet one and the vote polled was small, only about half of the vote of the city being cast in the election. The opponents of the measure were very active, both before the election and at the polls, while the advocates of the measure had no force at work either before, or at the polls.

Attempts Suicide.

The startling news was received in the city Saturday evening that Mrs. Frarrar Royster who was married only a few weeks before at Durham had attempted to take her own life by shooting herself in the breast in the Guilford Hotel parlor Greensboro, with a Smith & Wesson 32 caliber revolver. Mrs. Royster went to Greensboro on the eleven o'clock train to make inquiries about her husband, and finding no trace of his whereabouts, decided to commit suicide.

"I did it myself," she said in answer to the question of those who pressed about her. "I did it for the love of a man; he left me two weeks ago, and I love him better than life."

Doctors were hurriedly called in and she was carried to St. Leo's Hospital. It is thought she will recover. Before attempting the fatal act she delivered to Mr. Sam Bradshaw a letter which she had written a day or two before, and requested that he not open the letter until after he had heard from her. Mrs. Royster is the daughter of Mr. and Mrs. A. C. Mitchell highly respected citizens of our city. Temporary insanity caused by brooding over her forsaken husband is believed to be the cause of the rash act.

ROOSEVELT READY TO TAKE THE FIELD

Albuquerque, N. M., March 17.—Colonel Roosevelt, before leaving for Arizona yesterday, made complete preliminary arrangements here for the organization, not only of a regiment, but a whole division of cavalry to fight the Japanese, should the occasion arise.

He admitted the Japan menace on the western coast of Mexico is serious and told his old Rough Rider friends that in the event of war he would ask the President's permission to organize a division and recruit it in the Southwest.

Today various of the old Rough Riders admit they have already been offered commissions in the event of hostilities.

Roosevelt had just come from El Paso, where it is said he was startled by inside information concerning Japanese activity.

The whole west coast he was told is lined with them and it was declared to him that the only reason for the mobilization could be that the state department had been informed of a league between Diaz and the Japanese by which the latter in exchange for coaling stations would aid in suppressing the revolution.

NEGRO JANITOR ROBS SPRING HOPE BANK

Spring Hope, March 17.—The Merchants and Farmers Bank here was robbed by John Sample, colored, a former janitor is charged with the crime and is in jail at Nashville awaiting trial at the next term of Nash Court.

Sample, it seems, broke in the window of the bank while the cashier was at dinner and secured \$213 in cash. He then put out through the country for Morneger, intending to take the train for Rocky Mount at that point. He was apprehended by Mr. Will Clark and carried to Spring Hope, where he was given a preliminary hearing. They recovered \$192.15.

NASH COUNTY NEGRO TO BE ELECTROCUTED

Raleigh, March 15.—Norman Lewis, the negro who killed the chief of police of Spring Hope, Nash county, and was sentenced to be electrocuted here in February and whose electrocution was stayed off by his appeal to the Supreme Court, will pay the death penalty. The Supreme Court having handed down an opinion today finding no error in the judgement of the lower court. Upon receipt of a certified copy of the Supreme Court opinion Governor Kitchin will name the day for the electrocution.

MANY CITIES PUT IN BIOGROPHICAL EDITORS' CONVENTION

Charlotte, March 18.—The executive committee of the North Carolina Press association has been called to meet at Salisbury next Friday to fix the date and select the place of the annual meeting of the North Carolina editors, and incidentally arrange the program for the meeting. As usual a number of cities and resorts are making bids for the annual meeting, which is always a feature of statewide interest. The association met last year at Wrightsville Beach and this year Morehead City is making a strong pull for it.

The new maxim explosive is doubtless presented to give peace advocates new hope in the theory that war can be made too terrible to be attempted.

Rev. Able G. Kirkman for almost twenty years Register of Deeds of Guilford County passed away last Wednesday morning at his home at Friendship.

DECLARES SHE WAS DUPED AND DOPED

Washington, March 17.—Duped, she declares, into boarding a car for Rockville on the pretense that she was going merely for a ride, given some candy apparently containing a drug, and then married when she did not realize what she was doing is the strange story told by Mrs. Catherine Sonnemann Weaver, the beautiful daughter of William F. Sonnemann, of 113 Second street, north west. Mrs. Weaver yesterday filed suit in the District Supreme court to have annulled her marriage to George Weaver, alias J. M. Collins, of Providence, R. I. "Some chocolate candy given me by Weaver on a Rockville trolley car," says Mrs. Weaver, "robbed me of my senses, so that I have no recollection of ever having been married. I don't know what happened. I don't know the man two days. He has gone away now, and I don't know where he is. I never want to see him again, and want the marriage annulled."

WEST AND STETSON BOTH FOUND GUILTY

Murder in First Degree as to West, Second Degree for Stetson.

Wilson, March 17.—At 2:30 this afternoon, in Wilson Superior Court, the jury found Lewis West guilty of murder in the first degree and Ed Purell, alias Stetson, guilty of murder in the second degree.

The case went to the jury at 12:45, when the court took a recess, and the verdict was returned when court reconvened at 9:30. Judge Adams' charge was an elaborate one and consumed an hour in delivery.

The concluding speeches in the case were made by Solicitor Alsbrook and Mr. W. A. Lucas.

WIFE TRIED TO CREMATE HUSBAND, TIED HIM TO BED AND SET IT AFIRE

Salisbury, March 20.—Charging that his wife tied him fast to a bed while asleep and then set fire to the bed-clothes, Sam Young a tenant of a farm five miles out from Salisbury, came to town today in search of officers. He declared that he and his wife retired in good humor; that he was awakened by the smell of smoke that he found his limbs tied to the bed and that he was unable to free himself until the fire burned the rope just in time to save his life. He bore severe burns on his face when he reached this city. The affair is a mystery and the officers are making an investigation.

Note from the American Christian Missionary Society.

America is the most strategic and important mission field on earth. Over 40,000,000 in our home land are churchless. The religious census of Colorado shows 133 places raging in population from 150 to 1000 souls without a protestant church of any kind. That State does not differ from any others in the West. Cities of the East, growing communities North and South, call for help, one million immigrants come to America every year, they need the Gospel. The Disciples of Christ within last year, of 89,759 members, led all other protestant bodies. The American Christian Missionary Society gathered 15,741 of that number. Shall we not do better this year? Prepare for May the 5th, 1911.

Missionary and religious societies and several Western colleges and academies are beneficiaries to the extent of nearly \$300,000 under the will of John Ward, of Newton, filed at the Probate Court office in East Cambridge, Mass., recently.

TO POOL 1911 TOBACCO CROP IN VA. AND N C

Danville, Va., March 16.—The interstate meeting of the Farmers Educational and Co-Operative Union of America which convened here yesterday came to a close after two secret meetings today. The principal business before the Union was the consideration of a report of a special committee appointed yesterday to investigate and to make recommendations concerning the tobacco conditions in Virginia and North Carolina.

It was learned this afternoon that the union decided to pool the 1911 tobacco crops in Virginia and North Carolina and hold their production in dry prizeries until a price they deem reasonable is secured. No definite statement was given out by the Union after the meetings. The sessions today were attended by about 500 farmers, only those having the pass word being admitted to the room.

ATTEMPTED TO JUMP FROM RIVER BRIDGE

Richmond, Va., March 18.—Lee Perman, of South Richmond this afternoon attempted to make a spectacular exit from this world by leaping from the Free Bridge which connects Richmond and the Southern suburb, to the James River, fifty feet below, and was only prevented by three unknown negroes, who saw his start and stopped him by a perilous hand to hand fight upon the rail of the bridge. The bridge was congested with traffic at the time and a near panic ensued. Women in a passing street car became hysterical. Perman assigned no reason for his act.

FORECLOSURE ON PLANT OF NEUSE RIVER COTTON MILL

Raleigh, March 18.—The Neuse river cotton mills, near Raleigh, having defaulted in interest installment of \$1,875 due the Trust Company of America on a \$75,000 bond issue, proceedings were started in the federal court here today for a foreclosure of the mortgage securing bonds.

The mill has paid the interest since 1901 until this year. A. A. Thompson, its president, is also president of the Raleigh and the Carleigh mills, and both were understood to be in good condition. Commissioner Wills was named by the court to sell the plant of the Neuse mills.

TWO SAILORS ARE HORRIBLY BURNED

Norfolk, Va., March 16.—William Place and W. B. Joerger, seamen from the United States battleship New Hampshire, which arrived at the Norfolk navy yard yesterday, were horribly burned in a Bank street cleaning and pressing establishment today. Both are at St. Vincent's Hospital and Joerger, it is feared, may die.

Four seamen went to have their clothes pressed. While waiting for the gasoline to dry out, Joerger said he was cold and put on his trousers. Some one said they were not dry. A third sailor put a lighted cigarette to the pants to see, and the blaze resulted. Place threw a tub of water on himself and M. G. Lowery, a fourth sailor, threw a blanket over Place.

An unknown negro attempted to assault a prominent lady near her home at Due West S. C. one evening last week by snatching her shawl from her shoulders and putting it around her face. Her cries attracted the attention of neighbors working near by. The negro made his escape.

We could not approve of any war, lightly undertaken, just at the advent of the fishing season.

MARRIED TEN YEARS HAD 19 CHILDREN

Muskegee, Okla., March 18.—Mr. and Mrs. Frank Scott, of Highland, Kan., are seeking a home in this State with plenty of land. They will need it, for although they have been married not quite ten years they are the parents of nineteen children, all boys, and thirteen of them living. They hold the record for triplets, having five sets to their credits, and two sets of twins. All of the thirteen boys living are under five years.

Recently the Scotts, decided that they must find more land, went to Alberta, Canada. They were not satisfied there and returned. On the return trip Mrs. Scott and her thirteen children all rode on one first class ticket. At Omaha the conductor made a vigorous protest.

"Madam, you cannot carry a whole Sunday school along with you on that one ticket," he said, and you need not tell me those are all yours. You will have to pay for some of them."

"The rules of this railroad provide that a child under five years may ride free, when accompanied by its parents with a first class ticket, don't they?" reported Mrs. Scott.

"They do, but you will have to show me."

Mrs. Scott dug down into her valise and brought out the family Bible, in which was recorded the name and ages of each of the children. The conductor had to give in. The mother and children occupied five double seats in the home seekers' car and paid for only one.

The names and ages of the children are: Ashbell, Archer and Austin, triplets, four and one half years old. Arthur and Arnold, twins, three and a half; Allan, Almon and Albin, triplets, two and a half; Albert Albion and Adolpt, triplets, eighteen months; Abel and Abner, twins, six months. Mrs. Scott is thirty years old and her husband is only a year her senior.

The mother and children are now in Highland, Kan., while the father is in Oklahoma, seeking a location. He probably will buy some cheap Indian land.

A Surprise Marriage.

Rev. J. D. Andrew went over into Guilford County to Brookfield public school closing on last Wednesday and delivered the literary address. This school was taught by Miss Elizabeth Boon of Whitsett. At the close of the exercises Rev. Andrew drove down to the home of J. C. O'Briant where Miss Boon boarded and there in the presence of a few friends Rev. Andrew spoke the solemn words that united in marriage Miss Boon and Mr. Russel Apple. Mr. Apple resides near Apple's Chapel in the north easter part of Guilford county. They enter upon their happy career with good wishes of a host of friends.

DISTILLERY DESTROYED FOR EVERY DAY IN THE WEEK

Newton, March 17.—The past week or ten days have been full of work for the revenue officers in this section of the county. Deputy D. A. Kanipe of Mariah reports having destroyed a distillery every day for the past week. Yesterday he, together with H. W. Jones and Policeman Sherrill of Hickory, destroyed two stills and fixtures. One was very large and the other of small capacity. These blockades were found in a corner made by Burke, Lincoln and McDowell counties. At the large distillery four men were seen as the officers approached, but all escaped into the woods. But little whiskey was found on hand, as it seems the moonshiners dispose of it as rapidly as made. Only about four gallons of liquor were destroyed.

April the 6th has been set as the date for the final disposition of the case of Edgar Stripling the Danville police who was arrested to serve a life sentence.

Frank Gurley Charged With Embezzlement.

News and Observer.

Deputy Sheriff T. H. Walls returned from Lenoir City, Tennessee, last evening, bringing with him Frank Gurley, charged with embezzling funds belonging to the Apex Knitting Mills. Gurley left Apex about a month ago and said he was coming to Raleigh on legal business, but when he remained away from home all the week, without letting his wife know of his whereabouts, she became anxious about him and came to Raleigh. Mrs. Gurley was informed by a cafe clerk that he had seen a man on the previous day that answered the description of her husband, but this was as far as she got in the search for him in Raleigh.

After searching the county without results, Mrs. Gurley appealed to the officers, who got busy.

Several weeks ago the directors of the Apex Knitting Mills received a communication from a firm to which Gurley had sold a bill of goods to the effect that the missing man had requested them to send him \$100 at once. This led to an examination of the books, which were found to be badly mixed up, Gurley being behind in his accounts.

Gurley, after diligent search on the part of the Wake county officers, was located at Lenoir City, Tenn., from which place he was brought to Raleigh yesterday by Deputy Sheriff Walls.

Gurley is said to be a good machinist. He was employed by the Martin Hosiery Mill, Raleigh for about two years, but a year ago he was dismissed from the service of this mill and later secured a position as superintendent of the Morrisville Knitting Mills, which position he held for a few months. He then went to Apex, to accept the position of superintendent and general manager of the Apex Knitting Mills.

It is said that Gurley's wife, upon hearing of the condition of things, went to her home near Durham.

Gurley is well known by a number of our people, having been employed by one of our Hosiery mills only a few years ago.

Girl Swears Off.

We note in the Durham Sun an amusing story of a girl in that town whose name is not given but the fictitious name "Mischief" who one night last week got the spirit of mischief into her lovely head and went forth to scare things up in general, put on her fathers clothes, shoes and hat with out allowing the other members of the family to know, made her way around the house pulled her hat over her face peeped in at the window. The desired result happened. Her sister caught a glimpse of her screamed and hallowed "there is a negro at the window" and went into hysterics, and then the chase. When Miss Mischief started to retrace she saw her brother headed that way and also saw in his hand a 32 caliber gleaming in the moonlight. She turned and confronted her father with a Winchester. No she didn't faint or scream or do any of the little stunts characteristic of her sex, she simply backed up into a corner of the house as a bullet from the Winchester whizzed over her head. She waited as the steps from both directions drew close. "We've got him exclaimed her brother in a Sherlock Homes voice". You don't mean it said Miss Mischief in a perfect ripple of laughter. The two men felt like thirty cents and the girl exclaims "Never Again".

Ed King spent Saturday night and Sunday at Greensboro.

Only six weeks until the city election. Is there anything doing?

Wonder if Dick Hackett did not frame the Wake county salary bill also.

The pitching by Frank Snell, and the catching by Jimmie Stubbins were the features of the game.

The ground hog is a wise old guy, and when it comes to forecasting the weather he is right up on the job.

If Wake county saves any money by adopting the salary system then there must have been some dead up the branch before.

Spring is here and business is opening up, have you tried an ad in the Dispatch. It's a business getter, try it, do it next week.

The inconsistency is so glaring that if Josephus does not open up on the boys, we shall think that he was dealt a hand in the game.

An American who will go to Mexico, or Central America and join a band of revolutionists, for the money there is in it, deserves to be shot.

Only five weeks until the municipal pot will be at fever heat, what are the guardians of the city doing to keep the old ship from sinking.

Will the unterrified Democracy point with pride the city's management the past two years in the coming election. Well, hardly, do you think.

The Legislature has adjourned and the wise solons have returned to their homes. Just what they done you will learn when the tax collector comes around.

Verily the base ball season is upon us, and the Burlington High School team is upon the diamond. Frank Snell is in the box, with Jimmie Stubbins behind the bat. Play Ball!

What is the matter with the Burlington High School baseball team? They are alright! Twenty-four to nothing is out of sight, but not so bad that it could not have been worse.

We suppose Editor, Clerk of Court Kernodle expected a salary similar to the Clerk of Wake county, but you could not locate Brother Kernodle on the proposition in Alamance.

The ways of the politician are wiley. Wilkes county officers were placed on salaries by the last Legislature and the salaries fixed by that body are less than those fixed for Alamance, yet Wilkes is as large a county as Wake and is being rapidly developed. But Wilkes has 2,000 majority Republican. See?

The Dispatch believes not only in the freedom of the press, but the liberty of the individual. But we believe that some individuals are having too much liberty in this town.

Have you heard any of the Democratic organs bragging about what the Legislature done. Yet they cost the tax payers a lot of money. What did they do gentlemen, kindly turn on the light?

It appears that the people of Raleigh are not quite as ready for radical reform as some of the newspapers down there would have you believe. At least they will not apopt the commission form of government at present.

If there ever was time that the law and order league should get busy it is now. There never has been a time in the history of the city when there was so much drinking and carousing as now, and yet nothing is being done, are those into whose keeping the morals of the young are entrusted asleep.

The knocker is one who never sees a good quality in a man, and never fails to see a bad one. He is the human owl, vigilant in darkness, and blind to light, mousing for vermin and never seeing noble game. Are you a knocker? If so get off the earth. Especially that part surrounding Burlington, there is no room for you here.

This is Our town.

This is our town, and here is where we all live. What helps one helps all, and what hurts one hurts all. We are for anybody and everybody that wants to see Burlington have a live progressive up-to-date modern city. We are for anybody that can take hold where the present administration leaves off, and give us a good administration. We are for progress and yet there must be economy. We are for a wide awake business like administration, and yet we must not be extravagant. We are for up-to-date methods and yet we must go slow on future improvements, we are at a critical period in our affairs.

It is going to take the wisest of the wise, the shrewdest of the shrewd to get us upon our feet again, without creating stagnation all along the line, making our last state worse than the present. Will the men who intend to reside here, will the men who are in business here, will the men who love Burlington because it is their home town, will the men who have the ability, will the men who can spare the time, will the best men, and men who we all have the utmost confidence in, take hold of this town and give us a clean up-to-date business like administration, will men of sound financial views, men who have made a success of their own business, will men who have made a success of other people's business take hold of this town and put us upon a solid financial foundation. Will the men who care nothing for partisan politics, and who have no axe to grind, will men who care nothing for political friends, and have no political debts to repay, take hold of the affairs of this town, and give us a good live progressive, yet safe, sane and conservative administration, will the men who despise graft and all forms dishonesty, who love truth and believe in efficiency take hold of this town, your town, our town, and make it the best town in the State. We are calling for volunteers, who will be the first to respond? The columns of the Dispatch are open to all citizens for an honest and full expression of their views that will bring about the desired result.

On December 19, 1867, he married Miss Mary Ann Roberson, from which union there were five children, all of whom are still living. These are ex-Judge William H. Clendenin of Emory, Texas, Mr. S. Eugene Clendenin of Bluefield, W. Va., and Mrs. J. M. Shoffner, Mrs. E. C. Ingle, and Mrs. W. R. Cheek, are of Burlington.

At the outbreak of the Civil War he entered the army under Cal. McKimery as 3rd lieutenant in Company H, 5th regiment of N. C. Volunteers. The Captain was the now venerable citizen of Alamance, John R. Stockard. Later he reorganized volunteer Co. K, 5th N. C. Cavalry, and served till the close of the war. As the army fell back from Gettysburg he was captured at Antietam, and was for eight months a Federal prisoner at Point Lookout. In the fighting around Petersburg he received a painful wound in the shoulder, which did not finally heal till 1875. He surrendered with Lee at Appomattox, being at that time in Gen. Fitzhugh Lee's division.

Mr. Clendenin was a public-spirited citizen, always interested in whatever made for the good of his community. For years he was a magistrate, and until prevented by the infirmity of age a year or two ago, he was an unflinching attendant upon the courts of his county.

Only those who knew him best knew his full worth. He was quiet and retiring, and his virtues sought no trumpet to make them known. Within the privacy of his home he was seen at his best. There, as considerate and devoted husband, as gentle and affectionate father, he helped, with his wife of like spirit, to create the genial home atmosphere in which grew up the five children of more than ordinary worth and force of character.

Early in life he united with the Mount Hermon Methodist Protestant Church. His funeral was conducted from the Baptist Church here on Friday afternoon by the pastor, Rev. S. L. Morgan, assisted by Rev. J. D. Williams. Under the genial sun of a spring afternoon, all that was mortal of him was laid to rest in Pine Hill Cemetery, in the presence of his widow and children, and considerable number of other relatives and friends.

"Happy the people that fare thus! Happy the people whose God is Jehovah."—Psalm 144:21.

WHEN God accepted Israel to be his people, he entered into a Covenant or agreement with them. He gave them the Law, represented in the Ten Commandments, as the basis of the Covenant which Moses mediated. Israel agreed to be faithful to God, and to keep those commandments perfectly. And God agreed that in that event he would bless them; they should be his people, and by doing the things contained in the Law should live everlastingly, not die. Not only so, but he promised to bless them in all the temporal affairs of life.

Israel failed to get these blessings, for the same reason that any other people would have failed; namely, because God's Law is perfect, the measure of a perfect man's ability: "Thou shalt love the Lord thy God with all thy heart, mind, being and strength; and thou shalt love thy neighbor as thyself." Hence, the Israelites continued to die, as their fathers had done, and as all mankind die—not being able to keep the Divine Law perfectly.

Happy is That People
In our lesson the Prophet David pictures the holy, happy, blessed nation of the Lord. It is a picture of the future and not of the past. It is an ideal picture. It will be realized when Messiah's Kingdom shall have been established amongst men—when Satan's power shall be restrained, when he shall be bound, when the blessings of Restitution shall have uplifted mankind from sin and degradation and shall have brought them back to the image and likeness of God lost in Eden, but reacquired for our race through the sacrifice on Calvary.

But that happy nation will acquire additional, a happy home and world-wide Paradise. Even human perfection would not bring happiness if cyclones, tornadoes, blizzards, tidal waves, earthquakes, famines and pestilence continued. Thank God, the Bible's assurances are that the blessing of the Lord shall be, not only upon mankind but upon all their earthly home. The earth shall yield her increase. The wilderness and the solitary place shall be glad and blossom as the rose. The Lord will make his footstool glorious.—Acts 3:19-21, Isa. 11:9; 65:25; Ezek. 37:1, 25:1; 37:12.

Particulars Given by the Prophet
Incidental to the blessed condition of the holy nation of the future, the Prophet mentions a deliverance from strange children: "I will deliver thee from the hands of strange children, whose mouths speak vanity, and whose right hand is in the right hand of falsehood."—Isa. 14:11.

In the Church of the present Age there are some whom the Apostles styled "bastards," or strange children. All may make the same profession of confession, but "the Lord knoweth them that are his," and in his due time shall separate the false or strange children from the true and will glorify the saintly ones as members of the great Messiah. Then will come the time for dealing with humanity in general—the time described in our text: when humanity in general, under the Messianic Kingdom, will be privileged to become the holy and happy people of God—when Satan and sin will be banished and righteousness and Truth will flourish and the knowledge of the glory of the Lord will fill the whole earth.

The great Messiah undertakes to be the world's Life-Giver, Father, Regenerator. All mankind will be awakened from the tomb and have the opportunity for regeneration and full attainment of human perfection and God likeness. However, for quite a time there will be strange children amongst men—those who will experience the blessings of that glorious time without giving proper heart responses. Not until the world shall have been rid of these by their dying the Second Death, will the fullness of happiness prevail amongst the children of men.

"Times of Refreshing Shall Come, and He Shall Send Jesus Christ"
"Then your sons will be like plants, grown up in their youth; your daughters like corner-pillars sculptured in the model of a palace." The grace and beauty of the children of Messiah, partners of human Restitution blessings (Acts 3:19-21), will be marvelous.

Then the partners will be full, furnishing all manner of provisions. Then your sheep will bring forth thousands and tens of thousands in your open pastures.

Then there will be no migration—no further seeking for better or more happy conditions. Then there will be no complaining in our streets. Discontent is now rapidly increasing with every added blessing of our wonderful day. The difficulty lies in the fact that sin and selfishness are reigning in the hearts and minds of men. Under the wonderfully changed conditions of Messiah's Kingdom, peace, happiness, contentment will take the place of selfishness and discontent.

WASHINGTON LETTER.

Washington, D. C., Mar. 17.—There is much interest in diplomatic and political circles in Washington concerning a possible peace treaty between the United States and Great Britain, a treaty which will have the potential effect of an alliance, although it will not be known by that name. President Taft in a recent speech on the subject of peace, said that he thought all questions, even including questions of honor, might be left to an international arbitration court, and Earl Gray, minister of foreign affairs for Great Britain, in a recent speech referred to President Taft's speech and spoke earnestly in favor of a peace treaty between the two great English-speaking nations. Those who have kept abreast with current history will remember that there have been two recent efforts to secure a ratification of peace treaties between Great Britain and this country, but inasmuch as the final ratification must depend upon the Senate, these treaties struck snags in that body. Some of those snags were removed on the 4th of March last, and it is believed now that the treaty will meet the approval of the Senate and that Secretary Knox and Ambassador Bryce are at work in preparation of an agreement to be submitted to Congress, though perhaps not earlier than the regular session which will assemble next December. There will doubtless be more or less opposition in the Senate to friendly proposals between this and the mother country, but, as remarked, some of the snags have been removed. Senator Root of New York, who is Chairman of the Carnegie Peace Foundation for which ten millions of dollars were recently donated by Mr. Carnegie, will doubtless do everything in his power in the Senate to promote this peace entente. He was Secretary of State during the second Roosevelt administration, and he is closely in touch with pacific and philanthropic endeavor. Mr. Carnegie has said that if two great nations like this country and England could reach an agreement to submit all questions, even those involving honor, to an arbitration court, it would not be long before the other powerful nations would fall into line.

As might be expected, the first kick against efforts at peace, comes from the irrepressible Irish section. John Dillon, an Irish member in Parliament, says the peace proposals make no provision for small nationalities struggling against injustice or seeking freedom, and he insisted that peace proposals were but combinations of mighty empires for the purpose of coercing others who would not submit to arbitration. The Irish member is unhappy at anything that proposes to stop a row, big or little. The interference of the United States in Cuba for the promotion of peace, or the probable interference in Mexico for the same purpose, the pacification of the Sudan by Great Britain or Great Britain's armed interference in India for the suppression of centuries of strife between the petty principalities of that country are, by Mr. Dillon's interpretation, coercion. Any interference with mobocracy or anarchy is according to this Irishman, an interference with the rights of man.

Congress will reassemble in two weeks, and there is of course much interest and speculation with reference to what it will do. It is assumed that the Canadian reciprocity treaty will be approved by the Senate and there is expectation that some of the important tariff schedules will be lowered, or that an effort will be made to lower them. It is deplorable that politics must enter so largely into questions that should be purely economical and that both parties have heart and eyes askance on the presidency in every question that comes up for legislation. There is much speculation with reference to political divisions and combinations of insurgents and stand-patters, progressive and retrogressive Democrats. The sensational retirement of Senator Bailey of Texas on the last day of the last session and his precipitate jump back into the Senate it is thought has considerably weakened such influence as he may have had with the Democratic minority. He was one of the "snags" that did not go on the 4th of March.

Trinity College defeated Elon in a game of ball Saturday evening at Durham the score 7 to 2.

ECZEMA CURED

Pimples Disappear and Complexion Cleared Over-night.

New York.—Thousands are taking advantage of the generous offer made by the Woodworth Co. 1161 Broadway, New York City requesting an experimental package of Lemola, the new skin discovery, which is mailed free of charge to all who write for it. It alone is sufficient to clear the complexion over-night and rid the face of pimples in a few hours. On the first application of Lemola the itching will stop. "This reckless and dangerous speeding on Peachtree road has got to be stopped, even if it requires the sending of some prominent citizen to the chaingang for 12 months," declared Judge Andrew Calhoun, of the criminal court of Atlanta, Thursday morning as he imposed a \$75 fine on J. N. Daniel, the son of a well known contractor, who had been arrested for speeding last Friday night by motor cycle cops, and pleaded guilty to the charge.

The Government has ordered 500 mules to the front; it looks like business for Missouri.

Attacks School Principal.
A severe attack on school principal, Chas. B. Allen, of Sylvania Ga., is thus told by him. "For more than three years," he writes, "I suffered indescribable torture from rheumatism, liver and stomach trouble and diseased kidneys. All remedies failed till I used Electric Bitters, but four bottles of this wonderful remedy cured me completely." Such results are common. Thousands bless them for curing stomach trouble, female complaints, kidney disorders, biliousness, and for new health and vigor. Try them. Only 50c at Freeman Drug Co.

Oakdale Notes.

Crowded out last week.
Mr. Daniel Lineberry of Graham, was buried at Mt. Zion March 3. Funeral conducted by Rev. Curry of the M. P. Church of Graham. Mr. Lineberry was born and raised, and lived in this neighborhood all his life until a few years ago. He was a quiet good neighbor. He leaves four children, two sons and two daughters. His wife preceeded him a short time ago. He was about 60 years old, had been a member of Mt. Zion Baptist Church several years.
Rev. R. R. Gordon preached a good sermon (as usual) to a good congregation at Mt Zion Saturday and Sunday.
The Patterson Township S. S. Convention will hold its semi-annual convention at Pleasant Hill Christian Church March 19, 1911. Everybody invited to come and bring dinner.
Mr. F. L. Spoon tried the fruit tree business this spring and says he likes it fine, but would rather be at home when it hails so.
Miss Annie Zimmerman closed a very successful month's school March 3, at Oakdale after the free school closed. Miss Annie has gone to her home near Gibsonville, and will spend some time this summer better preparing herself for her school work.
We are sorry to lose so many of our young people at once. Three of Mr. F. L. Spoon's family left him in a very short time. Effie, Floyd, and Fred all took work in Burlington, clerking and telephone work. The old man Time says he can stand it if they can, but he is looking for some of them back soon.
Mr. John R. Adams is going to sell his property April 13, and leave us. We are very sorry to lose Mr. Adams and family, for they are among our best neighbors. We learn Mr. Adams' health is such that he cannot farm much anymore. He will go to Greensboro.
Mr. Bob Coble lost a very good

horse last Sunday morning (Mar. 12). No one seems to know the trouble. Mr. Coble is a hard working young man just starting out in life with a family. It is very hard on him to lose a horse at this time of the year. He has our sympathy.

CONCORD ITEMS.

George Love, 94 years old, and the oldest man in Southport, Me., has just finished cutting 12 cords of wood from his large wood lot in that town. Since 1842, when Southport was set off from the town of Boothbay, Mr. Love has not missed a town meeting, and though he never would consent to the use of his name for any public office, many measures advocated by him have become law.

Admiral Pastor Russell's Book. Atlanta Constitution.—Bill Arp, the "Southern Philosopher," wrote the following review of "The Divine Plan of the Ages" some time before he died: "It is impossible to read this book without loving the writer and pondering his wonderful solution of the great mysteries that have troubled us all our lives. There is hardly a family to be found that has not lost some loved one who died outside the church—outside the plan of salvation, and, if Calvinism be true, outside of all hope and inside of eternal torment and despair. We smother our feelings and turn away from the horrible picture. We dare not deny the faith of our fathers, and yet can it be possible that the good mother and the wandering child are forever separated?—forever and forever?"
"I believe it is the rigidity of these teachings that makes atheists and infidels and skeptics—makes Christians unhappy and brings their gray hairs down in sorrow to the grave—a lost child, a lost soul!"
"This wonderful book makes no assertions that are not well sustained by the Scriptures. It is built up stone by stone, and upon every stone is the text, and it becomes a pyramid of God's love, and mercy, and wisdom."
"There is nothing in the Bible that the author denies or doubts, but there are many texts that he throws a flood of light upon that seems to remove from them the dark and gloomy meaning. I see that editors of leading journals and many orthodox ministers of different denominations have endorsed it and have confessed to this new and comforting light that has dawned upon the interpretation of God's Book. Then let every man read and ponder and take comfort, for we are all prisoners of hope. This is an age of advanced thought, and more thinking is done than ever before—men dare to think now. Light—more light—is the watchword."

Helpless as a Baby.
Valley Heights, Va.—Mrs. Jennie B. Kirby, in a letter from this place says: "I was sick in bed for nine months, with womanly troubles. I was so weak and helpless, at times, I couldn't raise my head off the pillow. I commenced to take Cardui, and I saw it was helping me, at once. Now, I can work all day." As a tonic, for weak woman, nothing has been found, for fifty years, that would take the place of Cardui. Try a bottle today. It will surely do you good.

Terrible Picture of Suffering
Clinton, Ky.—Mrs. M. C. McElroy, in a letter from Clinton, writes: "For six years, I was a sufferer from female troubles. I could not eat, and could not stand on my feet, without suffering great pain. I had lost hope. After using Cardui a week, I began to improve. Now I feel better than in six years." Fifty years of success in actual practice, is positive proof, furnished by those who have used it, that Cardui can always be relied on for relieving female weakness and disease. Try Cardui, today, now!

R. F. D. No. 4.

Mrs. Eugene Ingle is on the sick list this week with the chills. Miss Mattie Ingle of Burlington visited her parents Saturday and Sunday.

William Isley is erecting a new barn this week, and he says he is going to build a house to match it soon. Girls it's up to you now. Duncan Stewart spent Sunday and Monday with his parents.

O. D. Whitsell has bought him a donkey from Seymour Troxler, and he says he is going to raise cotton as sure as you're born. I guess in the long hot days in August, when the sun begins to shine directly over his head he will say Joe take the field for I am going to the shade.

Victor Ingle left 20th of March for Virginia, where he will sell trees for Fogleman Bros. Wheat is looking fine in this section. There is good prospect for a bumper crop. The Farmers Union of Brookfield says buy your guano directly from the manufacturers and save the middle-man's profit, but I guess that Walter Trollinger would rather for them to buy indirectly, for that would be filling up his gears.

R. F. D. No. 8.

Holt Isely son of E. K. Isely is wrestling with a case of measles. We "took dinner" with T. B. Barker last Saturday, of course we enjoyed it.

Misses Carrie and Bessie Leath, also Oscar and Otis Leath accompanied by Miss Lelia Wilkerson of Danville, Va., spent Saturday and Sunday at J. W. Somers on No. 8. Glad to have these young folks to visit on our route. Goley Gattis who has been in

the Hospital at Durham for several weeks has returned home much improved. Glad to see him back.

We regret to hear of the serious sickness of our old friend, A. C. Barnwell, more familiarly known as "Zan". We hope for him a speedy recovery.

W. S. Sutton got hurt right bad last Friday, put one arm out of commission.

J. D. Wilkins and wife of No. 2, T. M. Ross and wife of No. 8 were pleasant callers at W. S. Suttons Sunday.

Mrs. J. H. Allen of Mt. Ulla is visiting her mother Mrs. W. A. Lewis, who is on the sick list this week.

Mrs. A. E. Foster is right sick. Hope she may soon recover.

R. F. D. No. 1.

Tom and Grover Allred are building them a new house on the land they purchased from the Glenwood farm.

D. M. Elder and family are expecting to move on our route in about two weeks and take charge of their beautiful home at Glenwood. We are glad to have them back, especially Mrs. Elder and children, but as to Deal, he is a pretty "tough" patron.

J. A. Nicholson is kindly on the sick list this week. Hope he will soon be well.

"Daddy" Moser is making fine headway on getting out rock for our new bridge. He hopes to have it done by the middle of May.

Miss Swannie Patterson and J. R. Hoffman visited on our route Sunday and attended the funeral of Mr. George Johnson.

That noted "stork" of No. 7's visited Dr. Pickett last Thursday

night and left him another boy. Although the weather was freezing cold, they say after the stork left, about midnight the Dr. laid off his coat and vest and took a through cutting wood, not liking that job he decided to try riding around, so he hitched up just one of his horses, though he had a pole to his buggy and for quite a while no one knew anything about Dr. Pickett, however he did turn up the last of the week bringing an old thrashing machine. We think he has got normal now and is ready to proceed with his practice. We would suggest Dr. that you thresh those peas of yours while you have the machine.

R. F. D. No. 7.

There has been so much rain this spring that the farmers are away behind with their work and from now until about the fourth of July they will have to lead the strenuous life that will determine their grit and ability to endure hard toil to win a good living from the soil. The molly coddles will show a desire to move to town before the test is over but the man of true grit will form a deep determination to stick to his knitting and get more than a mere living for his labor.

Our good friend J. Heenan Hawks has rounded out his thirty second year with the Belmont Cotton Mills. He has been superintendent of the mill for 28 years and has worked under 9 different General Managers and has seen 21 clerks do duty in the store during the time. This long in such a high position clearly proves his ability and devotion to duty. We wish for him many more years of honorable service with the company that has shown its appreciation of his ability and devotion to their interests by retaining him over a quarter of a century in the responsible position he now holds.

Esq. John Dixon and wife will leave for Roanoke Va. the latter part of this week where they will visit the Esq's son Dr. P. A. Dixon a prominent Dentist at that place for a few weeks.

R. Alex Coble and family who recently moved from Graham to Belmont have the sympathy of their friends in the loss of their little nine year old daughter Eula who died Sunday and was buried today at Mt. Pleasant.

S. M. Sharpe has opened up a millinery department at the store near Belmont and has some nice hats for the ladies.

Uncle Jim wants all the ladies to come and inspect the hats and find out how cheap he is selling them.

Miss Jane Allred of No 1 spent Saturday night and Sunday with her sister Mrs J. P. Isley.

Misses Donnie Sharpe of No 1 Maude and Flossie Isley of No 7 spent Saturday night with Misses Swannie and Novella Isley.

H. M. Neese who is in school at Elon College spent Saturday night and Sunday at home.

Mr. Geo. B. Johnson died early Saturday morning and was buried at Friendship Sunday evening. The funeral services were conducted by his pastor Rev. J. A. Burgess and the remains laid to rest in the Cemetery.

A large concourse of people were present to witness the last sad rites. Mr. Johnson had reached the ripe age of 84 years 7 months and a few days. Alamance county has lost one of its most highly respected and best citizens and the community in which he lived one of its wisest counselors. Truly a father in Israel has gone to his reward. He is survived by a wife and three sons, Rev. T. M. Johnson of Ashboro, Dr. L. A. Johnson and W. A. Johnson of No 7 and one daughter Miss Sue who resides at home.

Rev. W. E. Swain visited the Mt. Hermon circuit Saturday and Sunday. His many friends were glad to see him.

Mrs. Maude May and little daughter and sister Queen Hammer of Gibsonville spent part of last week visiting at Rev. J. A. Burgess.

We saw Jacob Sharpe and Charles Isley diked out in their Sunday rigs going toward Graham last Saturday evening. We did not see Dan but guess he was just ahead.

We learn that our good friend John R. Adams of near Oakdale, who was a patron of No 7 before the route was shortened will have a public sale on Thursday April 13th, of his personal property, consisting of farming tools, wagons, harness, horse, cows a mule, buggies and a lot of house hold and kitchen furniture. Mr. Adams will move to Greensboro where he has several children living to make his future home. We wish him good luck.

Death of Mrs. Cox.

Mrs. Cordelia Cox, wife of Rev. C. Brown Cox, pastor of the Lutheran Church, died at Southern Pines Thursday, after a lingering illness for more than a year with the much-dreaded disease consumption. Thinking that a change of climate might assist in restoring Mrs. Cox to health, Mr. and Mrs. Cox left on December the fourth for Southern Pines but the change did not have the desired effect hoped for by loving friends. Mrs. Cox was born and raised near Pittsburg, Pa. and in company with her husband came to Burlington about

six years ago. She was thirty-five years old, and besides her husband leaves two daughters, Catharine about thirteen years old and Cordelia eleven.

Mrs. Cox was a devoted Christian and an earnest church worker, having taken a passionate interest in the planning and erection of the handsome new church edifice recently completed by the Lutheran Congregation at this place. She and her husband were the moving spirits in this enterprise and to a degree she sacrificed her life to its completion, which now stands as a monument to the untiring zeal and devotion to herself and husband.

The remains were brought here Thursday evening. Funeral services being conducted by Rev. E. L. Ogilby at the Lutheran Church Friday afternoon at two o'clock. The funeral was largely attended.
