

## HEADACHE TABLETS CAUSE SUDDEN DEATH

Winston-Salem, May 5.—Mr. E. R. Watkins, treasurer and manager of the Winston Investment Company, died suddenly in his office in the basement of the Masonic Temple Wednesday. He was sick only about 15 minutes. He was sitting in a chair when he died.

Mr. Watkins had been in bad health for several months, and was complaining of having an acute headache shortly before his death. It is thought that his death was due to heart depression, caused by taking two headache tablets containing several grains of acetanilide. The dose was very small for one with a strong heart, but Mr. Watkins' heart was said to have been in a weak condition. He was conscious up to within five minutes of his death and he stated that the tablets was the cause of his illness.

He called for help when first stricken by illness, which came in the form of a spasm, and a number of gentlemen in the adjoining offices rushed to his aid. A physician was summoned, but was unable to tell what caused the trouble until he found what medicine Mr. Watkins had taken and death came before the physician could return.

## CONCORD POSTOFFICE WILL BE POSTAL SAVINGS BANK

Washington, May 8.—Postmaster General Hitchcock today designated thirty-six additional post offices as postal savings depositories, which including those previously selected, will make a total of one hundred and twenty-nine depositories established since January 1. The work of furnishing the necessary equipment to the offices and having the postmasters and their assistants thoroughly instructed in the operation of the system will be rushed so as to permit receiving deposits on June 1. Mr. Hitchcock is well pleased with reports received from the offices that have been established, and expects to extend the system as rapidly as possible until has a postal savings bank in every money order office in the United States. The offices in Southern States designated today follow:

Ensley, Ala.; Miami, Fla.; Hopkinsville, Ky.; Natches, Miss.; Concord, N. C.; Dartslettsville, Okla.; Sumter, S. C.; Jellico, Tenn.; and Staunton, Va.

### Appoint New Officers.

The New Mayor and Board of Aldermen met Monday night at the Mayor's Hall and elected and re-elected the officers for the City of Burlington for the two ensuing years. Mr. Carl Heritage was elected Chief of Police, other applicants being our present police, Mr. J. L. Patillo, Messrs. Geo. Hobbs, A. A. Russell, Chas. H. Walker, A. A. Russell was also elected police giving our town an additional officer, he will also have charge of collecting the taxes. Mr. J. A. Zachary was re-elected night police, there being no opposition, no one else having made application. Messrs. W. H. Carroll and E. S. W. Dameron were applicants for the city attorneyship, Mr. Dameron being elected. Mr. L. P. Shepard was elected Cemetery Keeper, other applicants were Messrs. Jake Huffines and Bob Askew, Jerry Sellers was elected Cemetery Keeper for the Colored Cemetery. Mr. Snell was elected Fire Inspector. Mr. W. P. Ireland was elected Mayor Pro Tem. Election of the other officers was deferred. Before electing these officers it was moved, seconded and carried by the Board that all officers be elected to serve, not two years unless they gave satisfactory service. The new officers will take oath of office and begin service at once.

Misses Eugenia and Espie Clapp of near Brick Church were the guest of Misses Lizzie and Julia Fogleman the past week.

## WATKINS SENTENCED TO SERVE 18 MONTHS, APPEALS

Asheville, May 6.—"Fleet Watkins charged with the murder of John Hill Bunting, of Wilmington, at the Gladstone hotel, Black Mountain, on the night of August 6, 1909, and convicted this week of manslaughter, was this afternoon sentenced by Judge Webb to eighteen months in the state prison. The defendant gave notice of appeal and bond was fixed.

Practically the entire morning was taken up with argument by counsel on the motion of counsel for the defendant to set aside the verdict on the ground that the juror, J. W. L. Arthur, went into the jury box prejudiced against the defendant and that when challenged by the counsel for the defendant as to whether or not he had formed and expressed the opinion that the defendant was guilty of the crime, retained his seat.

## KILLS HER HUSBAND TO SAVE HIS SOUL

New York, May 6.—"I killed my husband to save his soul and I am ready to take whatever punishment man may mete out to me. I know God does not blame me," said Mrs. Francis O'Shaughnessy, wife of a year, when Coroner Holshausen held her this afternoon without bail on a murder charge. She shot and killed her husband, George O'Shaughnessy, last night because he told her he was going to leave her for another woman.

As she was being led to the tombs Mrs. O'Shaughnessy paused and penciled an order that small savings of a year, money that she had planned should be used for a trip to Ireland, so that their child might be born there, be paid over to a priest for masses for the soul of the man she killed.

### Quinn—McKeel.

Mr. Edward Mack Quinn and Miss Iola McKeel were happily united in marriage Saturday night in the Register of Deeds Office, Graham.

It came as a sudden surprise to their many friends, and was not made known to the public until Monday. Mr. Quinn came here some months ago from Alabama and is connected with the Southern Bell Telephone.

Miss McKeel is the daughter of Mr. and Mrs. A. B. McKeel and is Chief operator of the Southern Bell Telephone at this place. The State Dispatch joins their many friends in extending congratulations.

### Farmers Union Rally and Picnic.

Farmers Union Rally and Picnic will be held at Snow Camp on May 30th a cordial invitation extended to every local Union in the County to participate with us. Dr. Alexander State President and State Organizer Green have accepted the invitation given them and will both be with us. So do not fail to come bring your baskets well filled and let us spend a day of profit, and pleasure together. Good music, free lemonade Base ball something to interest every one. State Veteran Chrisman has been invited to be present to show us the good and bad points in our stock. J. C. Griffin Sec.

The County meeting will be held in Graham on Saturday the 27th.

### GLASSES.

An optician of professional standing is bound to refrain from self-praise. I do not claim to be the "best on earth." But I do insist that I am a good Optometrist—that I know my business, and that you can safely intrust your eyesight to my care. I shall be pleased to fit glasses for you. I will be at Burlington, Tuesday and Wednesday May the 16th and 17th, stopping at the Burlington Drug Co., for the purpose of examining eyes and fitting glasses. Dr. N. Rosenstein, of Durham, N. C.

## A NEW RAILROAD FROM GREENSBORO TO OXFORD AND HENDERSON

That the city of Greensboro is going after a new railroad in earnest is at once patent from the fact that subscriptions amounting to several thousand dollars have been made by Greensboro men to defray the necessary expenses incident to a preliminary survey. The proposed road is contemplated being built from this city via Burlington to Roxboro and thence to Oxford and Henderson, connecting with the Norfolk and Western at Roxboro and the Seaboard Air Line at Henderson.

Several weeks ago the chamber of commerce through a committee of which J. W. Fry is chairman, made some investigations, securing data to be used in promoting the building of the route. Citizens along the proposed line are very enthusiastic over the project. The citizens of Roxboro, who are greatly interested, have stated that they will cooperate and raise their part of the money.

On Tuesday, May 16, a large delegation from the chamber of commerce expects to leave here in automobiles for Roxboro, Oxford and Henderson, and ten or fifteen cars leaving Greensboro, carrying 30 or 40 of the city's best business men will, it is believed, arouse a great deal of enthusiasm along the line, and, it is believed further, that with the proper interest and cooperation the road can be built in the year

1911. It is believed the building may be done at a very reasonable expense, because the route runs along a ridge.

The building of the Greensboro to Roxboro to Henderson railroad will mean much to Greensboro, as the territory through which the road will run is one great farming district. The best tobacco in the state is raised in Caswell and Person counties, through which this line passes, and in the section are considerable timber lands. The opening of the territory will mean thousands of dollars additional trade to the merchants of Greensboro.

Another advantage and not the least by any means, is that the distance from Greensboro to Norfolk will be shortened about 25 miles.

In view of the situation regarding the railroad, while it is yet in its beginning, the following is given by a gentleman connected with the chamber of commerce.

"The citizens of Greensboro are today more united than they have been for several years, and the building of this railroad is something in which they should feel interested in. They should cooperate with the chamber of commerce for the line because it will put more life into our city than any other one thing that can be done."—Greensboro Daily News.

### With the City Fathers.

Burlington, N. C., May 1st, 1911. The Board of Aldermen of Burlington met in regular session this night—Mayor Love presiding.

The Street Committee submitted the following report:— "We herewith hand you report of the Street Committee showing the total work done on Sidewalks by I. F. Grantham, one half the cost of said work to be paid by the City as per former order, to wit:—

Attached to this report is bill of J. H. Holt, \$40.00 damage to hedge by reason of the grading of West Davis Street, and is accepted in lieu of the replacing of said hedge by the City.

We beg to further report that the extension of Worth Street is well worked up for travel and we recommend that said street be accepted by the City. On motion by Sellers duly seconded the foregoing report was accepted and the bill of J. H. Holt \$40.00 ordered paid. R. M. Morrow Chairman of the Water-Light & Power Commission made verbal statement with reference to the City's Water Supply.

Upon request of Apple, Alderman, the Commission was asked to reduce their suggestions and recommendations to writing in order that same may be made a matter of record—whereupon the Commission submitted the following:—

"We recommend as the quicker and more feasible way in which to secure an immediate and adequate water supply for our City is to connect our system with the deep well at Bellevue Mills, this can be done at an approximate cost of \$700.00 and we estimate connection can be made within about three days after pipe necessary for the work is received. Mr. Browning, Manager of the Mills agrees to allow the use of the well and agrees that in case satisfactory remuneration can not be agreed on by the Committee, he is willing to allow same arbitrated by disinterested parties. Motion by Albright seconded

by Freeland that the matter be continued for consideration by the incoming Board—amended by Apple, that the Commission be authorized to proceed with the work as per their recommendations and as they deem proper:— on ballot Apple, Ireland and Sellers Vote AYE. Albright, Freeland Cates and Atwater vote NO. Request of B. M. Walker—Chief of the Fire Company, to remove the Hose Scaffold across Worth Street to a point near the Fire House, was on motion of Sellers granted provided same does not obstruct the street.

No report from Finance Committee. Reports of the Tax Collector, Police, Cemetery Keeper, Health Officer and Scavenger all read and accepted.

Upon motion by Sellers, the Secretary and Treasurer, is here by ordered to draw checks for salary of Aldermen and also for the Committee Meetings as per memorandum to be submitted to the respective Aldermen.

Upon motion by Albright, seconded by Freeland, the Annual Report of the Secretary & Treasurer was referred to the Finance Committee.

No other business for attention on motion the meeting adjourned. JAS. P. MONTGOMERY Secretary & Treasurer City of Burlington North Carolina.

### Fire Saturday Evening.

Saturday evening about three o'clock the home of Mr. T. B. Fowler caught from a flue in the kitchen and before the firemen could reach the scene the entire roof was in a flame, which destroyed the building. Part of the property being saved. It took nice work on the part of the firemen to save the two homes next to Mr. Fowlers. The building was partly covered by insurance.

## TWO IMPORTANT DOCUMENTS SHOW THE RAVAGES OF TIME

Washington, May 6.—The sacred relics of enduring popular government, the original declaration of independence and constitution of the United States, which for nearly a decade have been locked up in the archives of the State Department were personally inspected today by Secretary Knox, who during his tenure of office is charged with their preservation for posterity. Their exposure forcibly revealed to the Secretary that the safe in which they are kept is neither water nor fire proof. Although without available funds, he immediately issued instructions that an estimate be made of the cost of a receptacle which would make the historic instruments absolutely secure against destruction.

Both documents have been obscured from public gaze since 1802 in order to save them from the spoilation of sunlight, from accident or vandalism. When uncovered today the immortal declaration displayed the ravages of time and the disastrous effects of press copying to which it was submitted in 1852, and from which all fac-similes have been made. Nearly all the signatures have faded away, even the famous scroll of John Hancock being only vaguely and incompletely visible. The dimmed text, however, is readable in its entirety. The condition of the declaration is ascribed by officials more to the press copying than the wear of years. The constitution, which has never been press-copied, is in almost perfect shape.

A rearrangement of the department's library afforded the Secretary an opportunity to view the relics. They were returned to the safe and Mr. Knox announced that for the sake of their preservation, there would be no change in the policy of locking them up from public exhibition.

## ACCIDENT DUE TO DEFECTIVE ROADBED

Easton, Pa., May 4.—"By the evidence before us we conclude that the accident was caused by a defective roadbed," was the finding of the coroner's jury in Phillipsburg, N. J., following the inquest of the victims of the wreck on the Pennsylvania railroad at Marrin's Creek last Saturday. This finding was made in connection with the death of Eleanor Rutherford, the Utica school teacher, who died from her injuries in the Easton hospital.

Prosecutor Striker, who assisted Coroner Kinney in his investigation said that he would like to have had a more explicit verdict. "The case is now up to the grand jury for further investigation if they care to take it," he said. "No one being charged with neglect, there is no one against whom a charge can be made. There was no evidence to show any person charged with the care of the roadbed had any knowledge of a defect, if any there was."

### Million Dollar Company.

The Secretary of State chartered Friday the Piedmont Railway & Electric Co. of this city. The capital authorized is \$1,000,000 and the special purpose mentioned in the charter is the construction and operation of a system of electric lines that will connect Burlington, Graham, Haw River, Hopedale Carolina and Glenco with local service also for these and any other points within 50 miles of Burlington in Guilford and Alamance counties. The company also specifies power to generate electric and other power, maintain parks and theaters and other pleasure resorts and general work of development. The incorporators are J. M. Cook, E. S. Parker Jr., A. L. Davis.

The Bellevue well has been tested and is recommended to the Board of Aldermen for our water supply. This was left open Monday night for the new Board.

## SALISBURY ALDERMAN IS A BLIND TIGER

Mooresville, May 6.—John E. Ludwig of Salisbury, who was elected alderman from the South ward in his town last Monday, was arrested near here this afternoon about 5:30 o'clock on a charge of retailing. He was riding in a four-passenger 1911 Cadillac automobile, and under the seat, in the side pockets of the machine and in a sack were found seventy-three pint bottles of whiskey. His machine carried no number and a warrant was also issued for him on that charge.

Following his arrest, he was placed under a \$200 bond on the retailing charge and \$100 bond for the charge of operating an automobile without a number, for his appearance for trial before Squire C. V. Volis Tuesday morning. He put up cash bonds and was released from custody. The whiskey and automobile however are held by the authorities here until after the trial.

John F. Ludwig is a son of the late Benjamin Ludwig of Salisbury and is a well-known business man and successful farmer. It is understood here that he is well fixed financially.

The officers here were put on the lookout for Ludwig by a message received from Salisbury yesterday, stating that he would be here today with one hundred pints of whiskey. He was seen to pass through town and Chief of Police Brown, Deputy McKnight and Officer Broom mounted their vehicles and went in pursuit. The officers caught up with the automobile about a half-mile, from town, at the McPherson mill, and there made the arrest of the man, booze and machine.

## HORSE-RACING IN FLORIDA GETS A KNOCK-OUT BLOW

Tallahassee, Fla., May 3.—Horse racing in this state received a death blow this afternoon when the anti-racetrack betting bill passed by the lower house of the legislature by a vote of 61 to 1. It is claimed by many that the measure probably will be found unconstitutional in that it violates another statute specifying that each law enacted shall embrace but one subject. The measure already has passed the senate and now awaits the governor's action.

### Sweet Sixteen Surprise Party.

A large number of her friends were present at the home of her grand-mother Mrs. J. F. Thompson Tuesday night to assist in giving Miss Margie Loy a Sweet Sixteen Surprise Birthday Party. The home was tastefully decorated with coronations, roses, and ferns. Progressive Hearts in which Miss Mary Teague and Mr. Butler Loy won the prize, and Geo. Sharpe the Booby, was the chief amusement of the evening. Refreshments consisting of punch, ambrosia and cake were served. The punch bowl being presided over by Miss Henrietta Love.

Thus an evening among the sweet sixteens was very much enjoyed.

### Rah For Alamance.

We have just seen a letter from Mr. Frank Melville, manager of the American Vaudeville Circuit, 251 West 42nd St., New York, to Mr. Junius H. Harden, manager of the Alamance Fair Association, making Mr. Harden the agent for Mr. Melville and his company in the territory from Lynchburg to Atlanta.

The American Vaudeville Circuit is the largest concern in the world booking out-door and circus attractions.

Alamance opens the circuit between Lynchburg and Augusta, Ga., and this means that Mr. Harden will have at the Alamance Fair this fall, Oct. 3-6, attractions of a class never before booked at a County Fair in the South.

**It's Your Kidneys.**

**Don't Mistake the Cause of Your Troubles.**

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to dropsy or Bright's disease. The best remedy to use is Doan's Kidney Pills. It is for all ills which are caused by weak or diseased kidneys. Residents of this vicinity are constantly testifying to permanent cures.

T. C. Bradshaw, Mill St., Graham N. C., says: "I cannot say too much in praise of Doan's Kidney Pills and I strongly urge anyone suffering from kidney trouble to at least give this remedy a fair trial. I had a pain in my back for nearly two years and nothing was of permanent benefit until Doan's Kidney Pills were tried. They helped me from the first and before long I was completely rid of backache. My cure has proven permanent."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

**New Mayor and Board Take Reins.**

After a brief session of the old Board of Aldermen Thursday night in which they wound up and tied a knot to their end of the ball of the city affairs, the new Mayor and Board were ushered to the front and the oath of office administered to them by Mr. A. F. Barrett, who knows how to do the business. In turning over the books and reins of government to the new Mayor, Mayor Love expressed his thanks to the former Board who had seen proper to elect him to this office to fill the unexpired term of Mr. A. F. Barrett, who resigned. Mr. Love said that he, as all other officers would, had made mistakes but he assured the people all unintentionally. It is remembered twelve months ago the Board was divided Mr. Freeland the present Mayor being an applicant for the position of Mayor, and upon failing to land the job, presented Mr. Love, on the night he took the oath of office a lemon. The lemon had been kept by Mr. Love and was returned to Mr. Freeland, although swiveled as stated by Mr. Love, it still contained the essence of the lemon. The Board which is composed of Mr. W. P. Ireland and Dr. Faucette from the First Ward, Messrs. A. A. Apple and Lynn B. Williamson from the Second, Messrs. H. C. Stout and J. G. Rogers from the Third and Col. Eugene Holt and Mr. J. L. Scott from the Fourth, are a fine representation from the various wards. While only the two heavy weights Messrs. W. P. Ireland and A. A. Apple were fortunate enough to be re-elected the other members have either served the city as Aldermen or are closely allied with the workings of the city.

**Orange County Man Dies.**

Mr. James A. Cheek a well known and influential citizen of Hillsboro died at the home of his son, Mr. J. Clyde Cheek at Greensboro Tuesday afternoon following a severe illness of two weeks. The immediate cause of his death was pleurisy. He went to Greensboro for treatment at St. Leo's hospital but became too ill to be removed from his son's home. The body was carried to Hillsboro Tuesday morning for the funeral and interment, the service being held at the Presbyterian church of that place at 4 o'clock in the afternoon.

Mr. Cheek was 69 years old and is survived by his widow two sons and a daughter. He was a Confederate veteran and had long been conspicuous in the affairs of Orange county. He served three terms in the legislature and filled other positions of trust.

**HEALTH AND HEREDITY**

**Round Table Discussion by Dr. Stafford, at the Health and Heredity Meeting of W. C. T. U.**

- What impurities enter the air from sewers and cess-pools? "Mephitic gases" which would not be fit for respiration themselves, and so they contaminate the air and make it more or less poisonous.
- What about the danger of cellars? The danger from cellars is due to excessive moisture, or to things being allowed to decay there. If not ventilated, carbonic acid would accumulate in the cellar, which is not poisonous but will not sustain life.
- Tell something of organic impurities of water? Organic matters in water may be due to, first, decomposing vegetable matter, and second, to animal fecal or decaying matter. The danger would consist in the alkaloids of decomposition; but they are a sign that there are probably germs of typhoid, Diphtheria or other diseases.
- How is the best way to overcome an hereditary tendency to Tuberculosis? Build up the system to the highest point possible. Fresh air, good water, regular hours of sleep, good food and proper clothing and a cheerful habit of mind.
- What is the difference between Tuberculosis and Scrofula? The difference is more in degree than in kind. Scrofula is Tuberculosis of the glandular system or more properly the lymphatic system.
- Are infants who die of Tuberculosis born with the disease or do they contract it after birth? They contract it after birth. They inherit a weakness that predisposes to it.
- How is debilitated stock a source of criminality? Degeneration from the normal state is the source of departure from a healthy state, whether in a physical, mental, or moral sense.
- What is the best and cheapest disinfectant to use about the house? Chloride of Lime.
- What distance from the house should a hog-pen be placed? In the country, far enough not to annoy the household. In the city, a half-mile outside the city limits.
- Has the bad odor from hog-pens anything to do with sickness? Is it the odor or the filth behind the odor? The odor has to do with sickness since it impairs the purity of the air. The filth behind the odor has also to do with creating sickness as it may contaminate the water, or, through flies, the food.
- What is the most unsanitary condition existing in our town today? Improperly constructed privies, which should be screened from flies, and the refuse not allowed to rest on the ground.

# Annual Report of Secretary and Treasurer of Burlington

Honorable Mayor and Board of Aldermen of the City of Burlington, North Carolina.

In laying before you an accounting of the transactions pertaining to the office of your Secretary & Treasurer, I submit herewith for your consideration, an exhibit showing the receipts and expenditures for the fiscal year ending April 30th, 1911.

The data submitted shows specifically from what source the funds have been gathered and for what purpose expended.

By way of further explanation I beg to say:—

1st. That the income from interest \$462.63 represents the earned interest on the Electric Light, Water & Sewer Board reserve fund now on deposit, together with the refund interest on the \$25,000. Street Improvement Bonds recently sold.

2nd. In this connection I again call your attention to the earned interest \$168.04 on the Light Bond Reserve Fund, which amount was placed in the General Funds of the City and should be reallocated:— I further beg to say that the annual deposit of \$310.00 in the Light Bond Reserve Fund is now due and this amount together with the interest aforementioned should be placed to the credit of the Light Bond Reserve Fund Account.

3rd. Fines and Penalties collected during the year amount to \$696.26, or a gain over the previous year of \$420.76.

4th. The income derived from sale of Cemetery Lots exceeds the cost of maintenance and up-keep by \$89.75, and for the year 1909-10 the amount was ——— 178.26, and for the past four or five years there has been an excess of receipts over cost of maintenance, and these sundry amounts, should in my opinion, be set apart as a special fund to be expended only for the beautifying of the City Cemetery.

5th. The income from granting of License shows a decrease from previous year of \$112.00.

6th. During the fiscal year your honorable board found it necessary, in order to care for pressing obligations, to cause to be executed, notes of the City aggregating \$8,391.01, and of this amount \$3,592.21 has been repaid:—The \$25,000 note given September the 9th, 1909, you will recall was paid from the funds derived from sale of a like amount of the City's Street Improvement Bonds.

7th. The floating indebtedness of the City as shown by statement attached amounts to \$25,277.28, and consists of sundry notes due and payable, as follows, to wit:—

1 Note, Eugene Holt, due 3-10-10	\$572.48
Alamance Loan & Tr. Co. " 5-18-11	4,000.00
J. W. Cates, due 6-1-11	152.63
Alamance Ins. & R. E. Co. due 6-1-11	566.66
Thomas F. Lloyd, due 6-14-11	10,000.00
Western Electric Co. due 6-16-11	1,792.67
Alamance Loan & Tr. Co. due 6-29-11	1,000.00
Alamance Loan & Tr. Co. due 6-29-11	1,553.53
Alamance Loan & Tr. Co. due 7-6-11	1,559.80
Fogleman Bros. due 7-6-11	75.00
Eureka Fire Hose Co. due 7-28-11	600.00
Westinghouse Electric Co. due 9-1-11	311.62
Stewart-Howard Co. due 9-11-11	436.48
Benedict-Burnham Co. due 9-1-11	353.19
Central Electric Co. due 9-1-11	111.35
Fort Wayne Electric Co. due 9-1-11	169.09
Cuyler & Mohler Co. due 9-1-11	113.13
H. Muller Mfg. Co. due 9-1-11	243.67
McGraw-Yarborough Co. due 9-1-11	41.95
Chesapeake & Ohio C&C Co. due 9-1-11	667.70
Pittsburg Meter Co. due 9-1-11	756.33
Burlington Fire Co. due 4-7-12	200.00
	\$25,277.28

of this amount \$5,369.80 was brought over from the former administration, as shown by my report under date of May 1st, 1909, and the increase during the two years of your administration of \$19,907.48, was largely occasioned by reason of the installation of Power Equipment at the Light plant and necessary expense incurred in putting into practical use the City's Water & Sewerage Systems.

8th. I am thus specific in setting forth in detail the City's floating indebtedness, in order that your honorable Board may be cognizant of the situation, and the incoming Board be made fully acquainted with the problem confronting them of making due provisions to meet the indebtedness as it respectively falls due.

9th. In the exhibit of Expenditures, I need to call your attention only to the payment to Bowe & Page \$531.83, which amount was for Concrete Sidewalk work constructed for W. Clapp; Eugene Holt; N. S. Cardwell and the First National Bank, and the total amount was paid by said respective parties, but handled through my office as a matter of record, pending settlement by the City for its part of said work.

10th. The Light Bond reserve fund on deposit with the Piedmont Trust Co., amounts to \$3,000.00, and the Water & Sewerage Bonds Reserve Fund on deposit with the Alamance Insurance & Real Estate Co., amounts to \$2,472.00.

11th. The total receipts for the year aggregate \$82,980.89, and the expenditures \$82,415.29, leaving a cash balance to the credit of the respective departments of \$565.60.

12th. The indebtedness of the City is as follows, to wit:—

Outstanding Bonds,	\$178,000.00
Floating Debt,	25,277.28
being a total of	\$198,277.28

With the closing of this another year and the termination of my term of office as Secretary & Treasurer of the City of Burlington, I wish to say, notwithstanding the arduous duties and grave responsibility which has rested upon me, that I have endeavored to serve you and through you the City of Burlington, to the best of my ability, and I wish to again thank you for your confidence and support.

Respectfully submitted,  
Jas. P. Montgomery, Secretary & Treasurer,  
City of Burlington, North Carolina.

## No slavery To Work.

Deskins, Va.—Mrs. Mary A. Vandyke, in a letter from Deskins, says: "I had serious female troubles, lasting 40 days at a time. I was so weak I could hardly walk, so I tried Cardui. Soon I was better. Now I am well." If you suffer from any form of womanly pain or weakness, take Cardui, the woman's tonic. Cardui will lift you out of the misery and weariness, caused by womanly weakness, and help you to see the bright side of life. Try it. Your druggist sells it.

## Fly Catechism.

The Raleigh Evening Times.

The housefly has no friends in Asheville, or it will not have any long for the teachers of the schools up there are training; the children to regard the little fly as their most deadly enemy. Superintendent Tighe, of the graded schools, with the co-operation of the various teachers, has pasted the following catechism in the spelling book of every child in the schools:

1. Where is the Fly born? In manure and filth.

2. Where does the Fly live? In every kind of filth.

3. Is anything too filthy for the Fly to eat? No.

4. (a) Where does he go when he leaves the surface of the manure pile and the spittoon? Into the kitchen and dining room. (b) What does he do there? He walks on the bread, fruits and vegetables; he wipes his feet on the butter and bakes in the milk.

5. Does the Fly visit the patient sick with consumption, typhoid fever, and cholera infantum? He does—and may call on you next.

6. Is the Fly dangerous? He is man's worst pest, and more dangerous than wild beasts or rattlesnakes.

7. What disease does the Fly carry? He carries typhoid fever, tuberculosis, and summer complaint. How? On his wings and hairy feet. What is his correct name? Typhoid Fly.

8. Did he ever kill any one? He killed more American soldiers in the Spanish American War than the bullets of the Spaniards.

9. Where are the greatest number of cases of typhoid fever, consumption, and summer complaint? Where there are the most flies.

10. Where are the most filth? Where there are the most filth.

11. Why should we kill the Fly? Because he may kill us.

12. When shall we kill the Fly? Kill him before he gets wings—kill him while he is a maggot in the manure pile—kill him while he is in the egg state.

13. How? Keep stable clean and dry and don't allow any manure to stay on the premises longer than a week. (Sect. 487, etc., of Asheville City ordinances require this.) Have all other filth and trash accumulating on your premises removed or burned at least once a week.

14. If your neighbor fails to comply with these rules and allows flies to breed on his premises and visit you, screen your doors and windows and keep them out.

15. If there is any filth on your premises that you can't remove, or if your neighbor does not comply with these rules, notify the health department, phone 152. They will attend to it for you.

16. "Filth for Flies—Flies for Fever. Kill them both at once."

The above is not reading matter that appeals to one, but the fly is not a nice "animal" and cannot be described in very elegant terms. We believe the Asheville schools are doing a good work in impressing upon the children the perils of the typhoid fly. The work has the approval of the Asheville health authorities.

## Helpless as A Baby.

Valley Heights, Va.—Mrs. Jennie B. Kirby, in a letter from this place says: "I was sick in bed for nine months, with womanly troubles. I was so weak and helpless, at times, I couldn't raise my head off the pillow. I commenced to take Cardui, and I saw it was helping me, at once. Now, I can work all day." As a tonic, for weak woman, nothing has been found, for fifty years, that would take the place of Cardui. Try a bottle today. It will surely do you good.

## Saved Child From Death.

"After our child had suffered from severe bronchial trouble for a year," wrote G. T. Richardson, of Richardson's Mills, Ala., "we feared it had consumption. It had a bad cough all the time. We tried many remedies without avail, and doctor's medicine seemed as useless. Finally we tried Dr. King's New Discovery, and are pleased to say that one bottle effected a complete cure, and our child is again strong and healthy." For coughs, colds, hoarseness, lagrippe, asthma, croup and sore lungs, its the most infallible remedy that's made. Price 50c and \$1.00. Trial bottle free. Guaranteed by Freeman Drug Co.

Entered as second-class matter May 20, 1908, at the post office at Burlington, North Carolina, under the Act of Congress of March 3 1879.

Wednesday, May 10, 1911.

The people wanted a change and they got it. So that is the end of it.

Well, the Democratic ring did not cut much ice in their race for Mayor, with their cut and dried proceedings.

If the board of Aldermen and the citizens will stand by Mayor Freeland he will give us an up-to-date administration.

The ring got a jolt in Burlington last Tuesday that will stay them for a while, or we miss our guess. The days of ring rule are numbered.

The citizens movement appears to have cut quite a figure in other towns. Our neighbor, Graham elected a citizens ticket throughout last week.

We hope that Alderman Scott will carry out the assertion made last Thursday night, to "clean this town up." Then we want Mayor Freeland to see that it is kept clean.

Take an ad in the Dispatch, it is a business getter, because it reaches the people. The people like to read it, and do read it. Therefore an advertisement in its columns pays. Try it.

If the city of Burlington does not move forward now, it will not be on account of the board of Aldermen. It is the opinion of all that it is the best board that could have been selected.

The business men of this city can render much valuable aid in keeping the city clean by keeping the trash that accumulates in front of their places of business out of the gutters and off the streets.

It now develops that the commission form of government is not what Greensboro folks first thought it was, or rather it is not working like they thought it would. At least they are squabbling over it at any rate. It is a mighty hard matter to find a set of men that will please all the people all the time.

### Cleaning Up.

"I am going to have this town cleaned up," said Alderman Scott at the first session held by the new board. Well said Mr. Scott, but it is easier said than done. Let the good work proceed. Where will you begin first.

### A Magic Charm.

The word free has a magic charm, and appeals to the best of us. While the men in Congress were voting for the farmers free list, the boys in this town were voting for Free-land, and judging from the returns it would seem that there is something in a name after all.

### The New Board.

The newly elected board was sworn in last Thursday night and held brief session. The only business of importance transacted was the temporary adoption of the old ordinance and the election of the secretary to the board. Mr. James P. Montgomery was re-elected by acclamation. The naming of the other candidates was postponed until Monday night. There are several changes agitating the minds of the Aldermen and it may be several days before these matters are finally disposed of. We believe that the board should go slow in making changes, and select the best men to be had for the different positions which they have to offer.

What we want is live hustling men with ability and a willingness to do something. We do not need and should not have a separate man for every little job. Give them something to do and then pay them reasonable salaries. The people have great faith in the new board and are looking to them for relief and action.

### The Choral Union.

Tomorrow night the Burlington Choral Union will give its annual concert. The local singers will be assisted by a quartette from Greensboro. This occasion should call out not only every lover of music in Burlington, but also every public-spirited man, woman and child in the city and vicinity.

The Choral Union is practically the only organization in our community devoted to the cultivation of higher musical taste, and the only one that gives the public an opportunity to hear some of the great musical masterpieces. In enabling our people to hear annually some very high-grade music the Choral Union is not only rendering invaluable aid to all the church choirs, but is also rendering invaluable service to the entire community by distinctly elevating the musical taste of the people in general. The entire community, therefore, is the loser if the Choral Union lacks the hearty sympathy and support of the Burlington people. It is time for us all to recognize the high service rendered by the Choral Union, and the debt we owe to it, and we should show our appreciation tomorrow evening by packing the school auditorium to the doors.

This year the Choral Union has had greater expense than ever before, especially in employing a director every week, and it is in need of all the financial help that could come from a full house tomorrow evening. Lacking the generous support of the public, there is danger that the members of the Choral Union will become discouraged and the organization be discontinued.

The generous support, even the sacrifices made by some of our people in behalf of the Choral Union, ought to stimulate others to help it. Some public-spirited citizens, recognizing the value of the Choral Union's work, pay the membership fees of some who, but for this help, could not afford to be members. Other outsiders became sustaining members, contributing to its support. One or more ministers, able to attend but rarely, became members chiefly as an expression of their public-spirit and their appreciation of the valuable work done by the organization. Many other public spirited people should in one way or another offer their generous support and thus encourage our singers to continue their good work.

Get your ticket and help to make the concert tomorrow evening a success.

Bob Rogers, a farmer living near Fulton, Me., is said to have a goat that takes its nightly sleep in a tree. The tree slants considerably, making it easy for the goat to climb it. The branch on which the goat sleeps is curved in such a peculiar fashion that the goat can rest comfortably without being in danger of falling.

#### Her Life a Burden.

Ratcliff, Tex.—In a letter from Ratcliff, Mrs. Mattie Campbell says, "My health was very bad: I suffered untold misery every month, and at times, I wished for life was a burden to me. I tried Cardui, and it helped me right away. Cardui has stopped my suffering, made life worth living, and filled my home with joy and happiness." If you suffer as Mrs. Campbell did, Cardui will certainly help you, as it did her. Why not try it?

## WASHINGTON LETTER.

Washington, D. C., May 5.—The much advertised horse show in Washington is on the tan bark arena three blocks south of the White House. It started off quite tamely a half an hour after the scheduled time on Thursday the 4th instant at 11 o'clock. General Miles, at one time commander in chief of the army of the United States, headed a procession of about a dozen buggies, to two or three of which were attached good horses. The General drove a pair. It is evident that the day of the driving horse is past. The motor cycle, the automobile, the telephone, the aeroplane, to say nothing of the bicycle, have driven him to the second place in speed and in endurance. This result is desirable for all the world and especially for Washington where the abuse of draft horses by negro drivers is more conspicuous than in any other city of the United States. The hard, smooth streets of Washington, the great extent of the Potomac Park and of Rock Creek Park furnish excellent courses for vehicles, but it is unusual now to see a fine pair of horses and an elegant carriage, and when seen they have an ancient and passe appearance. Automobiles of different makes are seen everywhere.

The utility of aeroplanes for defensive and offensive purposes in war is to be given a test this week when C. N. Anderson, one of the best marksmen in America, will ascend to the height of several hundred feet and shoot at glass balls to be thrown by the aviator. Anderson has come to Washington and the test will be made at Bennings track, southeast of the city. A number of sportsmen with army and navy men are taking great interest in the experiment. Five or six Curtiss machines of the latest type will be in the air and Glenn Curtiss himself with other professional aviators will steer them.

There was an interesting session of the Senate Finance Committee this week, and in a discussion concerning the United Shoe Machinery Company of Boston it is alleged that it has all the American shoe manufacturers under its thumb and Senator Bailey of Texas suggested that the question was one of which the Attorney General of the United States rather than the Senate should take cognizance. The Senate Committee was in special session to hear western shoe manufacturers from St. Louis, Grand Rapids, Chicago and Milwaukee, who were protesting against placing their manufactured product on the free list. One witness testified that 45 per cent. duty on shoe making machinery made it prohibitive, and yet the royalty charged by the trust for the use of its machines he said was sufficient in less than one year to buy the English machine outright. Representative Weeks of Massachusetts declared on the other hand in a House investigation held simultaneously with that of the Senate, that the shoe machinery was a magnificent monopoly inasmuch as it enabled one corporation to lease the machines at a very low rate to American manufacturers. Mr. Weeks used a number of samples of shoes to illustrate his argument against the Democratic measure. Mr. Diffendorfer of Pennsylvania introduced a resolution in the House calling upon the Navy and War Departments to furnish Congress information relating to shoe contracts for the army and navy. The inquiry was based upon charges that a single shoe concern has a monopoly to furnish the army and navy and has frozen out other competitors. Congress is giving much attention to investigations. Inquiries into the affairs of the United States Steel Corporation, the American Sugar Refining Company were placed on the list in the House and Senate Committees and will no doubt be an important part of the work of the summer season. Mr. Broussard of Louisiana introduced a resolution to appoint a special committee of three Senators and four Representatives to examine the laws and departmental resolutions governing the methods of appointing diplomats and consuls. The resolution carries twenty-five thousand dollars for expenses and empowers the committee to hold sessions in foreign countries, if necessary. Of course everyone knows that this is for the purpose of a foreign junket for the committee with their wives and daughters and others at the expense of the government. There will doubtless be other junkets proposed before

the extra session is over, and the Democrats who are now in power will probably demonstrate in spite of their professions of honesty and economy, that they can get quite as much on the side from the government in the way of jaunts and junkets and plums and pork as their Republican confreres. There should be an outright appropriation by the government called "The Foreign Travels Bill."

### Do Ghosts Haunt Swamps?

No. Never. Its foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous, and lowlands. These are the malaria germs that cause ague, chills and fever, weakness aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove all the malaria from my system," wrote Wm. Fretwell, of Lucama, N. C., "and I've had fine health ever since." Use this safe, sure remedy only. 50c at Freeman Drug Co.

### Work Brought Exaustion.

Adel, Ga.—"For three years," writes Mrs. C. J. Rentz, "I suffered with female troubles. When I would lie down, I could hardly breathe. I could not do any work without being exhausted. I took Cardui according to directions, and now I can do all my work, and do not suffer at all." Cardui has brought health and happiness to thousands of weak women. It acts on the cause of women's backaches, headaches, nervousness, dragging sensations weakness and misery. It relieves. It cures. Try It.

When you buy a bottle of Coca Cola see that the top is labeled Coca Cola or you may get a substitute. J. M. Coble.

### Cardui Worked Wonders.

McMinnville, Tenn.—Mrs. Ocie Jett, of this place, says: "I don't believe I would be living today, if it hadn't been for Cardui. After treating me twenty-seven days, my doctor advised an operation, but I would not consent, instead, I took Cardui, and I am doing my work—even the washing. Cardui worked wonders in my case. I am in better health than for five years." Cardui is a strengthening tonic for women. It relieves pain, tones up the nerves, builds strength. You need Cardui. Try it.

### Are You a Woman?

Baltimore, Md.—Mrs. W. H. Isen, at 1419 East Madison street writes, "For several years, I suffered, off and on, from womanly troubles, until finally I was taken down and could do nothing. The pains I experienced, I shall never forget. I lost weight until I was only skin and bones. I believe I would be in my grave if I had not tried Cardui." Are you, like Mrs. Isen, weak and discouraged, because of some painful ailment? Cardui will help you. Try it today. Any druggist will be glad to sell you a bottle.

## HELLO MR. FARMER

We are agents for the Milwaukee Binder and we have called on you for your order for Binder, Mower, Hay Rake or such things as you may need in the coming harvest. Well Mr. Dealer you may enter my order for the Milwaukee Binder my neighbor has one he has been using for two years and I find tis the simplest machine on the market. And by far the highest machine I ever saw in the field. Well what we have to say about the Milwaukee machine is what we know from experience. We do not try to mislead the people telling them we are General Agents and that our machines are like other machines. No we claim to have a machine in a class to itself. We have proved that in two years time. Sold more than the others all put together. The people in this county are intelligent and they are no longer being led by misrepresentation. We are Local Agents for the Milwaukee Binder at Burlington, N. C. and we do not have the General Agent of N. C. with us. And we want to inform the public that no one in Burlington has the personal help of the General Agent. This is a false alarm. Neither does the other people have a machine like ours. We are proud our competitors have acknowledged our machine the best machine on the market. We are glad to know they are such nice fellows. Only sold forty-six last year every body well pleased and we feel sure every one will sell one for us this year. Nothing to do but call phone 72 and we will be glad to give you all the information you may need along this line. We pay the cash for the goods and we have the labor to do the work and will be a pleasure to have you drop in and see to your own satisfaction that we have the goods that will not pull your stock to death in the harvest field. You have plenty time now to get in line and get the goods of honor and high quality. Dont be deceived by hot air and gas bags they will not push the binder in the harvest field. Come along and get the goods that has proved all we claimed and a great deal more. You will be welcome at all times in the Milwaukee Headquarters in Burlington. We want to see you and talk the matter over.

Your friends.

REST AND HEALTH TO MOTHER AND CHILD.  
Mrs. Winslow's SOOTHING SYRUP has been used for over SIXTY YEARS by MILLIONS of MOTHERS for their CHILDREN WHILE TEething, with PERFECT SUCCESS. IT SOOTHES the CHILD, SOFTENS the GUMS, ALLAYS ALL PAIN, CURES WIND COLIC, and is the best remedy for DIARRHOEA. It is absolutely harmless. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. Twenty-five cents a bottle.

Items from the University  
Chapel Hill, N. C. May 6.—Carolina scored a big victory in baseball Friday afternoon when with Moran in the box for the visitors, the varsity defeated Washington and Lee University 9 to 0. Moran since he has been a member of the Washington and Lee Team has pitched 29 consecutive victories. He was defeated for the first time in his life on a college diamond Friday. The varsity won the game by their heavy slugging, but it was an example of brilliant fielding's work kept the Virginians from scoring after the first inning.

Things are moving on fast toward Commencement now. The Golden Fleece, the honor organization which chooses seven members from each rising senior class, men whom they consider preeminent in certain phases of college life, has initiated A. D. Folger, L. N. Morgan, C. E. Feague, R. W. Winston, Jr., J. A. Lockart, R. A. Freeman, and R. M. Hanes. The Colonial Dames prizes awarded annually by the North Carolina Society of Colonial Dames, have been awarded to W. B. Guess, first prize 100.00 and A. C. Ward second prize 50.00. The Ben Smith Preston Cup in journalism given annually by Hon. E. R. Preston of Charlotte in memory of his brother Ben Smith Preston, an old student of the University who died a few years ago while reporting on the Atlanta Georgian, has been awarded to L. N. Morgan of the Senior Class. The baseball season ended Saturday. Senior examinations begin May 10. Everything is getting in order for the final stretch of the college year, for about ninety seniors and twenty graduate students, the last year of their college career. The baseball season just closed was in many ways the most successful in over five years. For the first time since the beginning of the custom of playing a series of three games annually with the University of Virginia, Carolina won two out of three from her time-honored enemy. The defeat of Washington and Lee, in the game which broke Moran's famous record of being the only undefeated college pitcher in the South, was a much desired and in most cases a little expected deed. Victories from Guilford, who won from A. & M., and South Carolina who also defeated A. & M. as well as Georgetown and Lafayette, make the season in all highly successful. As a matter of fact no team in the South has a clear claim to the South Atlantic Championship, but this fact is largely due to these Carolina victories just mentioned.

It Startled the World.  
when the astounding claims were first made for Bucklen's Arnica Salve, but forty years of wonderful cures have proved them true, and everywhere it is now known as the best salve on earth for Burns, Boils, Scalds, Sores, Cuts, Bruises, Sprains, Swellings, Eczema, Chapped hands, Fever Sores and Piles. Only 25c at Freeman Drug Co.

FOR RENT.—Five-room house on Ireland Street with electric lights and water. Luther Cates.

Saved Her Own Life.  
Tecomseh, Okla.—"I believe," says Mrs. Eliza Epperson of this place, "that if it hadn't been for Cardui, I would have been dead today. Before I began using Cardui, I suffered from pains in the head, shoulders, back, side, limbs, and the lower part of my body. Cardui helped me more than anything, and I am now in better health, since taking it, than for four years." Nobody can deny that the best tonic for a woman to take, is a tonic for women—Cardui. Please try it.

Go to the "Tackey Party" at the Brick Warehouse Friday night May 12th and assist the Guild of the Episcopal church.

From a Late Snapshot

To see all of his regular Patients and such new Cases, as may wish to consult him. Dr. Packard enjoys a state-wide reputation, among the profession and the Public of North Carolina, where for more than 25 years he has devoted his entire time to the Study, Treatment and Cure of Chronic Diseases. The Doctor has had wonderful success in his chosen work, that of curing chronic sufferers, Men, Women and Children. The Patients he has restored to Health after they had given up all hope of being Cured are numbered by the Thousands. He is a kind, generous, democratic gentleman to meet, of high scholarly attainments, and dignified personality. Coupled with a Brotherly interest, in all who seek his advice. He does not take a Patient for Treatment unless he can foresee a Cure of the Case. The most commendable feature of his work, and one that appeals to the ordinary sick person, is the fact of his charges being so reasonable and moderate as to make it within the reach of even the very poor. At no time do the charges amount to more than \$7.00 a month or about \$1.50 a week. He gives his own medicines, and there are no extra Charges. It takes him never more than from four to six Months to Cure a Case under Treatment. All Cases, even those who have been given up as Incurable or Hopeless, have been Cured and restored to perfect health by this Brilliant Physician and the wonderful methods he employs. If you want to meet him and have him examine you, go to see him, and talk the matter over with him. It will cost you nothing if he does not put you under treatment. If he takes your case, it will cost you a very small sum to get well. Remember the Date and come early. Monday May 15th.

Here are Two Machines You Need

Walter A. Wood  
**Admiral Mower**  
because it is the only mower that has genuine underdraft, "floating" frame and uniform tilt, the three big mower features no farmer should be without if he values his own time or his team's strength, and wants the machine that does most work the easiest.

Walter A. Wood  
No. 10  
**Steel Hay Rake**  
because every tooth is held individually and has a coil spring to protect it against sudden strains because it is made entirely of steel and can be depended upon to stand up under constant wear and tear of work in all kinds of fields. Its long life makes it the most economical you can buy.

Make us prove these claims or convince yourself by examining the machines at our store.  
**N. S. CARDWELL.**

Big stock Spike and Disk Harrows, John Deere riding Cultivators, Four cars Columbia and Greensboro top buggies must be sold. I need money and price cuts no ice with me. Come quick before stock is picked over.

**PIANOS,**

The sweet-toned, lasting kind. Let's talk it over, we handle the kinds that will please you in the years to come—and that saves us trouble because we guarantee them. What make do you prefer? We can usually furnish it. Cash or easy payments. We tune and repair pianos also, or trade for old ones. Of course you know we sell Organs and Machines also.

**Ellis Machine & Music Company.**  
Burlington, North Carolina.

**For Ladies Only!**

I am going to give a Special Sale on Silk Drop Skirts for  
**30 days and 30 days only**  
When I say 30 days I mean 30 days. I have 100 Silk Drop Skirts in a variety of colors, that I am going to offer you at a Bargain. Come and see if what I say is not true. One other article I want to mention, \$3.00 Velvet Slippers and a pair of Silk Hose for \$2.50. Come and see if I have lied.  
Yours to serve,  
**E. L. BOLAND,**  
Burlington N. C.

:-: RURAL CARRIER ITEMS :-:

Haw River Items.

Rev. D. Arnette filled his pulpit Sunday morning and evening to the delight of his people.

Miss Blanche Bradshaw who has been spending a few days with her sister at Haw River Mrs. J. C. Morris left Monday for Burlington. We suspect she carried someone's heart with her. There is a nice home at the mineral springs for some good lady, the maj. is O. K.

Miss Jewel Clark who spent sometime with her sister Mrs. Massey in Durham last week returned home well pleased.

The May days are here and they keep so cool that vegetation does not grow so fast and the leaves will have to get a hustle on them if they get grown by the 10th.

J. H. Blackmon, the tax lister is out looking after our property and he will find how poor we are it seems like listing time comes very often.

Capt Sam Webb of Oaks was in town last week the chief assessor aiding Esq. Blackmon listing the taxes, they seem to be after us this year.

N. A. Cates of Orange Grove made us a pleasant call last week. He is one of Orange County's progressive farmers.

Mr. H. E. McPherson left Monday for Endfield to engage in the fruit-tree business. We wish him much success in his undertaking.

Mr. Ben Simpson was in town Sunday evening and night the guest of his brother H. H. Simpson. We were glad to shake his hand, come often as you can Ben.

The many friends of Will Hill will regret to learn that he lost his horse last week.

A. S. Cates of Greensboro was in town shaking hands with his many friends last Saturday. It was a business trip and he did not tarry long.

Quite a gloom settled over our town last week when it was learned that John Baker, Sr was dead. He had many friends here and several attended his burial at Hawthilds where he was tenderly laid away to await the resurrection morn when the dead in Christ shall rise. He bore his affliction without a murmur until his Heavenly Father said it is enough, come up higher, well done, good and faithful servant, rest from thy loved employ.

Mr. J. H. Woods of No. 9 made us a call Monday and seemed very cheerful, he said most all the fruit was killed.

Mr. W. H. Seamore is managing the moving picture show. He reports that his business is fairly good.

Misses Iola and Ruth Franklin visited Burlington Sunday.

An ice cream supper was given at the Y. M. C. A. Saturday night in honor of Miss Nellie Maxwell. Delicious refreshments were served, and everyone had an enjoyable time.

Mrs. Spoon moved to Greensboro last week to live with her son Dr. A. O. Spoon.

Miss Belle Murray spent the evening very pleasantly Sunday at the home of G. W. P. Cates.

Rock Creek, No. 1.

Mrs. T. J. Dixon spent Saturday night at T. E. Thompson's.

Mr. and Mrs. James Pace spent Sunday at Dewitt McPherson.

Mr. and Mrs. Jesse M. Thompson of Chatham visited Mr. and

Mrs. S. R. Thompson last week.

Mr. and Mrs. H. C. Wellspan; Sunday evening with Mr. and Mrs. O. D. Holts.

Mr. and Mrs. E. A. Isley and Mr. and Mrs. S. R. Thompson all visited at T. E. Thompson's Sunday evening.

Mrs. L. L. Thompson was called to see her Grandmother a few days ago, who is right sick.

Several young people attended the singing at Henry Andrew's Sunday evening and report a good time.

R. F. D. No. 8.

There will be a match game of baseball at Maywood school house Saturday afternoon, everybody come. Early Lowe says it will be a good game.

Miss Maggie Isley of Elon College spent Saturday and Sunday at home on No. 8.

Miss Effie Isley who has been teaching near Raleigh is now at home.

J. W. Simpson left Tuesday for Fayetteville, where he has a job of painting.

Goley Gattis is on the sick list this week. Hope he will soon be well.

Joe Paschal of Greensboro spent a few days last week at W. A. Paschals on No. 8.

Misses Annie and Bettie Garrison spent Saturday at G. W. Barkers, visiting Miss Neva.

Everybody was so busy this week we could not get up much news.

Hartshorn No. 1 Items

The people in this community are getting along nicely without very much sickness, all are getting very busy planting corn and cotton.

Miss Oler Sullivan of Greensboro visited her uncle, M. R. Kimrey a few weeks ago, has returned back to take up her work again.

A number of friends gathered at the home of Joe Swings Sunday evening and were delightfully entertained by a large Victor graphophone. After the music some returned back to their homes, those that did not ask them how they enjoyed the night say Capan Dan is always at work and especial is it so with our young men. Ask Author if Dan Cupid isn't a friend of his, listen and you can hear W. J. F. say Dnn is all right when the other fellow is not present. We learn that Jonie and Rolin is also acquainted by the way he sends them quite distance in a case of this kind the writer old man Dan has a heart full of sympathy would that he could give them girls closer home.

Mr. Birk Bailiffe has gone away to Burlington, there to spend some few weeks with his sister.

We guess Miss Coye wishes she was a fruit tree agent now days, dont worry rest contented it will not long.

Mr. Phillipps of near Siler City called to see his best girl on this route a few days past. We hope to get a piece of cake if not an invitation.

Master Hommer Fostsr of Rock Creek No. 2 spent a few days in Liberty with his relation has returned home.

Sam Linens visited relatives and friends in Duke last week, and returned to Burlington Monday on the next third day following he returned to his home on this route, we think if he could

have spent a few days longer in that county he would have been even stranger to us, we could not recognize his face. Dan is working on him very severely. He reports such a delightful time we suppose he will make another visit soon.

Mrs. Dilah Sullivan and little boy visited relations and friends in Greensboro last week, arrived back Saturday. They report a grand time.

Our R. F. D. man looks kindly bad, the prospects for a change for better are favorable because blackberries will soon be here.

Nothing happening means news scarce but when the people make a change the writer has room.

R. F. D. No. 7.

No, the leaves did not get their full growth by the 10th this time.

The frost last week nipped the ends of the blades of wheat and oats to some extent, but no damage is done. Wheat is beginning to head and there is prospect for a good crop this year. "A cool May for a good harvest" and May has made good this far.

The newspapers are busy discussing and theorizing as to why winter lingers in the lap of spring. That's easy. When the ground hog quit, "Dan" took charge of affairs and "lingering in lapp" is one of Dans strongest cards when it comes to a show down. If Miss Spring had the wood and coal bills to pay, she would kick old winter down stairs right away. Mr. Maurice B. Stuart and wife, of Liberty, visited Mrs. Stuarts parents, Mr. and Mrs. W. G. Sharpe, Saturday and Sunday. Mrs. Stuart has been in feeble health for some time and has been unable to walk but is now recovering her strength sufficiently to go about some.

Mr Lacy Holt was a pleasant visitor at J. M. Russells Sunday.

Willit Meacham carried Miss Mary Russell to Graham Sunday. Miss Mary had been home on a visit to her parents and returned to her work Sunday.

It seems like Dan has ample time to look after his regular business as well as attend to the weather.

Rev. W. W. Cude and family visited at Mr. W. L. Spoons Sunday. We understand that Mr. Spoon has sold his place to Mr. John Carden of Greensboro.

Rosetta, that cake was fine.

C. H. Isley who recently went east to sell trees has returned home.

Bellemont defeated the Aurora ball team Saturday at Bellemont by a big score.

Whitsett Items.

The Junior Exercise in elocution on the part of the Star Literary Circle will be given Saturday evening, May 13th at 8:30 p. m. It will be public.

MR. FARMER, EVERYWHERE, N. C.

DEAR SIR:— The time has come for you to begin to think how you are going to harvest your grain. We are still selling the McCormick Machinery, the oldest and most reliable machine built today. This machine is built on the heaviest main frame made of angle steel. This material has the greatest torsional strength of steel this prevents machines from ever getting out of line. It also has the highest built-wheel which guarantees the lightest draft of any machine on the market. All machine men, when penned down and have to tell the truth, they admit that the McCormick machine is far superior to any other machine built today. Why be fooled by these peddlars who are peddling our County trying to sell you something that they know is not equal to the McCormick. We haven't the time to do this and if you are thinking of buying a binder the next time you are in town, come in and let us talk the matter over with you. No man in Alamance County, who has bought a McCormick Binder has ever been dissatisfied, can any other Agent in Alamance County say this. we say no.

Yours for business. HOLT & MAY
