Death of Mrs. Woods.

Rev. J. D. Andrew was called to Mt. Hope Church in Guilford County last Thursday to assist in the funeral of the wife of the Hon. J. R. Woods, formerly member of the Legislature of that county. In the death of Mrs. Woods the church and community lose a most excellent lady. Her age was a little more than 70 years. She leaves an aged husband, and 8 children, one of which is the Rev. Clarence Woods the popular pastor of Heidelberg Reformed Church in Thomasville, N. C. She also leaves two brothers and one sister, viz. Mr. Henry Low of Illinois and Mr. B. F. Low of Whitsett, N. C., and Mrs. Frank Patterson of China Grove.

A very large concourse of people attended the funeral and the many weeping eyes and gifts of flowers gave evidence of the high esteem in which she was held. Mrs. Woods was a faithful church member and a devoted wife and mother. Her life and works will continue in the lives of her five sons and three daughters who are all faithful consecrated christian men and women.

Mr. Lasley Elected President.

Mr. J. A. Davidson, who has been the President of the First National Bank since its organization, recently tendered his resignation as President and Director of this institution on account of his continuous absence in connection with the Southern Power Company, with whom he is very prominently connected.

At the regular meeting of the Directors of the bank on May 10th, Mr. W. W. Lasley was elected to succeed Mr. Davidson as President and Mr. R. J. Hall was chosen to fill the vacancy on the Board of Directors. These gentlemen are well and favorable known and will make efficient officers of this well known and growing bank. Since moving into their new building less than a year ago the assets of this bank have increased more than Forty Thousand Dollars.

Off For Charlotte.

The Fire Boys left Tuesday morning on the early train for Charlotte, where they will spend the week attending the State Tournament. In connection with the boys went "Reuben and the wagon." "Reuben" was looking unusually fine, having had an extra bath the day before starting, which made him fairly shine when in the sunlight. Those who went were: Messrs. C. D. Whitesell, Ben Walker, Jno. Love, Chas. Blanchard, J. Z. Waller, Grover Moore, L. W. Love, G. W. Bradshaw, Stedman Isley, C. V. Heritage and C. O. Walker.

"Uncle Joe" Cannon did a two step for his friends on his seventy fifth birthday just the same as he used to do political two steps in the days of his political prestige.

Speaking of the farmers' free list most farmers already believe that every thing they want to sell is on the free list.

May Festival of Music.
The Third Annual Concert of The Burlington Choral Union was held Thursday night in the auditorium at the City Graded School. The spacious hall was filled with music lovers who were served a rare treat of the season. Those May music festivals are always to be enjoyed; coming as they do at a season of the year when the beautiful and harmonious in nature are filling the hearts of men. The Union which was composed of forty-two well trained and cultivated voices, as they rendered selection after selection sounded as one grand strain of music flowing from a single voice. The selections rendered drew the Biblical story of Christ from Getsemane to Calvary and the crucifixion of our Blessed Saviour. Part two gave a few refreshing lullabys.

To add to the harmony and sublimness of this grand event Prof. Hill secured the service of Mrs. Teague and Miss Byrne and Messrs. Lawson and Hemmell of Greensboro. These four alone would have made the event quite a treat to say nothing of the Union.

In a few very befitting remarks Rev. Morgan told of the warm friend the Union had and of the valuable assistance rendered by Mrs. J. L. Scott.

In addition to the forty-two members who attended the practice the Union was strengthened by the aid of nineteen honorary members.

Comes Quickly

Don't Have to Wait For Weeks.

A Burlington Illustration.
Waiting is discouraging. Prompt action pleases everybody. A burden on the back is a heavy weight. Hard to bear day after day. Lifting weight, removing the burden. Bring appreciating responses. Burlington people tell of it. Tell of relief that's quick and sure. Here is a case of it: Victoria Andrew, Anthony St., Burlington, N. C., says: "I consider Doan's Kidney Pills, which I got from the Freeman Drug Co., a most reliable remedy. They gave me relief from a constant pain over my kidneys and also disposed of other distressing symptoms of kidney complaint to which I had been subject. Since I took Doan's Kidney Pills my health has greatly improved."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

A Friendly Suit.

District Attorney Holton on May 6th instituted a friendly suit against J. Q. Gant and the North Carolina Railroad Company to secure a clear title to a lot in Burlington on which the government desires to erect a postoffice building. The price agreed upon was \$8,500 but when the District Attorney began to investigate the deed made to Gant by the railroad company he found a clause stating that "if the land is ever used for a bar room or other immoral purposes it shall revert to the North Carolina Railroad." To remove this clause is the purpose of the suit.—Union Republican.

A rather curious development is seen in the latest style of locomotives on the Southern Pacific, which are run cab first, the smoke stack end bringing up the rear.

Entered as second-class matter May 20, 1908, at the post office at Burlington, North Carolina, under the Act of Congress of March 3, 1879.

Wednesday, May 17, 1911.

We want to see some cleaning up done in this town. Let us have more work and less talk along this line.

After a while the big interests may choose to do business through the people's Senators, instead of buying seats for Senators of their own.

Mr. Bryan says that the day of Democracy has arrived. Mr. Bryan has seen it coming for about sixteen years just as clearly as he beholds its arrival.

What the Supreme Court done for the Standard Oil Company in its decision Monday was a plenty. But they will find a loop-hole to evade the mandates of the court.

That the street railway will now be completed is an assured fact, should be welcome news to the towns along its route. But had rather see a little more work and less promises. Actual work always tells the tale.

The benefits to be derived from a live Chamber of Commerce are many and varied. Why not have such an organization in Burlington? An organization without life will soon drag the community in which it exists down to its level.

It appears that the Board of Aldermen are up against a proposition in selecting a Chief of Police, not for the lack of candidates, but in finding a man whom they deem suitable for the job. We believe they will measure up to the occasion and give us a good officer. In fact the plan outlined by the board will require a good officer to hold the job.

We have seen a communication from the Southern Railway Company to Mr. R. W. Curtis of this city, from which we judge the re-opening of the Company Shop buildings for the operation of a Steel Bridge and Structural plant to be almost an assured fact. The Railroad Company has practically agreed to Mr. Curtis' proposition, and it only remains for a few matters to be adjusted to count upon the establishment of this plant as a certainty.

With this issue THE STATE DISPATCH enters upon its Fourth volume of trials and tribulations in the newspaper field. In the future, as in the past, we shall strive for the up-building and advancement of Burlington and Alamance county along industrial lines. We have tried to be a constructor for good in the community. We heartily thank every one, great and small, who have contributed to our success, both those who have aided us by their subscriptions and the liberal advertising patronage accorded us, it takes both to make a success. Again we say to you who have helped us. We thank you most heartily.

WHO'S WHO AND WHY

Continued from page one

relation to the present educational movement. They think correctly when they say, that if Alamance County is to do its best for its youth and for all, it must use the best possible machinery in the hands of the practical every-day teaching educator. Yes, but the particular few ask, why are these questions agitated so much at present. The answer is simple, because this is a day of specialization and concentration of forces. To illustrate: A great scientist spent a life time studying the common house-fly, and in the last hour regretted his mistake, in not studying only one leg. It is a day when no man can be two in one, and that is can't be a successful farmer and a great captain of industry at the same time. To be more specific, the Word says, that we cannot serve two masters, for we will either love the one and hate the other, or cling to one and forsake the other. And I might say by way of parenthesis, that the present incumbent is a man of sterling qualities, of genuine worth, but like so many men, has divided or permitted to be divided, his forces, one force leading into fields of religion and the other branch to steal out into the educational garden. The teachers of our county are anxiously awaiting the decision of our County Board of Education, for the teachers know the encouragement, strength, vigor and fresh hope that the visit of the proper Superintendent of Schools gives to teacher and student alike.

This question becomes all the more acute, when I learn that the present incumbent does not expect to be a candidate for re-election, because it means the selection of a man, whom we have not tried in this particular capacity. Therefore, it behooves every citizen of our county to cast his eyes around about him for the most desirable, and the best qualified man, available for this position, that can be secured for the salary paid. This leads me to the conclusion that to get the kind of a man that this place commands, it is necessary to go to the one and only source, the school of teachers. The order of creation, is everything after its kind. The farmer to the farm, the meachant to the store, the lawyer to the courts, the engineer to his engine, the preacher to the pulpit, the teacher to the school and the educator to the service of education.

It is a matter of history not very far in the past, that the County Superintendent of Education, was some antiquated lawyer, obsolete doctor, relegated teacher or discarded partisan politician, that in many instances was permitted to detract from this the highest position of leadership in our county, but it is exceedingly gratifying to know that this conception of this calling has passed away many years ago in our county. We have only to view the counties of Piedmont North Carolina, to see strong, young, progressive teachers and educators in each county, serving the boys and girls and teachers as their constant friend and fellow-worker. For example, in Durham County, Massey, in Guilford, Foust, and in Wake, Judd, the boy, all giving the maximum results. Therefore, I must say that what we need, if we need one thing more than another, is a man, who has spent his entire time in the study and service of the broad field of education, a man with special training for special work, and I for one of the many bystanders, see everyone of these qualifications and requirements for County Superintendent of Education met in an exceedingly full measure in our native born, home grown, self made, University trained scholar and Christian gentleman, Prof. J. B. Robertson, who has spent five years teaching in the public schools of our county, and five years Superintendent or Principal of several of the best graded and high schools in the State. This young man, is a graduate from the Literary and Pedegogical department of the University of North Carolina, and the Mangum medal in oratory, the highest honor University offers, was unanimously awarded to Mr. Robertson on the day of his graduation.

This letter is not alone my own impression, but that of a large number of the teachers of the County, are high school and college companions of mine as well as of Prof. Robertson. Not through malice, hatred or envy, but with the hope that these requirements will be met for the

best interests of all our people. Very Sincerely,
 John R. Hoffman.

The Teeth.

By J. S. FROST, D. D. S.

Take Care of Your Teeth.

Decay of the teeth is not a disease which has its origin in modern methods of living, for toothache, with its pangs, dates back as far as history can be traced, and never has the human race suffered so universally from any other malady as it has from dental disorders.

Until recently the real cause of tooth decay was not known. Many theories were advanced, but none permanently accepted until Dr. Miller of Berlin, after many thorough and exhaustive researches, made the announcement that he had discovered that decay of the teeth is directly traceable to the formation of lactic acid between and about the teeth, as a result of fermentation and decomposition of food left on their surfaces.

Now, to come to the practical point and tell our readers how to preserve their teeth, add greatly to their personal appearance, and improve their general health. Have your teeth cleaned and their surface thoroughly polished, taking care that all deposits of tartar are removed from the necks of the teeth and from under the free margin of the gums.

Every cavity should be filled, and any roots or teeth that are too far gone to be saved should be removed at once; otherwise, they will contaminate the breath act as breeding-places for bacteria, and cause other teeth to decay.

The dentist having done his share of the work, it is necessary that you do yours in order that his work may be a success. If you have no tooth-brush, lose no time in obtaining a good one, with moderately soft bristles, and some reliable dentifrice. A liquid mouth wash is very good to use evenings before retiring, as it percolates between the teeth more thoroughly than does the powder or paste, and neutralizes any acid that remains. Do not depend on a liquid dentifrice to keep the surfaces of your teeth clean. It is necessary to use a paste or powder at least once a day to do this.

Above all, remember that decay is caused by fermentation and lactic-acid production, the result of food left on the teeth.

Teeth decay very little during the day, as there is a large amount of saliva always present, which dilutes any acid almost as soon as formed. At night when we are asleep, the salivary glands are at rest, and there is very little saliva present in the mouth. If the surfaces of the teeth are covered with food, it will ferment during the night, and the resulting acid not being diluted by the saliva, will cause decay. Hence, it is important to remove the food from your teeth before retiring, by brushing them, using tooth paste, powder, or liquid. These dentifrices are alkaline in reaction, and will neutralize any acid that may be present in the mouth.

Try this method of preserving your teeth, and you will find it lessens your expenses, preserves your appearance, and improves your health.

RALEIGH POLICEMAN HELD ON CHARGE OF SEDUCTION

Raleigh, May 11.—Upon a warrant sworn out before Justice of the Peace E. M. Bledsoe, Constable Bynum late yesterday arrested James Alvis Patrick, a member of the Raleigh police force. The warrant charges seduction under promise of marriage. Patrick is said to be of a good family in the county and has made a good record during his career as a policeman, which dated from March 3. He remained locked up for several hours before the required \$1,000 bond was furnished. The hearing is set for 2 o'clock tomorrow afternoon. Chief of Police Stell upon hearing of Patrick's arrest, immediately suspended him from the force until the investigation is held. The young woman resides near McCulloughs, Wake county.

Whitsett Commencement.

Many Burlington and Alamance County people always attend the Whitsett Commencement. This year an unusually large crowd will go to hear Dr. Poteat and Governor Kitchen and to witness the other fine features of the programme. Saturday, Sunday, and Monday are the days. Monday is the "big day" this year on account of the Governors presence.

Mr. and Mrs. C. C. Cates carried their son to Greensboro Sunday to have his eye taken out. It will be remembered sometime ago while playing on the floor he struck the eye with a pair of scissors and injured the sight so he never regained sight.

At the home of James Tickle about two miles out on the Ossipee road Mr. Rany Hensley and Miss Alma Gerringer were married at 9:30 a. m. last Sabbath by Rev. J. D. Andrew. A large number of relatives and friends were present to witness the ceremony.

At The Tackey Party.

An unusually large crowd was present at the Tackey Party last Friday night at the Brick Warehouse, given by the Woman's Guild of the St. Athanasius Episcopal Church. The small admission fee of twenty-five cents was charged and all refreshments served free. After paying all expense attached to the party the nice sum of \$42.00 was left which will be used towards the purchase of a pipe organ for the new and beautiful edifice which is almost completed and which they will worship in within the next few weeks. The occasion showed that no time and money had been spared to make it enjoyable for every one. Most of those present were dressed tacky and some ridiculous to see. The prizes awarded to the tackies were presented to Misses Margaret Freeman and Gertrude Ellis and Messrs Ab Steel and Willie Hammel by Mr. Jno. M. Cook. Music for the occasion was furnished by Misses McDowell and Ellis, while Miss Tisdale, Cad Willis, Gertrude Ellis and Pat Brown gave several songs. E. S. W. Dameron preached his famous sermon, and Miss Brown gave a reading, F. L. Williamson and Miss Bettie Vance Ward were awarded the prize for the best cake walk.

To the Ladies and Citizens of Burlington.

We wish to draw attention to the half-column edited by the Superintendent of the Health Department of the W. C. T. U. Scores of people should be enlisted in this department that they may the better aid in the general improvement of Public Health and in the development of better Sanitation in the town. The machinery of this organization is well-nigh perfect. Only more mother force to run it is needed. Will you help furnish this motive power by joining the organization?

Please take note of the following: In order to help, you need not become a member of the W. C. T. U. as a whole, but only of the Health Department; no pledge is required; no connection with state work is required of you, but only contributing to the support of Burlington work along lines of Public Health, Sanitation, and General Improvement of the town.

Men or women may become ASSOCIATE members—joining any department of work desired—by SIMPLY SUPPORTING BURLINGTON work (dues, 50 cents a year) WITHOUT PLEDGE!

One word more to the ladies: The North Carolina W. C. T. U. does not stand for woman suffrage.

So have no fear that you will be in the slightest danger from this quarter.

Come and help save Burlington from preventable diseases and death as a consequence of bad sanitary conditions. Study the recent action of Taylorsville, and let us follow her good example.

Notice to Rural Carriers.

Every rural carrier in the County are earnestly requested to be present at the Mayors Hall in Graham, N. C. at 1 o'clock p. m. Tuesday May 30th 1911 to attend our regular annual meeting for the purpose of transacting the business of the Association such as electing officers for the ensuing year, electing delegates to the state meeting at Winston Salem July the 4th. and attending to any other business that may properly come before the meeting for action. Let every carrier in the county come regardless as to whether he is a member of the Association or not and lets all meet and get acquainted.

Chapel Hill, May 15.—The varsity insignia, the N. C. monogram has been awarded to the men who served on the athletic teams for the past spring. It is a safe statement that never in the athletic history of the University has the standard of attainment of the wearers of the monogram been higher. The men who are given the sweater privilege for the first time are: Calmes Hasty, Lindsey, Edwards, Witherington, Duls, Page, and Lee; Captain Hackney gets his third star; track, spence, Patterson, Cobb and M. K. Blalock, sweat-ers, and Winstou Barker, Ruffin, Parsley and Atkinson, stars; basket-ball, Hanes, Ritch, Smith, Tillet and Long; tennis, Bailey; gymnasium, Hughes.

Chief Ball Manager W. L. Small has appointed the following men as honorary managers of the Commencement dances: Robert R. Reynolds, Asheville; Carter Dalton, Greensboro; H. P. Masten, Winston-Salem; W. P. Hill, Jr., Winston-Salem; James N. Joyner, Raleigh; Hamilton C. Jones, Charlotte; J. C. B. Ehringhaus, Elizabeth City; R. D. Eames, Salisbury; John Hall Manning, Durham.

Prof. M. C. S. Noble delivered the commencement address the past week at Ayden and Pykeville and Prof. E. K. Graham at the Pikeville Graded Schools. Dr. Edwin Mims and other members of the faculty have been in much demand as commencement speakers all over the State, during the past two weeks.

The entire student body is in the throes of their final examinations now. The exams will continue until Saturday, May 27, when Commencement begins with the class day exercises of the graduating class. Commencement this year with the main address to be delivered by Governor Woodrow Wilson of New Jersey and the reunions and conferring of degrees on all War alumni who failed to get their diplomas because they left for service, promises to be the most important in many years. The number of seniors this year is larger than at any time since the Civil War.

Shorter And Uglier Skirts.

New York Press.
"After a survey of the Fifth avenue Easter parade," remarked an aristocratic young woman who does not go in for extremes in style of dress, "an adequate estimate of the general run on new spring skirts is that they are shorter and uglier." Young women who had been wearing their skirts to their shoe tops now have them halfway to their knees, and their costumes are more appropriate for girls of 14. It seemed almost impossible that gowns could have been made tighter, but they have been. As only a small minority of women are neither too fat nor too thin, the general effect of the few skirts is not one of great beauty. As for modesty, well, I can say this: The harem skirt, which seems to have been left out of the Fifth avenue display because no one dared to put it on, certainly, with the fullness of its folds and its bands at the ankle, is infinitely less vulgar than the skintight skirts of abbreviated length that are so much worn. Between the two give me the harem skirt for modesty, comfort, and beauty.

Parents Day.

Next Sunday, May 21 has been set apart by the Sunday School of the Christian Church, Burlington N. C. as Parents day. At eleven A. M. the pastor will preach a sermon especially to parents. A cordial invitation is extended to all parents and friends to attend the Sunday School exercises which begin at 9:45, and the regular preaching services at 11 o'clock. The Christian Endeavor society will take part in the song service. Be sure to come and bring your children and friends. Let each one wear a rose. This promises to be a great day and we are anxious to have every member of the Church, Sunday school, Christian Endeavor and friend thereof present.

The Burlington Choral Union gave its Third Annual Concert last Thursday evening in the auditorium of the Graded School. The Burlington people did themselves credit in furnishing a large and appreciative audience. Though the programme was rather a long one, the excellent audience remained from beginning to end quiet and attentive, giving every evidence of appreciation. This cause for congratulation since it indicates that our people have a growing relish for something better than rag-time music and the lighter forms of entertainment. Those watching the behavior of the audience had only one thing to regret—that applause repeatedly broke out at the end of some number during the singing of the sacred Cantata "Gethsemane to Calvary." It was especially noticeable when applause followed the singing of the cries of "Crucify Him!"

The singing was excellent, and our community may feel justly proud of such a musical organization as the Choral Union, and grateful for the opportunity to hear selections such as they gave us from some of the celebrated masterpieces.

The thanks of the Choral Union and of the community are due to Professor A. S. Hill of the Greensboro State Normal, for his faithful labors as director during the past year, and also to the four soloists from Greensboro, Mrs. Ernest Teague, Miss Bryner and Messrs. Hammel and Lawson, whose gratuitous services contributed much to the pleasure and success of the Concert.

Rev. S. L. Morgan, in some remarks to the audience, stated in behalf of the Choral Union that to Mrs. J. L. Scott more than to any other one agency is due the credit for the continuation and the success of the organization. Fears have been entertained that the Choral Union may not see its way clear to continue during the coming year. The employing of a director, the renting of a hall, expenses, and the purchase of music etc. involves large expense, which has taxed more or less the membership of the union. But for the generous support of the public-spirited citizens during the last year the work of the organization would have been impracticable.

The community cannot afford to let this excellent organization die. It has greatly helped all the church choirs, or has given a much-needed means of culture to nearly all the leading singers of the town. And it has been slowly but surely elevating the musical standard of all the community. To insure its continuation for another year, fifty new members ought to be added. Many public-spirited citizens ought to offer to become sustaining members, or to pay the membership fees of some singers who otherwise could not become members.

The Welsh race, they tell us, is a race of singers. Everybody sings, because every community puts a premium on singing, and stimulates people to sing. The American people are about to lose their voice of song. Let us at least encourage our present singers to continue their good work in the Choral Union.

The habits of college boys continue to receive the attention of the medical journals, particularly the habit of smoking. There is a growing belief that students begin the use of tobacco too early and follow it up with too great zeal. And it is a well-ascertained fact that college students who do not smoke attain, as a general thing, a higher rank than those who do. Smoking, sanely says the Medical Journal, of New York, may be accepted as a symptom of the contemplative habit of mind—or, to put it less kindly, of the lazy habit of mind. But contemplativeness should not begin too soon. Laziness is the last thing desired in a young man who, by the very nature of his open professions, is expected to be "up and doing" in a stiff endeavor to qualify himself for future success. Tobacco along with other stimulants, really belongs to middle age, according to the same authority. At that time of life the nervous system begins to be impaired, and the milder narcotics have their value in conserving energy in preventing waste. For the youth of 20 to adopt the props sometimes desirable for the man of 40 is an error. By adopting such a course he unconsciously confesses to a premature degeneration. The college boy who postpones for a while the use of pipes and cigarettes may count upon emerging from his educational ordeal with better body, brain and prospects.

Atlanta Constitution.—Bill Arp, the "Southern Philosopher," wrote the following review of "The Divine Plan of the Ages" some time before he died: "It is impossible to read this book without loving the writer and pondering his wonderful solution of the great mysteries that have troubled us all our lives. There is hardly a family to be found that has not lost some loved one who died outside the church—outside the plan of salvation, and, if Calvinism be true, outside of all hope and inside of eternal torment and despair. We smother our feelings and turn away from the horrible picture. We dare not deny the faith of our fathers, and yet can it be possible that the good mother and the wandering child are forever separated?—forever and forever?
"I believe it is the rigidity of these teachings that makes atheists and infidels and skeptics—makes Christians unhappy and brings their gray hairs down in sorrow to the grave—a lost child, a lost soul! * * *
"This wonderful book makes no assertions that are not well sustained by the Scriptures. It is built up stone by stone, and upon every stone is the text, and it becomes a pyramid of God's love, and mercy, and wisdom.
"There is nothing in the Bible that the author denies or doubts, but there are many texts that he throws a flood of light upon that seems to remove from them the dark and gloomy meaning. I see that editors of leading journals and many orthodox ministers of different denominations have endorsed it and have confessed to this new and comforting light that has dawned upon the interpretation of God's Book. Then let every man read and ponder and take comfort, for we are all prisoners of hope. This is an age of advanced thought, and more thinking is done than ever before—men dare to think now. Light—more light—is the watchword."

R. F. D. No. 7.

It seems like spring leaped out of the lap of winter right into the arms of summer last week.

Our old staple the black berries are in full bloom now.

Apples and Cherries are about half a crop but most of the Peaches and Pears were killed or failed to 'set' because the weather was so damp and cool while they were in bloom that the honey bees could not visit the trees and cross pollinize the bloom, which is necessary to insure a good fruit crop any year.

During the storm last Friday night lightning struck T. R. Hardens residence, doing considerable damage to the roof, but fortunately no one was hurt.

Esq. John Dixon was called upon last Sunday evening the 14, at 3 o'clock to unite in marriage Rufus Franklin Turner and Miss Ollie O. Steele, both of Graham No. 1. We are not acquainted with either of the contracting parties but congratulate them on their good judgement in coming over on No 7 to have the job done.

H. C. Buckner was a very attentive and interested spectator all day when the tax lister was at Belmont. Did not relax his vigilance even for dinner but held down that nail keg all-day. Henry can now tell what you all swore you was worth so you need not make any pretense at being well off, in his presence.

How is this Paul Isley pops the question this way "Miss Bert will you marry me" to which she gave this indirect and evasive reply "just as you fix it dearest Paul." Paul is still wondering "where he is at."

Misses Swannie Isley and Daisy Watkins visited over on No 1 Sunday.

Belmont and Haw River played ball Saturday evening, score, 19 to 4 in favor of Belmont.

Landy Watkins attended the singing Sunday night.

Mrs. Ed Holt is no better we are sorry to learn.

Paul Isley spent Saturday night at home returning to Mr. Graves Sunday morning.

Ode Isley and Landy Watkins went visiting Sunday.

We met Mr. David Teague and his charming daughter of the Pleasant Hill section in the southern part of the county in Burlington this morning. They had attended Quaker Quarterly meeting at Graham Sunday and had come to Burlington to spend the night with our townsman Mr. Edward Teague Dave is looking well and is as jolly as ever.

John May and son Curry Eula Edwards and son Early of No. 1 and Mr. and Mrs. Will Isley, Mrs. Eva Randolph and daughter Bertha of Belmont were visitors at J. W. H. Isleys Sunday.

Jacob Sharpe and Charles Isley went to Graham Sunday.

Mr. C. F. Rauhut is out again after a few days sickness.

R. F. D. No. 8.

Our good colored friend Brooks Crisman had the misfortune to lose a good mule Monday. Brooks is a hard working colored man and is well thought of. The loss

falls heavily on him, especially just now.

We hear that our friend Monroe Jordan of Altamahaw No. 2 got tired of waiting for his telephone, so he just made him one. Hope it works all right.

We regret to hear that Mrs. John Gwynn is right sick.

Miss Annie J. Isely who has been working in the Hosiery mill at Burlington has resigned and left for High Point, N. C. where she will work with the High Point Casket Co. We are sorry to lose Miss Annie from our route.

Jas. H. Thomas of Duke, N. C. spent last Friday night with his brother H. L. Thomas on No. 8. Glad to see our friend Jim again.

Nathan Garrison spent last Friday at G. W. Barkers. We like uncle Nath, he is "Tongue Tied."

One young lady on No. 2 said that if their Carrier was only just good looking now they'd be all right as Bro. Brooks has a fine horse and a new Coble-Bradshaw buggy.

Miss Mary McCulloch is at home after a visit to Elizabeth City.

G. W. Barker has been almost laid up with Rheumatism in his knee. Some one said that he stood up at the 'Phone so long that it made him lame.

The Commencement at Friendship will be Wednesday the 19th. This promises to be a great day for the Friendship people. Exercises begin at 10 o'clock in the morning. There will also be exercises at night. Come out and take it all in.

D. S. Hall and wife visited D. M. Elder of Glenwood Sunday.

Mrs. A. R. Spoon and children spent last week near Greensboro visiting her people.

C. C. Stroud of Liberty was a pleasant caller at C. F. Robertson's Sunday.

This writer and family spent Sunday evening with our friend T. H. McPherson and family and enjoyed our stay very much. We had a little race with Bud to see who could milk the fastest. I believe T. H. milked sixteen cows while we milked three, but he didn't beat us that had when it came to strawberry cream and cake.

Grover Murray picked 256 quarts of strawberries Monday and then didn't clean the patch by any means.

Hope somebody will get busy and work that road from Dr. Pickett's to the Holt Farm.

Alamance Insurance and Real Estate Co., is making some good improvements on the Oak Grove Farm by cleaning up, and having new fences build.

Mrs. Caroline Moody visited her daughter Mrs. Charlie York Sunday.

Miss Blanche Teague spent Sunday evening with Mrs. Lela Overman.

Mrs. Henrietta Stuart visited her mother Laura Anne Teague Sunday.

Henry Way took a trip to Greensboro last Sunday to see his best girl.

M. F. Hornaday was all smiles

last Sunday, the widow Stroud of Greensboro was in the community visiting. Guess those smiles will wear away when Maggie returns to her home.

George called to see his best girl again Sunday. We expect a piece of cake if not an invitation.

David Teague and his daughter Bertha attended Quarterly Meeting at Graham last Sunday. There were quite a crowd of young people attended the singing Sunday night at G. F. Yorks.

There will be a missionary service at Pleasant Hill the first Sunday in June. Everybody invited to come and spend the day.

Haw River No. 1 Items.

The farmers are all very busy this week finishing up planting corn and cotton.

Mrs. Bradshaw who has been very sick we are glad to say is some better at this writing.

Misses Annie and Mattie Thompson, Messrs. Lee Crutchfield, Eula Small and John Dodson were callers at J. S. Crutchfield's Sunday p. m.

The young people of the neighborhood enjoyed the ice cream supper at B. M. Smiths Saturday night if it did rain.

Misses Annie and Bettie Minor visited Miss Cora Ray Saturday night and Sunday.

R. A. Crutchfield called on his best girl near the saw mill Sunday p. m.

Guess Joe Cook is all smiles this week. He spent the night with his best girl Saturday night. We know he would like for it to rain every time he goes, so that he would have an excuse to spend the night.

The wedding bells will soon be ringing, judging from the frequent visits Tommie Cook is making up to Burlington. Luck to you, Tommie, she is all O. K. Busy Bee.

Celebrated Memorial Day.

The old veterans of our town and county celebrated memorial day last Wednesday. As was announced they met at the Christian Church where they formed a procession and marched to Pine Hill Cemetery to decorate the graves of the ones who have been called to their reward. The Elon College band was present and gave concerts from time to time. At the Cemetery the exercises were opened by prayer by Rev. Morgan. Songs were sung by the children of the Graded School and also by the sons and grand-sons and daughters and grand-daughters of the confederacy under the guidance of their valiant leader Mrs. L. C. Carter. Following is the speech of introductory, in which Capt. Turrentine introduced the speaker of the occasion:

"My friends we have met to do honor to our dead Comrades which is a custom in this State on May 10th each year to meet and place flowers on their graves. We have as orator of the day a gentleman—a private soldier in the celebrated Mahones Fighting Brigade of Virginia, who was one of the leaders of the famous charge at the battle of the crater before Petersburg, Virginia. He is a Grand-son of John Kilby who was one of the crew of the Bon Hom Richard commanded by John Paul Jones in the fight with the Serapis in the Revolutionary War, and was one of the boarding party who boarded the Serapis as his own ship went down, this being one of the most desperate fights at sea on record. I now introduce to you Mr. Virginius S. Kilby who will address you."

Following the speech of Mr. Kilby which was a very fine piece of literature and which it was hoped to have the speaker give manuscript for publication, Messrs Jno. M. Cook, J. W. Davis, and Capt. Turrentine made short addresses. Next in order was the decoration of the graves which was very impressive. The graves being 52 who had served as confederates, two in the United States Army and one in the Spanish American cause, namely Mr. A. H. Garner.

Thus from year to year we remember our confederate veterans.

Mr. John Lasley was elected during the past week by the Faculty of the University as Inspector of Mathematics for that institution during the coming year. It is quite an honor to Burlington and Alamance County to have a boy less than twenty years of age who has graduated at this institution of learning taking the A. B. degree and has more thoroughly equipped himself by taking a post graduate course during the past year.

MR. FARMER, EVERYWHERE, N. C.

DEAR SIR:—

The time has come for you to begin to think how you are going to harvest your grain. We are still selling the McCormick Machinery, the oldest and most reliable machine built today. This machine is built on the heaviest main frame made of angle steel. This material has the greatest torsional strength of steel this prevents machines from ever getting out of line. It also has the highest bull-wheel which guarantees the lightest draft of any machine on the market. All machine men, when penned down and have to tell the truth, they admit that the McCormick machine is far superior to any other machine built today. Why be fooled by these peddlars who are peddling our County trying to sell you something that they know is not equal to the McCormick. We haven't the time to do this and if you are thinking of buying a binder the next time you are in town, come in and let us talk the matter over with you. No man in Alamance County, who has bought a McCormick Binder has ever been dissatisfied, can any other Agent in Alamance County say this. We say no.

Yours for business.
