

A DOZEN MASKED MEN HOLD UP FAST TRAIN

Erie, Pa., June 30.—A fast mail and passenger train of the Philadelphia and Erie Railroad was held up tonight five miles from this city by a band of dozen masked men. The mail and express cars were rifled and two of the crew, C. H. Block of Erie mail car, and H. D. Rooney, Erie conductor, were injured. Block was shot in the right side and was taken to a hospital in a dying condition. Rooney received serious injuries when he was hit by a stone thrown by one of the robbers. C. F. Femis, brakeman, was shot in the arm.

The train was due in this city at 10:10 tonight. A few minutes before 10 o'clock, when the train was making a large curve, the engineer saw an obstruction ahead. He stopped the train with all possible speed, but not before it had crashed into the ties and telegraph poles that had been placed across the track.

When the train hit the obstruction it was first believed by the passengers that there had been a collision with another train. The next moment however, the crack of revolvers acquainted them with the real cause of the train's stopping.

As the train came to a standstill several of the passengers alighted to ascertain the trouble. Their presence drew the fire of the band of masked men and there was a stampede to re-enter the cars.

An unknown passenger, who braver than the rest, caught hold of one of the robbers, was picked up bodily and thrown over a 300 foot embankment. His condition is serious. The man's head, face and body were badly cut and his clothing torn from his body. He was taken to a hospital in an unconscious condition.

The spot selected by the robbers was ideal for their work. On one side of the railroad is a large ravine and the other side is a dense woods. The men had hidden among the trees. It was from this point that all made their appearance when the train came to a stop.

PARENTS LEFT THEIR BABY ASLEEP ON BOAT

Norfolk, Va., July 2.—What was intended for a before breakfast constitutional proved to be the cause of a miserable and nerve racking hour for a young Baltimore couple yesterday morning. They came down the bay on the Chesapeake Line steamer City of Baltimore, and when they reached Old Point got off the boat for a walk around the pier while the ship was discharging freight, leaving their two year old child asleep in their stateroom. They walked too far, for when they returned to the pier the City of Baltimore was churning the water of Hampton Roads, making for Norfolk as fast as her engines could speed her.

Then when they realized that constantly increasing distance was separating them from the baby the man and wife grew frantic. They traced to the telephone in the Chamberlain and after seconds, which seemed hours succeeded in getting the Norfolk office of the Chesapeake Line, telling the local official of their mishap. They were promised that "baby darling" as the mother called the tot, would be cared for when the City of Baltimore docked, and were advised to take the Norfolk and Washington boat to Norfolk.

Presently the Chesapeake steamer came in, and as soon as she tied up at the foot of Jackson street one of the chambermaids was told to see how the deserted little one was making out. When she entered the room the child was found awake with its eyes undimmed by tears, sitting up in the middle of the bed playing with a paper of pins. Thirty minutes later the mother and father, wild with anxiety, arrived on the Washington boat and were helping the restored one in their arms.

FATHER OF 20 CHILDREN GETS 60 DAYS IN JAIL

Alexandria, Va., June 30.—Over come with emotion when Charles Strobel, the father of her twenty children, fifteen of whom are living, was sentenced to serve sixty days in jail, on addition to paying a fine of \$50, for having brutally assaulted her, Mrs. Strobel yesterday morning pleaded with Police Justice Caton to remit the jail sentence, while the husband stood by apparently unconcerned. The police justice was obdurate, and Mrs. Strobel was led from the court room by two of her children, a son and a daughter. Strobel's attorney, Kobley D. Brumback, noted an appeal to the corporation court and arranged for a \$500 bond before his client was compelled to go behind the bars.

Mrs. Strobel reluctantly testified that her husband came home last Monday evening while she was sitting on the stoop, and without provocation caught her by the hair, dragged her into the house and there beat her unmercifully. Strobel is a locomotive engineer, and, according to the testimony in the police court, has been married to his wife thirty-three years.

GRUBBING STUMPS NEGRO FINDS POT OF GOLD

Elizabeth City, July 2.—A report that attracted the greatest interest and discussion was circulated here yesterday by excellent authority and the truthfulness of the rather "fishy" sounding report can hardly be doubted.

While digging around a stump on the farm of Edward Hinton, one of the sons of the late John Louis Hinton, the wealthy and eccentric citizen of Pasquotank county who won such notoriety, about ten miles from town in the Newland section, yesterday a negro is said to have unearthed a pot of gold containing \$4,100.

The negro while diligently engaged in his work, sounded some instrument with his grub-hoe and it immediately excited his curiosity. Stooping down he pulled out a pot and never dreamed what it contained. He decided, however, before continuing his work to open the pot and the old fellow almost collapsed with surprise and shock when he was greeted with the glittering gold reflected by the hot rays from the sun.

The negro reported the discovery to his employer, who, it is said, retained a few pieces as souvenirs and allowed the colored man to take the remainder to his family.

RAILROAD AND ITS MEN ADJUSTS DIFFERENCES

Roanoke, Va., June 30.—This morning agreements between the machinists of the Norfolk and Western Railroad and the management were signed by officials of the union and representatives of the road.

Conferences leading up to this conclusion have extended over several months and at times have seemed to pretend serious differences. Questions at issue have been settled in a manner satisfactory to both sides. Nine different branches of labor are affected, including carmen, boiler-makers, pipefitters, blacksmiths, sheet-metal workers, painters, hostlers and iron workers.

An increase of 3 cents an hour is to be allowed whenever Norfolk and Western receipts reach \$2,082,000 monthly, the same as the monthly average of the last six months of 1910. The agreement does not go into effect until ratified by all the unions affected. The present average income of the road is \$3,090,000 per month and the men expect that the specified limit will be reached by fall.

BIG DEAL IN NORTH CAROLINA FARM LAND

Wilmington, June 30.—Ex-Sheriff Jordan, of Guilford county, and Congressman William Kent, of California, who has the reputation of being the wealthiest insurgent in Congress, have just closed a deal for forty thousand acres of land near Manchester on the C. F. and Y. V. railroad between Fayetteville and Sanford. A portion of the land is in Cumberland county and part in Harnett county.

The large tract of land will be developed and the first move will be to plant out a hundred acre orchard as a demonstration. Work will be started shortly laying out sand clay roads throughout the estate and roads will be built to Fayetteville and also to Pinehurst. Efforts will be made to get people from the north who desire to engage in farming. This land is in what is known as the sand-hill sections and is the same kind of land on which is grown such splendid fruit in the Pinehurst section. It is said that this sand land around Hamlet is being made to produce fine cotton. The tract will be called "Pine Wild."

Sheriff Jordan has been connected with some of the largest real estate deals ever put through in this state and every project he has been connected with has proven a success. Congressman Kent owns large estates in some half dozen western states.

STATE BAR ASSOCIATION FAVORS MORE JUDGES

Charlotte, June 29.—The North Carolina Bar Association in session at Lake Tuxaway tonight adopted the report of its committee on law reform, recommending that the number of judges be increased to twenty-four, that the present system of rotation be abolished, that the solicitors be put on salary and that the law relating to jurors be amended. Bills designed to carry out these reforms will be introduced in the next Legislature. A damper was thrown on the session today by the announcement that neither Third Assistant Postmaster General Britt, nor Martin W. Littleton, of New York, could attend to deliver their addresses, which were the features of the program.

CORPORATION COMMISSIONER H. C. BROWN DIED YESTERDAY

Raleigh, N. C., July 4.—Special Hon. Henry Clay Brown, member of the North Carolina corporation commission died this morning at 6:30 o'clock after an illness that has steadily grown worse since May 20, when he was last at his desk in the offices of the commission. His death has been expected at any time for the past three days. He died of cancer of the stomach and many think that a severe attack of typhoid fever that he underwent two years ago left some germ of infection that at last developed into this fatal illness.

It was as successor to the lamented B. F. Aycock that Mr. Brown was first appointed on the commission May 6, 1911, after he had given to the commission service as secretary since 1891, that eminently equipped him for the commission and won for him the universal verdict of being the best equipped man for the place that could be found for the commissioner. He was born in Randolph county in 1857.

Young People's Convention.

The Young People's Convention of North Carolina and Virginia Christian Conference meets at Shallow Ford, in this county next Tuesday, Wednesday and Thursday. A number of men and women who are live wires in the work among the young people have been engaged and a great Convention is expected. Dinner will be served in the grove. All are invited.

ON FAMILY'S COMPLAINT PHYSICIAN IS IN JAIL

Richmond, Va., June 30.—It was learned today that on the complaint of the members of his family, who said they were terrified at his threats and actions, Dr. Lawrence Ingram, prominent Southside physician, was arrested at his home, 1201 Porter street yesterday evening, given a speedy and semi-secret trial before Justice Maurice, and sent to jail for sixty days. He was convicted on a charge of "being drunk and raising a disturbance."

Sentence was imposed, it was declared by the police today, in order that Dr. Ingram "might have time to get to be himself again." Further than this, everyone reasonably supposed to know anything about the case, maintained a strict silence. At the station it could not even be learned who had sworn out the warrant for Dr. Ingram's arrest. The clerk of the court said it wasn't there. The desk sergeant said he didn't know anything about it.

It was reliably reported however, that Dr. Ingram's arrest was brought about by his wife, and that it came as the result of threats made by him against her life yesterday.

FIRE IN LUMBER PLANT DOES BIG DAMAGE IN GREENSBORO

Greensboro, July 3.—Fire tonight at 8:30 o'clock practically destroyed all of the plant and lumber stock of the Guilford Lumber Manufacturing Company entailing a loss of about \$40,000, on which there was only \$7,000 insurance. The blaze was first discovered in the dry kiln, but by the time the fire department got to the scene it had reached other buildings and the firemen could do little more than confine the flames to the buildings of this concern. Fortunately there was but little breeze and the fire swept back from the other lumber plants and stores that surround it. The heat was terrific as the buildings and piled lumber went up in flames and flames. A tremendous crowd surrounded the fire, but kept a respectful distance on account of the heat. The firemen did heroic work and the water pressure was good.

The Guilford Lumber Manufacturing Company's plant was located between South Ashe and Lewis streets, just across the railroad tracks from the depot and in the midst of a big lumber manufacturing district. Mr. C. A. Reynolds is president and Mr. W. D. Mendenhall is secretary and treasurer of the company, which does the largest lumber business of any concern here.

NEAR BEER JOINTS ARE WIDE-OPEN IN RALEIGH

Raleigh, July 3.—The amendment to the state prohibition law that includes the prohibition of the sale of near beer and like products went into effect Saturday. However, very few, if any, of the places where near-beer has been handled have closed up, in fact, there is probably not a single near-beer saloon in Raleigh closed on account of the operation of the law. All say that they have cut out near-beer but it is understood that other drinks will be gradually substituted and the struggle with the authorities will then be as to whether any of them are violations of the law. It is stated at the internal revenue headquarters here that practically all the near-beer saloons are continuing to hold federal licenses as to the sale of intoxicants and many of the dealers have on the quiet intimated their purpose to change at least the size and shape of their bottles from which near-beer and otherwise have been served. Developments are being awaited with keen interest as to just what the effect of the near-beer prohibition will be.

BUILDING FALLS AND EIGHT MEN ARE KILLED

Buffalo, N. Y., June 30.—Eight lives were lost in the collapse of one of the main buildings of the new \$400,000 water works at Proctor avenue and the water front today. Four of the dead have been identified and four are still buried beneath tons of twisted steel and masses of concrete, where it is impossible that one of them could have survived. Four others were injured.

All the dead and missing were tin-smiths of this city. Mayor Fuhrman and District Attorney Dudley have started an investigation to place the responsibility for the accident. A preliminary estimate of the damage to the building, which was practically completed for installation of the machinery, indicated that the loss would exceed \$150,000.

About 40 men were at work when the big structure trembled as more than 200 feet of its heavy roof swung downward, carrying with it the greater part of the side walls. Men jumped from the crumbling mass in all directions. Two plunged into the canal and were rescued by occupants of a motor boat.

Firemen, police and soldiers from Fort Porter were quickly at work in the wreckage and six were rushed to hospitals. One died in an ambulance and two on operating tables. Hours must elapse before those buried in the machinery pit can be reached.

YOUNG MAN GROUND TO DEATH AT REIDSVILLE

Reidsville, July 3.—Charles Betchler, a young man about 30 years of age, was killed instantly by extra freight train No. 776, southbound, today. The tragedy occurred in front of the passenger depot and the badly mangled body presented most gruesome spectacle. The head was completely severed from the body and fragments of the mangled form had to be gathered up in a box and removed from the track.

Betchler came to Reidsville several days ago from Altamahaw, where he had lived for some time. Since he has been in Reidsville he had been employed at the Edna cotton mills. Saturday he was drinking and today he reported for work, but only remained on duty an hour, when he left the mill.

It is assumed that he was in the act of boarding the freight to go back to Altamahaw when he missed getting a hold and was hurled beneath the cars. He fell under a car heavily loaded with steel and his body was so badly mangled that it was several hours before he could be identified. There were no papers on his person which made identification possible, but when J. B. Pipkin viewed the face of the dead man he said he thought he had at some time worked in the Edna mill and he sent other people from the mill who identified him.

YOUNG ELECTRICIAN MEETS INSTANT DEATH AT HICKORY

Hickory, July 4.—Edward Bumgardner assistant electrician for the Thornton Light and Power company, of this city, was electrocuted at 11 o'clock last night while repairing a street lamp at the corner of Twelfth street and Fourteenth avenue. He had just repaired the street lamp on Main street in front of Moser and Lutz's drug store, and on his way home found this light cut of order and stopped to repair it.

The insulation at the top of the lamp had been destroyed and the chain connecting with the lamp and reaching to the street had become charged with electricity. When he took hold on the chain to lower the lamp several hundred volts of electricity passed through his body killing him instantly. He lay where he fell for something near half an hour when he was found by Wade Shuford.

WITHDRAWING TROOPS FROM MEXICAN BORDER

Washington, D. C., June 30.—Leaving on the Mexican border a military force adequate to meet any emergency that might arise, President Taft today authorized the withdrawal from the maneuver division of four regiments of infantry, the 9th cavalry and the 4th field artillery. The infantry regiments to be withdrawn have not yet been selected. The movement will be gradual and will consume probably thirty days. The withdrawn troops will return to their home stations. The following troops will remain in Texas.

A brigade of infantry, composed of regiments not under orders to go to the Philippines, two regiments of coast artillery, part of the third and the eleventh cavalry, and part of the third field artillery. The 11th cavalry will probably be stationed at Kerrville, near San Antonio. The border patrol will not be disturbed, the fourth, sixth and part of the first cavalry remaining at their present stations. The 22d and 23d infantry and the third cavalry will remain in Texas.

SAN FRANCISCO HAS ANOTHER EARTHQUAKE

San Francisco, July 1.—Two earthquake shocks, the heaviest since the big shake of 1906, and separated by only a few seconds, jarred the central portion of California and western Nevada today. The first sharp shock experienced at 2:01 o'clock, was followed within a few seconds by one of similar intensity, each lasting about five seconds.

Only trivial damage has been reported from any section, but in San Francisco other cities in the affected area panic seized upon crowds in stores and restaurants, and there was a pell-mell exodus from the large buildings.

One peculiar feature of the earthquake was that it did not appear to follow the old "fault" in the earth's crust which has been the playground of tremblers in the past, but extended from the seacoast eastward to the Sierras, including hitherto exempt mountain areas. It was felt to the northward of Sacramento in the Sacramento valley, southward as far as Fresno, and to the east to Carson and Reno, Nevada, the latter place experiencing the heaviest shocks in its history.

Some slight damage was done to buildings in San Francisco. Within a few seconds after the first shock downtown buildings were depopulated in a rush to the streets. Telephone and telegraph service was suspended by the operators deserting their posts.

Herbert Hadley, a lodging house inmate, fell dead of fright and some cases of hysteria, or of cuts, or bruises suffered in the semi-panic were treated at the hospitals. Santa Rosa, which suffered greater disaster, in proportion to its size than did San Francisco in the catastrophe of 1896, scarcely felt today's shock. San Jose, another heavy sufferer in 1906, reported that the shock today was the severest experienced since that time, but it did no serious damage.

The First Cotton Bloom.

The first red cotton bloom we have seen this season came to us the 29th day of June from our hustling farmer friend, Mr. Andrew Beal, route four. We also heard of one the same day coming from our good friend W. A. Tinnin, route seven, but it was a white one. Those familiar with cotton raising say that when the bloom first opens it is white, but the second day turns red, and the third day falls off. So Mr. Beal has the best of Mr. Tinnin by one day. Both are industrious and hard working farmers of which any community may feel proud.

On account of so many attractions in Burlington this week, Jones Bros. Big shows will reduce price of admission to 25c.—this is a regular 50c show.

IF YOU ARE IN A GREAT HURRY for some particular drug or medical preparation, better come straight to this pharmacy. We keep a complete variety of all standard drugs, remedies and proprietary preparations. So don't waste time in seeking where you may not find. Come here first.

Mrs. Alice Fowler and Messrs J. A. Lowe and J. M. Hayes of the Burlington R. F. D. Carriers left Sunday for Winston Salem to be present at the annual meeting of the state association. They will be gone three or four days.

Spoon and Hornaday Pass Board.

Drs. J. T. Spoon and W. A. Hornaday, veterinary surgeons who recently located in our city passed the state board examination Tuesday at Greensboro. Mr. Spoon led the candidates, ten in number, with a grade of 97.8 per cent.

Death of Young Man.

Newman Isley, son of Dr. and Mrs. W. L. Isley of R. F. D. No. 1, who left home a few weeks ago for Charlotte to take a course in an automobile school, died Tuesday evening at the hospital where he was operated on for appendicitis. The remains were brought here early this morning and burial will take place this afternoon at St. Pauls Lutheran Church, funeral by Rev. C. B. Cox.

Mr. Isley was a bright young man of but twenty summers and his death comes as a sudden shock to his parents, relatives and friends.

A reunion was held recently at the District No. 3 Schoolhouse in Sullivan, N. H., at which 24 out of 48 pupils who attended the school previous to 50 years ago were present. Dr. Samuel Dinsmoor, teacher of the school in 1856 and 1857, called in the pupils with the same bell used by him at that time.

Nights Of Unrest

No Sleep, No Rest, No Peace for the Sufferer from Kidney Troubles.

No peace for the kidney sufferer— Pain and distress from morn to night. Get up with a lame back, Twinges of backache bother you all day. Dull aching breaks your rest at night. Urinary disorders add to your misery.

Get at the cause—cure the kidneys. Doan's Kidney Pills reach the cause. They're for the kidneys only— Have made great cures in this locality.

N. Foster, Market St., Graham, N. C., says: "I am in a position to recommend Doan's Kidney Pills highly. They cured me of a bad case of kidney complaint besides helping two other members of my family who were similarly afflicted. My kidneys acted so frequently that I was obliged to get up often during the night and thus my rest was broken. There was a severe pain in my back and my head ached a great deal. When I heard one of my neighbors speak highly of Doan's Kidney Pills, I got a box and after using them a short time, I was completely cured."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Resolutions Adopted By Board Of Deacons Of Presbyterian Church At Burlington, N. C., on June 25th.

Whereas,—By reason of his sterling worth, our brother, T. Dudley Dupuy, has been called to a broader field of commercial and industrial activity which will remove him from our midst and necessitate his resignation as Chairman of this Board, and, Whereas,—During his stay with us, his devotion to his church, his able administration as chairman, organizer and leader, his love and sympathy for his brother man and his unselfish work has enshrined him forever in our hearts and,

Whereas,—It is our desire to express our appreciation of his faithful and efficient labor for a number of years, being always on the alert to promote the best interest of our church and to further the cause of Christianity: Now Therefore, Be It Resolved: That in taking his leave from us he takes with him our respect our admiration and our heartfelt love. That we commend him to those with whom he will hereafter mingle as one entitled to their love and their confidence, whose thoughts are pure, whose acts unselfish, whose faith is that of a little child and whose life is free from guile. That our grief at his loss is assuaged only by reason of our knowledge that his broader field of action will be better for him and better for all with whom he comes in contact.

That a copy of these resolutions shall be spread upon our record and another copy forwarded to our Sister Church with which he will hereafter be affiliated.

Civic League and Public Health.

The Health Department of the Woman's Christian Temperance Union is an educational work. Its purpose is to co-operate with the physicians of the town in all measures taken for the prevention of diseases: for the development of the highest life, physical, mental and spiritual; to instruct in the laws of health in relation to dress, food, air, exercise, cleanliness, sanitation, mental and moral hygiene.

Below is a review of the work done by the Health Dept. since February 1911 at which time the local union adopted this department of work.

Feb. 28th we secured the services of Dr. W. S. Rankin, Sec'y State Board of Health, to address our townspeople on the subject of "Public Health and Sanitation."

During the month of March, over one hundred names were added to the mailing list of the State Health Bulletin. In April, Dr. W. G. Stafford of this city addressed our ladies on the subject of "Health and Heredity," and we hope from time to time to have addresses by the other physicians of the town. In May, a column was kindly given us by the editors of our newspapers, to be devoted entirely to Health and Sanitation.

Recently about fifty fly posters, gotten out by the State Board of Health, and quite a number of leaflets have been distributed. Our last effort, at present writing, is in the form of a petition to our town officials, asking for the adoption of sanitary privies. This matter is now in the hands of the town officials.

We urge every member of our Union to heartily co-operate with the Civic League which is about to be organized in Burlington, and to work with enthusiasm so as to help bring about a much needed reform in the sanitary conditions of our town. The Health Dept. of the W. C. T. U. will continue its work along educational lines, especially among our young people. We hope ere long to offer some prizes to our young people in the public schools, both of the town and county for the best essays on health subjects.

The local union now has enrolled twenty-two active, nine sustaining and two associate members. The field is vast and the laborers are yet too few. A larger working force is needed by this great organization which has for its aim both moral and physical reform.

Those who feel interested in the work of the Health Dept. and would like to become members may do so without taking the pledge, and by paying the annual fee of fifty cents, to be used in Burlington without connection with the State W. C. T. U.

Laymen's Convention.

The Laymen's Convention, a convention planned for the Laymen of Alamance County was opened in the Sunday school rooms of the Presbyterian church Friday night with a banquet at which near one hundred laymen of our town and county were served a delicious repast which had been wisely planned by the ladies of the Front Street Methodist and Presbyterian churches.

After the banquet the crowd assembled in the main auditorium where the opening service of the convention was held. Saturday night was spent in a general discussion of missionary work, the duplex envelope system being decided one of the best ways to solicit and collect funds not only for the missionary cause but for the work of the church at large.

Mr. Pratt, the live wire of the convention was present and injected much enthusiasm into the work. Sunday evening at 3 o'clock a mass meeting was held at which Dr. Lankford, a practicing physician of Norfolk, a man of wide intellectual ability who is taking great interest in the work was present. As a great thinker and fluent speaker Dr. Lankford is seldom out classed.

The closing service was Sunday night when Mr. Pratt discussed the missionary work thoroughly.

J. M. Hayes and family were the happy recipients of the following R. F. D. Carriers for dinner Sunday. Messrs Beaman, of Kinston, Sec of State Association Pearsaul of near Wilmington and Honeycutt of Raleigh. They were en route for Winston to attend the annual state meeting of R. F. D. Carriers.

Wouldn't you give a few dollars to see J. Pierpont Morgan dressed up in a velvet cape with a plumed hat, bowing down to an alleged king?

Obituary.

The Great Archer has been very busy with our people. Thick and fast have his shafts fallen upon our ranks. Again and again has the orderly course of our vocations been interrupted, and we have been compelled to pause in the presence of our dead. To this unbidden guest we must however, reluctantly yield time, and place; in His dread presence all earthly concerns must retire.

The latest sister to pay the guest debt and cross the Mystic River was sister Cornelia I. Freshwater, who died June 21, at one o'clock a. m. in her 80th year, at Haw River, in the home of her son W. M. Freshwater. She was a plain unassuming woman, full of practical common sense, upright, conscientious, charitable, kind, and abounding in all those high attributes which belong to the noble family of truth. She believed in what was true, she practiced what was just, she was happy when she saw others happy.

It is well for us, that faith sustains us in these moments of mortal anguish. The Grand Apostle of the Gentiles has stated a strange but wonderful truth. "For me to live is Christ, and to die is gain." He certainly meant that the gain is embraced in the sublime doctrine that the soul and body of one who loves God can never perish.

Beautiful and precious is the faith which teaches that God has in His keeping the dust of those we loved and who loved Him. How long she stood upon the shore of that boundless sea that marks the division between this and another life listening to the billows of eternity as they broke at her feet? None of us can tell, for in that supreme hour when her spirit was pluming its wings for its flight into eternal space, no misgiving haunted her, no terror shook her soul, sustained by an unflinching trust, she passed to her eternal rest.

With these hopes for our friend having placed her body in the embrace of her mother earth and commended her soul to God, we pay this last tribute to her memory and hold out her upright and virtuous life for the imitation of her family and friends.

Two sons survive her, and two brothers, who were in Lee's Army survive her. Two sons and one daughter preceded her to the beyond. She had been a member of the M. E. Church from early life. Weep not, loved one, she is not dead but lives in that home on high.

G. W. P. Cates.

Remember the Date and come early. Monday July 10th.

MUSHROOM CORNS
Most Painful of All Foot Ailments.
How to Cure Them.

The Mushroom corn is so called from its pitted cone top, resembling a tiny mushroom. It burrows deep into the toe and gets more inflamed than other corns. For the quick relief and cure of these and all corns and callouses the following is the most effective remedy known to science: Dissolve 2 tablespoonfuls of Calocid compound in a basin of hot water. Soak the feet in this for full fifteen minutes, gently massaging the sore parts. (Less time will not give desired results.) All soreness instantly disappears and the corn or callous can be easily peeled off. It may be necessary to repeat this for a number of nights for a complete cure but if adhered to it will surely succeed. A little olive oil rubbed on the part is very beneficial. This Calocid is a very remarkable preparation for all foot ailments and is no longer confined to doctors' use. Any druggist has it in stock or will quickly get it from his wholesale house. A twenty-five cent package is usually sufficient to put the worst feet in fine condition. Bad smelling feet and tender feet need only a few treatments, likewise with inflamed bunions. This item will be welcomed by persons who have tried ineffectual powders and tablets.

Since it is estimated that 60 of the 91 votes in the Senate are safe for reciprocity, why waste 30 days on Senatorial courtesy and construction?

It would be hard to prove that the Sugar Trust violated the Sherman law. The trust seems to have been organized to manufacture stock certificates, and it hasn't any monopoly on that industry.

LIQUID VENEER
APPLIED WITH A CLOTH, as though dusting, will refinish your Woodwork, Piano and Furniture, making it all look so new that you will scarcely recognize it. Simply wonderful, A CHILD CAN APPLY.
It. 25c and 50c bottle.

Elms Machine & Music Co. Burlington, N. C.

The Charleston Courier thinks \$1000 is cheap for appendicitis. It could get lots of people's cases for less than that.

'A Welcome Chance to Those Who Suffer.'

Coming to Burlington, N. C. On Monday July 10th 1911. To Stay at Hotel Ward.

Dr. Francis S. Packard of Greensboro, N. C. One Day Only

Consultation and Examination Confidential, Invited and FREE.

To see all of his regular Patients and such new Cases, as may wish to consult him. Dr. Packard enjoys the wide reputation, among the profession and the Public of North Carolina, where for more than 25 years he has devoted his entire time to the Study, Treatment and Cure of Chronic Diseases. The Doctor has had wonderful success in his chosen work, that of curing chronic sufferers, Men, Women and Children. The Patients he has restored to Health after they had given up all hope of being Cured are numbered by the Thousands. He is a kind, generous, democratic gentleman, and dignified personality. Coupled with a Brotherly interest, in all who seek his advice. He does not take a Patient for Treatment unless he can foresee a Cure of the Case. The most commendable feature of his work, and one that appeals to the ordinary sick person, is the fact of his charges being so reasonable and moderate as to make it within the reach of even the very poor. At no time do the charges amount to more than \$7.00 a month or about \$1.50 a week. He gives his own medicines, and there are no extra Charges. It takes him never more than from four to six Months to Cure a Case under Treatment. All Cases, even those who have been given up as incurable or hopeless, have been Cured and restored to perfect health by this Brilliant Physician and the wonderful methods he employs.

If you want to meet him and have him examine you, go to see him, and talk the matter over with him. It will cost you nothing if he does not put you under treatment. If he takes your case, it will cost you a very small sum to get well.

Remember the Date and come early. Monday July 10th.

Isley-Holt. At the home of Mr. Joseph A-Holt near Mebane in the presence of a large number of relatives and friends promptly at 3 p. m., June 28, 1911, Rev. J. D. Andrew spoke the solemn words uniting in matrimony Mr. Alfred A. Isley of Trolinwood and Miss Sarah Annie Holt. Immediately after the ceremony all repaired to the dining room where a course of refreshments was served. After an hour's pleasant conversation the happy couple accompanied by a number of relatives drove to Mr. Isley's home at Trolinwood where a most elegant supper awaited their arrival. All seemed happy and hope that the wedding bells will soon ring again.

We have lately received the catalogue of the A. & M. College at Raleigh. This technical institution is doing a most valuable work for our State. Men trained there are certainly making good as farmers, as engineers, as textile workers,—indeed in all forms of skilled enterprise. Young men who want to enter life equipped for success in all industrial occupations will do well to consider the A. & M. Last year 630 students were enrolled—its faculty this year will include 51 teachers.

A bride may not be so rare as a day in June, but she is quite as radiant.

The North Carolina State Normal and Industrial College

Maintained by the State for the Women of North Carolina. Five regular Courses leading to Degrees. Special Courses for teachers. Free tuition to those who agree to become teachers in the State. Fall Sessions begins September 13, 1911. For catalogue and other information address:

Julius I. Foust, President, Greensboro, N. C.

THE STATE DISPATCH

Published Every Wednesday
By
The State Dispatch Publishing Company,
Burlington, N. C.
President
JAMES E. FOSTER, Secretary and Treasurer
and Business Manager.

Subscription, One Dollar per year, payable in advance.
All communications in regard to either
subscriptions or business matters should
be addressed to The State Dispatch and not
to any individual connected with the
paper.

Entered as second-class matter May
29, 1905, at the post office at Burling-
ton, North Carolina, under the Act of
Congress of March 3 1879.

Wednesday, July 5, 1911.
Near-beer has passed away,
but the blind tiger seems to have
come to stay.

Of course the North Carolina
lawyers are in favor of increas-
ing the number of judges, when
there are fat jobs in sight for
twenty of their number.

No wonder that the Democrat-
ic good government had to raise
the tax valuation in the state.
It comes high, but that is what
you voted for, so don't kick.

In the passing of Henry Clay
Brown, of the Corporation Com-
mission, that body loses one of
its best members and the State a
good citizen, who had attained
the high position he held by
merit.

Things must be getting in a
bad way over in Virginia, politi-
cally speaking. The charge is
made that existing conditions are
as bad there as they are in Illi-
nois. This of course is only in
the ranks of the Democratic par-
ty in that state.

The Virginian, Richmonds'
youngest daily has changed from
an afternoon to a morning paper.
It is one of the Old Dominions'
best journals and by getting into
the morning field will be a much
better paper. The Virginian is
a live wire for reform and prog-
ress.

Why put the Solicitors on a sal-
ary, when a large number of
them now get more than they are
worth to the commonwealth.
Time was in this section, that
they took everything in sight.
But the untried must be cared
for at the expense of the tax
payers.

There was plenty of damp
goods shipped here for use on the
4th, but those who used it done
so in moderation, or seemed to
know when they had enough.
Although the crowd was so much
larger than anticipated, it may
be that there was not enough to
go around.

We doubt if Burlington ever
had a larger crowd than was as-
sembled here yesterday to partici-
pate in the festivities incident
to the celebration of the 4th, and
a more orderly crowd could not
have been assembled. There
was not a single arrest made by
the officers, in fact we never
heard of any thing like a dis-
turbance from any source. Then
too, another thing to be proud of
is the fact that not a single acci-
dent occurred to mar the pleas-
ures of the day. Everybody,
both visitors and home-folk ap-
peared to enjoy the excellent pro-
gram that was carried out so
well. We are proud of the suc-
cess of the occasion and trust
that every one of our visitors
may come again next year, when
we will endeavor to give a better
time than we did this year.

GREAT, GRAND AND
GLORIOUS FOURTH.

The Fourth of July goes down
on the pages of Burlington history
as a day full of pleasure wit-
nessed by more than five thou-
sand people. The day shone to
be clear and early in the morning
the great throng began pouring
into the city, pedestrians, horse-
back riders, buggies, carriages,
wagons, bicycles and every way
imaginable they continued to
come until our sidewalks and
streets were full to overflowing.
According to programme follow-
ing the band, composed of home
talent, which gave concerts dur-
ing the entire day, the grand pa-
rade of the morning, composed
of the fire company with their
hose wagons and men dressed in
full uniform, led by automobiles
filled with our town officials and
followed by automobiles, floats,
etc., made a beautiful showing
as they paraded the streets. The
military drill under management
of Capt. Freeman gave a com-
plete drill, performance partici-
pated in by the large number of
boys who belong to the Holt
Guards. For first best drillman,
Tom McAdams won the medal
and \$2.00; for second best drill-
man, Baxter Rogers won second
prize and A. L. Smith won third
prize.

Next on programme was greasy
pig race to see who could catch
pig. This proved the source of
lots of fun, but was a failure as
the pig was too fat and when
turned loose amid that throng of
people would not run a bit but
lay down. The trapeze perform-
ance was good, as was the part
played by the acrobat who went
down on the rope stretched from
the top of the First National
Bank building to Worth Street, a
distance of five hundred feet.
The baby contest, conducted at
the Air Dome was decided as fol-
lows: Prettiest baby, Ruth Dav-
is, daughter of Mr. and Mrs. J.
W. Davis; second prettiest baby,
Elizabeth Montgomery, daughter
of Mr. and Mrs. T. C. Montgom-
ery, of Graham, and third,
daughter of Mr. and Mrs. K. K.
Lively. We might pause here
for a moment and say while all
this was going on a complete per-
formance was on at the Air
Dome, in which home talent in
the characters of Miss Hallie
Mitchell and Pat Brown render-
ed several comical selections
was highly complimented. A
complete show was on at the
Air Dome at all hours. While
thousands were viewing these at-
tractions hundreds heard the voi-
ce of our townsman Hon. W. H.
Carroll, who delivered a splendid
address refreshing to view the
event which we were celebrating
the signing of the Declaration of
Independence and closing by bid-
ding everybody to have a good
time assuring them that they
were welcome and that the May-
or and town officials were not at
home.

After an hour's recreation of
delicious luncheon, refreshments,
etc., which had been prepared in
many of our hospitable homes
for visiting friends and relatives,
the racing took place. In the
mule race the son of Mr. Henry
Jeffreys won both prizes, the
first being a saddle. The race
was from the Brick Warehouse
to the Alamance Loan and Trust
Company. After the signal had
been given all the baalms with
ears straight in the air darted in
the race, but when nearing the
crowd all except the one victori-
ous, refused to stay on the track
but took to the woods. The oxen
race might be considered one of
the funniest races of the day.
Only two were entered, one old
brindle and the other spot.
When ready to start brindle re-
fused to serve.

The old fiddlers' contest, en-
tered by twenty-three fiddlers
and banjo pickers, filled the air
with music. Music floating high
and low. First prize fiddler, F.
L. Reniger, \$5.00; second prize,
Elihu Clapp, of near Brick
Church. First prize banjo pick-
er, W. C. Terrill; second, D. L.
Moody.

Ugliest man, Ed. Hodge, won
the \$2.00 hat but had several
who looked about as bad as he.
Big foot contest was won by Mr.
C. A. Stanford, who wears a
number thirteen. First prize in
foot race which was run from the
Post office to Christian Church
and return was won by Hazle
Patterson, while his brother,
Earle Patterson was close second.
Both are from Friendship neigh-
borhood.

The fire alarm was turned in
and the fire company responded
going to the bungalow in the mid-
dle of the street below the Pate
Printing Co. office, which had
been erected of boards and shin-
gles to be set on fire and extin-

guished.
Baseball was on at the Fair
ground between Elon College and
the home team.
Had we time and space we
might write boundless pages and
then not tell the half of what
happened in our busy town on
the grand and glorious fourth of
July.

Miss Lois Workman left today
to be the guest of her aunt, Mrs.
O. N. Holliday of Snow Camp for
a few weeks.

THE GOLDEN AGE AT HAND.

Scriptural Evidences That Are Aston-
ishing—No One Can Afford to Be
Without the Knowledge.
We do our friends a valuable service
when we call their attention to the
valuable book entitled, "THE TIME
IS AT HAND," in which are given
many Scriptural evidences to prove
where we are on the stream of time.
"Men's hearts are failing them for
fear" and many of the leading think-
ers are proposing remedies to better
conditions. The Scriptures assure us
that man's extremity will be God's
opportunity, and this book holds out
an anchor to those who fear the wave
of unrest now spreading over the
world.

The honest heart confesses that it is
at a loss for an explanation of tran-
spiring events. While we refer to this
as the BRAIN AGE and the Age of
ENLIGHTENMENT, nevertheless
many realize that we are fast ap-
proaching a crisis which is wrapped in
darkness owing to the present world-
wide social, religious and political un-
rest.

As though by instinct the whole
creation, while it groans and travails
in pain together, waits for, longs for
and hopes for the DAY, calling it the
"GOLDEN AGE"; yet men grope
blindly because not aware of the great
Jehovah's gracious purposes. And to
his wondering creature, looking at the
length and breadth, the height and
depth of the love of God, surpassing
all expectation. He exclaims: "My
thoughts are not our thoughts,
neither are your ways my ways, saith
the Lord; for as the heavens are high-
er than the earth so are my ways
higher than your ways, and my
thoughts than your thoughts." Isa.
55:8, 9.

Notice to Teachers. The Summer examination for Public School teachers and for Public High School teachers will be held in Graham on Thursday and Friday, July 13 and 14. The first day is set a part for the white teachers and the second for the colored. The questions on Theory and Practice of teaching will be based on the reading course for the past scholastic year.

J. B. Robertson, Co. Supt. Pub. Instruction.

Prof. Robertson Elected. Prof. J. B. Robertson was elected County Superintendent of Public Instruction for Alamance County by the Board in session Monday.

Prof. Robertson is too well known in our midst to need commentation. He is a son of Alamance County as a teacher and instructor thoroughly equipped for the work. He has been principal of the Graham and Randleman Graded Schools besides having held other responsible places as teacher. He is a high-toned christian gentleman, having for a year been traveling secretary of the state Sunday school association. He is a sociable and popular young man. And one of the type that makes things go.

Only Two Accidents. During the many free-for-all shows witnessed by that immense crowd it is remarkable to say that only two accidents occurred, and those not of a dangerous nature. The first was that of Warner Watkins, who did the "slid-for-like" stunt, dangling down a rope fastened to the top of the First National Bank building with only a clamp fastened to his ankle. In the morning he did the stunt alright but in the afternoon someone had loosened the rope and when he neared the end he saw his face was going to strike and to save it he turned and allowed his shoulder to strike, painfully injuring his face and shoulder blade.

The second accident was when the son of Mr. Henry Jeffreys was thrown from a mule and received a painful injury about the ankle.

Deightful Reception. Miss Ivie Coble tendered a deightful reception at their country home Tuesday night in honor of Misses Nannie and Pauline Phillips and her sister Mrs. Cox of Newton, N. C.

The evening was very much enjoyed and especially the delicious refreshments served. Music was rendered by Miss Florine Robertson while Miss Phillips sang to the delight of her hearers. Prof. J. B. Robertson read several witty selections in his dry, droll and sarcastic manner which always brings laughter.

Those present were: Misses Nannie and Pauline Phillips, and Mrs. Cox, of Newton, Miss Carrie Carmon, of Whitsett, Miss Palmer, of Gulf, Misses Florine Robertson, Maytie Spoon, Swan-

anca Patterson, of Burlington, Miss Morrow of Graham, and Messrs. Cooper, B. M. Rogers of Graham, Drs. W. A. Hornaday, W. D. Moser, J. P. Spoon, Prof. J. B. Robertson, and Mr. Clyde Hornaday, of Burlington.

In the Burlington Sunday Schools Sunday, July 2nd, 1911.

ASTHMA-CATARRH CURD.

Expert Medical Scientists Announce Startling Result Obtained by Senpina

New York: - Thousands are taking advantage of the generous offer made by The Woodworth Co., Dept. O 1191 Broadway, New York City, requesting an experimental package of Senpina, the great discovery for Asthma, Hay Bronchitis, and Catarrh, which is mailed free of charge to all who write for it. It is curing thousands of the most stubborn cases. It makes no difference how long you have been suffering or how severe the climatic conditions are where you live, Senpina will cure you. If you have experimented and have failed to find a cure do not be discouraged but send for a trial of this wonderful truly meritorious remedy which is a scientific compound discovered by a Professor of Viena University, and is being recommended by thousands.

Texas Woman Near Death. Wills Point, Tex.—In a letter from Wills Point, Mrs. Victoria Stallings says: "I was afflicted with womanly trouble, had a dreadful cough, and suffered awful pains. I certainly would have died, if I had not been relieved by taking Cardui. Now I am stronger and in better health than I ever was in my life. I can't say half enough for this great medicine." Do you need relief? Cardui will help you. Try it for your womanly troubles. Its age is its guarantee. It cures.

The Date on the table of your paper will tell you when your subscription expires.

ADMIRE PASTOR RUSSELL'S BOOK.

"The Divine Plan of the Ages Every One Should Read It." Atlanta Constitution says—"This wonderful book makes no assertions that are not well sustained by Scriptures. It is built up stone by stone, and upon every stone is the text, and it becomes a pyramid of God's love, and mercy, and wisdom. There is nothing in the Bible that the Author denies or doubts, but there are many texts that he throws a flood of light upon that seems to uncover their meaning."

It Comforts the Bereaved. "Bill Arp" says—"It is impossible to read this book without loving the writer and pondering his wonderful solution of the great mysteries that have troubled us all our lives. There is hardly a family to be found that has not lost some loved one who died outside the church—outside the plan of salvation, and, if Calvinism be outside of all hope and inside of eternal torment and despair."

355 pages—cloth bound, 35 cents, postpaid. Bible and Tract Society, 116 1/2 Broadway, Brooklyn, N. Y.

 CHICOPEE FALLS MASSACHUSETTS

Altamahaw No. 1. Items.
 Crowded out last week.
 We have been having nice showers recently which was greatly needed through this section.
 Most the people are through cutting wheat and some have been hauling wheat up.
 The farmers are laying by corn there is a fine prospect of a good crop this time.
 There was an ice cream supper at Mr. J. W. Faucette's Saturday night. There was a large crowd present and every one seemed to have had a good time.
 Since our last writing Mr. Henry Maynard has passed from labor to reward. He was buried at Stony Creek Church.
 Bluford Matkins' baby of Altamahaw died Sunday.
 Curry Cobb, wife and three babies, Ed Dimont, wife and baby and Uncle Alex Walker spent Sunday evening at Uncle Buck Faucettes.
 Buck Facutte says he is going to haul up wheat today if it don't rain.
 Miss Martha Somers is visiting her sister Mrs. J. M. Jordan. Mr. Ed Matkins seems to have some great attraction there now.
 We don't see anything of Lee Lewis these days, but guess he is still living on the bend of the river.
 Our miller Pete Cood since the days has got hot, he wears the squint eye. Pete is a clever old fellow.
 Our neighbor Frank Durham is having a happy old time these days, sleeping on the new wheat binder. Durham is a case.
 There was a Sunday school convention at Bethlehem Sunday.
 There will be preaching at Shiloh the third Sunday in July. Rev. Cole, Supt. of the Raleigh Orphanage will be with us on that day.

Caught in a Rain.
 Douglasville, Tex. — "Five years ago I was caught in the rain at the wrong time," writes Edna Rutherford, of Douglasville, "and from that time, was taken with dumb chills and fevers, and suffered more than I can tell. I tried everything that I thought would help, and had four doctors, but got no relief. I took Cardui, the woman's tonic. Now, I feel better than in many months." Cardui does one thing and does it well. That's the secret of its 50 years of success. Try Cardui.

Rock Creek, No. 1.
 Crowded out last week.
 Several people attended children's day at Rock Creek Sunday.
 David H. Thompson and daughter Miss Myrtle visited at J. M. Thompson's recently.
 Henry Andrew is visiting relatives in Chatam.
 Mrs. Sibyl Thompson has been spending a few days with her son J. C. Thompson at Trolinwood.
 J. A. Thompson is working for W. J. Thompson at Burlington this week.
 Allene the little daughter of A. B. McVey fell from the barn loft and dislocated her shoulder last week.
 Mr. and Mrs. Fred Pickard, and Mrs. Mahlon Wicker visited at L. L. Thompson's recently.
 Miss Sadie Thompson visited at Trolinwood last week.
 Mrs. Gertie Totten returned to Graham last week after spending a few weeks with her sister Mrs. Dewitt Thompson.
 Misses Emma Hobson, Mary and Lucy Thompson spent Sunday evening with Misses Eunice and Lucy Dixon. T. C. Carter was also a pleasant caller.
 Mr. and Mrs. J. M. Thompson spent Sunday evening with Mr. and Mrs. L. L. Thompson.
 Bennett Thompson and Miss Lois Hobson attended preaching at Pleasant Union Sunday evening. We noticed that Bennett was driving a different horse from the week before. Hope they had no trouble with it.

Kill More Than Wild Beasts.
 The number of people killed yearly by wild beasts don't approach the vast number killed by disease germs. No life is safe from their attacks. They're in air, water, dust, even food. But grand protection is afforded by Electric Bitters, which destroy and expel these deadly disease germs from the system. That's why chills, fever and ague, all malarial and many blood diseases yield promptly to this wonderful blood purifier. Try them, and enjoy the glorious health and new strength they'll give you. Money back, if not satisfied. Only 50c at Freeman Drug Co.

Escaped With His Life.
 "Twenty-one years ago I faced an awful death," writes H. B. Martin, Port Harrelson, S. C. "Doctors said I had consumption and the dreadful cough I had looked like it, sure enough. I tried everything, I could hear of, for my cough, and was under the treatment of the best doctor in Georgetown, S. C. for a year, but could get no relief. A friend advised me to try Dr. King's New Discovery. I did so, and was completely cured. I feel that I owe my life to this great throat and lung cure." Its positively guaranteed for coughs, colds, and all bronchial affections. 50c & \$1.00. Trial bottle free at Freeman Drug Co.

Resolutions of Respect and Sympathy.
 Whereas, we have suffered the loss of an esteemed member of our Union,
 Resolved 1—That we, the Woman's Christian Temperance Union of Burlington, take this occasion to express our grief and keen sense of loss upon the removal from our circle of a valued and well-beloved member Mrs. Charles Anderson Walker, whose sweetness of disposition, kindness, gentleness, earnestness, and spirit of love endeared her to all who knew her.
 2—That we assure the bereaved husband and family of our sympathy and of our prayers in their behalf, that they may be cheered by the Christian hope, and that, even in this deep affliction, the glory of God may shine forth brightly in their abiding faith.
 3—That copies of these resolutions be sent the bereaved ones, be spread upon the minutes of our Union, and be published in our town papers.
 Mrs. S. L. Morgan,
 Mrs. J. L. Scott,
 Mrs. R. M. Morrow,
 Committee.

To Whom It May Concern.
 Burlington, N. C., June 27.
 This is to certify that the Chamber of Commerce of the City of Burlington, N. C., have examined thoroughly the Guaranteed Stock of the Holt Engine Co., and find that the plan is entirely safe and that all a stockholder can possibly lose is the interest on the money invested. The Chamber of Commerce takes pleasure in recommending this plan for securing a new industry for our town.
 Respectfully submitted,
 W. E. Sharpe, Pres.
 Chamber of Commerce.
 Attest, J. H. Vernon, Sec.

Back To The South.
 Nothing illustrates the enterprise of the South more than that activity of its boards of trade, its railway industrial bureaus and other such organizations created to show the enormous business advantages that are open in that part of the Union. It is well known that no other part of civilization has made greater progress in the last 20 years than that which in a generally way is called the South.
 The revelation of its wealth and resources, the experience of its usual delightful climate, the variety of soil, the treasures of iron and coal as well as of other minerals, have become known, to the effect that, by the coldest of figures, the South has made greater gain than any other equal area of territory in the range of civilization.
 The special points made by many of the articles sent out is that Southern people who have been elsewhere are coming back South because they find there attractions which long lay unnoticed and they are also bringing back with them many others from all parts of the country, introducing a greatly needed capital and labor to develop the measureless resources of that splendid land.—Buffalo (N. Y.) News.

ECZEMA CURED
 Pimples Disappear and Complexion Cleared Over-night.
 New York:—Thousands are taking advantage of the generous offer made by the Woodworth Co. 1161 Broadway, New York City requesting an experimental package of Lemola, the new skin discovery, which is mailed free of charge to all who write for it. It alone is sufficient to clear the complexion over-night and rid the face of pimples in a few hours. On the first application of Lemola the itching will stop. It has cured thousands afflicted with Eczema, Teeters, Rash, Itching and Crusting of skin scalps of infants, children and adults. It is good for the preservation and purification of the skin, scalp, hair and hands for the prevention of the clogging of the pores the usual cause of pimples, blackheads, redness and roughness and also the treatment of burns, scalds, wounds, sores, chapping as well as the toilette and nursery.

Children's Day.
 Children's day service was held at the Reformed Church Sunday night. The church was crowded and the exercise good, considering that it was rendered by the little tots. After the completion of the programme, J. R. Hoffman, Attorney, was called on for a few temporary remarks, and responded, beginning with laughter but touching the key note in the completion, directing his thoughts chiefly to the boys.

WHEATSTON INSTITUTE
 A LEADING BOARDING SCHOOL
 1800 Acres. Established 1786.
 Prepares for College, Business, Teaching or for Life. Health, Character and Scholarship. With particular attention to the physical and mental development of the student.
 Very reasonable rates. Fresh and excellent personal attention.
 School highly endorsed. Location in beautiful country, N. C. For beautiful description, terms, etc. address the President, W. T. WHEATSTON, Ph. D., Wheatston, North Carolina.

Electric Bitters
 Succeed when everything else fails. In nervous prostration and female weaknesses they are the supreme remedy, as thousands have testified.
FOR KIDNEY, LIVER AND STOMACH TROUBLE
 It is the best medicine ever sold over a druggist's counter.

BEST FOR THE BOWELS
 If you haven't a regular healthy movement of the bowels every day, you're ill or will be. Keep your bowels open, and be well. Force, in the shape of violent physic or pill poison, is dangerous. The smoothest, easiest, most perfect way of keeping the bowels clear and clean is to take

**Public Health Dept.
of W. C. T. U.**

Edited by
MRS. R. L. BOYD, Supt.

**Municipal Sanitation or Disease
Politic.**

When one consults a physician for his health, and the doctor simply glances at the patient and writes a prescription, little value is attached to the opinion of the prescriber. On the other hand, when one consults a physician in regard to his physical ailments, and the physician with system and minute detail, goes into his hereditary, past and present history, then, with a physical examination that begins with the top of his head and goes to the sole of his feet, his opinion is respected, valued and relied upon. The treatment of these two physicians represents the relative importance of presumption and scientific conclusion. Like the two altitudes of mind exemplified in the physicians just mentioned, we find the citizens of municipalities holding opinions in regard to their municipal health. Unfortunately ninety-five per cent of the opinions regarding municipal health belong to the presumptive class, and as the result of a very short-sighted and false civic pride, most of these presumptive opinions are to the effect that the municipal health is excellent.

The proper conception of Municipal Health. The average citizen should recognize the fact that scientific data are just as essential in forming an opinion in regard to municipal health as they are in forming opinions as to individual health. In fact, there is a close analogy between individual disease and disease politic, and a scheme for considering disease politic on a basis of this analogy may be found helpful. Such a scheme should not be so technical as to restrict its use to the scientific or professional man. To be of practical value it must be available for the use of the average intelligent citizen.

Cause of Disease Politic. This may be stated in just two words—ignorance and indifference. The latter is very largely a part of the former. It is impossible to conceive that the citizen of average intelligence could remain as indifferent as he is if he really knew that ten, fifty, or one hundred people die in his town or community every year whose deaths could have been prevented.

Treatment of disease politic. We all recognize that the only way to handle anything effectively that affects the public is by law, but, before we can have laws protecting us against the forces of disease, we must have that out of which law is made, and by which law is enforced—on intelligent, interested public sentiment—and such public sentiment is the product of education.

Never give more medicine than can be kept on the stomach; never make more sanitary recommendations than you can have accepted. Get one thing done, then, return and persuade the people to take an additional step.—W. S. Rankin, M. D., Sec'y State Board Health.

Paint Lick Sick Lady

Paint Lick, Ky.—Mrs. Mary Freeman, of this place, says: "Before I commenced to take Cardui, I suffered so much from womanly trouble, I was so weak that I was down on my back nearly all the time. Cardui has done me more good than any medicine I ever took in my life. You need not be afraid to take Cardui. It is no new experiment. Composed of gentle-acting, herb ingredients, it has been found to safely relieve headache, backache and similar female troubles. Try it for your troubles."

The North Carolina College of Agriculture and Mechanic Arts announces in another column its opening for another year on September 7. This College continues to grow in numbers and in usefulness. Last year it enrolled 830 students. Its graduates are taking a leading part in the industrial life of our State, and are in steady demand at good salaries. Young men who desire to fit themselves for success in industrial occupations will do well to consider such a form of education.

The Fourth of July task seems easy compared with Chicago's attempt to have "safe and sane" aero meet.

Elon College No. 1.

Crowded out last week.

The Farmers are busy plowing corn.

Quite a number of people attended the Sunday school convention at Bethlehem Church Sunday.

Miss Nida Gilliam spent Sunday evening with Misses Georgia and Clara Somers.

Berry Somers was a welcome visitor on this route Sunday evening.

Quite a crowd of us young people had the pleasure of attending an ice cream supper at John Faucette's on Altamahaw No. 1 Saturday night. All report a fine time.

Miss Annie Somers of Gibsonville and her sport were out driving Sunday afternoon.

Messrs. Monford and Carl Geringer, Jake Patton and Jerry Shepherd were pleasant callers at R. L. Somers Sunday evening.

Miss Lee Jones left last week for the hospital at Baltimore where she will take treatment.

Mrs. Edd Geringer and children spent Sunday at Mrs. Ab. Conklin's.

Early this morning between 2 and 3 o'clock the barn of Mr. Umer Wood of near Gibsonville was destroyed by fire. Everything was burned except one horse and one pony. 3 horses, wagon, buggies, feed, wheat and corn was destroyed, which is a great loss to Mr. Wood. It is unknown how the fire caught.

John Paschal and Ralph Kernode were callers on this route Sunday evening.

Terrible Picture of Suffering

Clinton, Ky.—Mrs. M. C. McElroy, in a letter from Clinton, writes: "For six years, I was a sufferer from female troubles. I could not eat, and could not stand on my feet, without suffering great pain. I had lost hope. After using Cardui a week, I began to improve. Now I feel better than in six years." Fifty years of success in actual practice, is positive proof, furnished by those who have used it, that Cardui can always be relied on for relieving female weakness and disease. Try Cardui, today, now!

Norfolk & Western Railway Shenandoah Valley Route Via Hagerstown

With change of schedule June 11th double daily service was established via the Shenandoah Valley between Bristol and South West Virginia. Winston-Salem, Martinsville, Bluefield and the Coal Field Districts, Hagerstown, Harrisburg, Philadelphia and New York. Through Pullman sleepers and dining cars on trains Nos. 1, 2, 13 and 14. Parties making this trip now have the opportunity to do so in the most comfortable and satisfactory manner. Map, time-tables, resort books, giving full description of this route mailed upon application. Luray Caverns, Grottoes, Natural Bridge and the resort places in Virginia are most conveniently reached. Stop-overs allowed within limit of tickets.

W. B. Bevell, General Pass. Agent, Roanoke, Va.

Stopped Those Pains.

Timberville, Miss.—Miss Gertrude Gutlin of Timberville writes: "I did not know anything could stop those womanly pains, from which I suffered for two years, until I tried Cardui. I had been troubled with various female ailments, but they were cured in a little while, thanks to Cardui." Cardui is especially adapted for use by ailing women. It relieves headache, backache, dragging feeling, irregularly, nervousness, misery and womanly weakness. It is safe. It is reliable. It does the work. Will you try it? Please do.

Graded School Announcement.

Those pupils who are entitled to special examinations will be given an opportunity to make good their deficiencies on the following days:

Juniors on August 14th.
Sophomores on August 15th.
Freshmen on August 16th.
Grammar School on August 17th.
Examinations will begin at 9:00 a. m.

Pupils with not more than two back studies (Algebra and Geometry or Arithmetic and Algebra count as one study) are entitled to these examinations, and they are strongly urged to make preparation to stand off this work.

Office hours between 9:00 and 10:00 every day except Saturday and Sunday.
G. C. Singletary, Supt.

Administrator's Sale of Valuable

Flour Milling Property.

Under and by virtue of an order of the Superior Court of Alamance County made in a special proceeding therein pending, entitled, "Alamance Loan & Trust Company, Administrator, vs. Carl Hornaday et als.," the undersigned, Commissioner, will, on Monday, July 10, 1911, at twelve o'clock, noon, at the Court house door in Graham, Alamance County, North Carolina, offer for sale to the highest bidder that real property in the City of Burlington, Alamance County, North Carolina, known as the Dixie Mill Property, described as follows:

A tract or parcel of land in the County of Alamance and State of North Carolina, in Burlington Township, adjoining the lands of the North Carolina Railroad Company and others, and bounded as follows:

Beginning at a rock, corner of Graves Street, on the North Carolina Railroad Company's land and at the southwest corner, of a roller mill formerly belonging to Samuel R. Ireland and Company, and running thence with the south-east side of Graves Street, N. 53 degrees 24' E. 170 feet to an iron bolt on the south-east side of said street; thence S. 36 degrees 36' E. 140 feet to an iron bolt on the line of the North Carolina Railroad Company's land; thence S. 53 degrees 24' W. 140 feet to an iron bolt 100 feet from center of the said Railroad Company's right-of-way; thence N. 36 degrees 36' W. 140 feet to the beginning, containing 23,800 square feet, but to be the same be there more or less, upon which there is situated a roller mill.

This is a very valuable piece of property, and will be sold as a complete roller mill property, and the purchaser will get a property that can be immediately operated as a roller flour mill. Upon this real property is the building, machinery and appliances necessary for the proper conducting of a roller mill business and all of this property is sold as flour milling plant.

Said property will be sold at public outcry to the best bidder upon the following terms: One-third of the bid to be paid in money down, and the other two-thirds to be secured by notes in equal amounts, at 6 and 12 months, and said notes to carry interest from date of sale until paid, and title to be reserved until payment of purchase money is complete.

Alamance Loan & Trust Co.,
Commissioner,
Administrator of S. M. Hornaday,
Deceased.

Split, Quit, Fit.

Hines, Ala.—In a letter from this place, Mrs. Eula Mae Bradley says: "I used to spit up all I ate. I was tired and ached all the time. My head ached, and I could hardly drag around. Since taking Cardui, this has entirely quit, and now I feel quite fit." Mrs. Bradley suffered from nervous indigestion. Cardui builds up the nervous system, and strengthens the womanly constitution. That's why Cardui helped Mrs. Bradley and why it will help you. Try it.

LAST CALL.

We have spent two weeks soliciting subscriptions for \$20,000.00 of the Guaranteed Stock of the Holt Engine Co., with a result of \$8,000.00 subscribed.

The people of Burlington want new industries, but want the other fellow to do the sowing, with the reaping left to them. The Merchants of Burlington who will receive the largest reward have taken eight shares. Very encouraging indeed to stay and continue the canvass.

Real property has depreciated 40 per cent in selling price. How do you expect Mr. Property owner to regain this loss unless you increase the demand by bringing in new citizens.

We will start with about 25 experienced machinists and increase the number with the increase of the demand for the products of the plant. If you will invest with absolute security and assist in reclaiming our town, by taking stock, call on us at once and get all the details.

This is the last song and dance. You can help yourself by keeping us. If this amount is not taken here the plant will be located elsewhere where gifts are freely tendered us.

Very Truly,
Holt Engine Company.,
2nd floor of the First National Bank Building.

Ellis Machine & Music Company.
Burlington, :: : North Carolina.

The Dispatch \$1 a year. Try it.

::: RURAL CARRIER ITEMS :::

R. F. D. No. 7.

Mr. H. M. Fowler, who recently moved to Greensboro, came in last week for a ten days visit to his son, H. Lee Fowler, and other relatives.

Our sister, Mrs. R. O. Holliday and her husband from Snow Camp No. 1, spent last Thursday night at our house and spent Friday doing their shopping up town and stayed all night Friday night with Mr. Holliday's sister, Mrs. J. W. L. Thompson, returning home Saturday.

We brought in Alamance County's first cotton bloom on June 20th. Esq. W. A. Tinnin has 2 or three acres that is extra fine for the time of year and he has the honor of being the first to produce the genuine article this year, notwithstanding the claims made by others. Carrier No. 4 brought in what he claimed was a cotton bloom raised by Mr. Andrew Beal the same date we brought ours but he was either imposed on or was trying to fake the Editor, for what he brought was two blooms from an ornamental shrub or bush known as "Althea" or "Marsh Mallow," a medical shrub or plant that bears a bloom resembling a cotton bloom very much but any one familiar with either can detect the difference very easily. Doubtless many editors have been imposed on by unscrupulous persons presenting Althea bloom and claiming it to be cotton and this No. 4 business seems to be a glaring case of deception by some one.

Mr. Serenus A. Sharpe left for Baltimore 3 or 4 weeks ago and is now traveling in Europe.

H. A. Garrett and family of Greensboro are visiting his people on No. 7.

T. R. Harden left Sunday for a few days visit to his wife who is at a health resort in western N. C., "the Land of the sky."

Misses Blanche and Bessie Thompson spent from Saturday till Tuesday visiting Mrs. W. B. Sharpe.

S. L. Russell visited Jacob Sharpe Saturday night.

Rev. W. W. Cude and family and Miss Fannie Albright attended the Holiness tent meeting at Burlington Sunday.

Connie Graves, son of Handy Graves and Miss Vitie Isley, daughter of J. C. Isley, were united in marriage July 2nd, at the parsonage by Rev. J. A. Burgess. They have the best wishes of their many friends.

Rev. Fogleman of Liberty, N. C. passed through Monday on his way to Mebane to visit his daughter.

Prof. T. C. Amick of Elon accompanied by Mr. Mack Nesse spent Saturday night at Mr. Lacy E. Sharpe's.

Mrs. Corrie Rich and Misses Mary and Edna Patty were welcome visitors at the parsonage Sunday.

Mr. and Mrs. E. M. Holt spent Sunday night with Rev. J. A. Burgess.

Mrs. Jesse Redden spent Saturday and Sunday with her parents Mr. and Mrs. Isaac Sharpe.

Mrs. W. A. Tinnin gave us our first big mess of beans last week and she was thoughtful enough to put in a chunk of bacon to boil them with. With a few more such patrons as that we might get enough to eat to get fat. Mr. J. W. Bishop gave us some nice apples today for which we are grateful.

Oakdale Notes.

A very sad death occurred in Liberty on Saturday night about 3 o'clock June 17th. The wife of Robert Alred, a bride of a little more than 2 months. She was sick only a few minutes. It was said she died in great agony. Was buried at Mt. Zion the 18th where a very large congregation assembled to pay last respects. Mr. Alred was raised near Oakdale. He has our sympathy.

Mr. Jacob Garrett died in Liberty June 27th, was buried at Rock Creek the 28th. Mr. Garrett was 94 years, 6 mos. and 14 days old. But very few men of his age living today. He has been blind for many years. Revs. W. M. Pike, his pastor, T. M. Johnson, W. C. Connett Fogleman took part in the funeral exercises. He leaves an aged widow, many relatives and friends. He was a good man. Many floral tributes were placed on the grave.

Corn is looking fine, although it is very dry. Wheat threshing has begun. Wheat not as good as first thought.

During an electric storm a few days ago W. R. Kinney's phone was badly damaged. Some door flying and the family were in the house but fortunately no

one was hurt except by fright.

Mrs. Willie Neese is right sick hope she will recover soon.

The baby boy of Robert Coble died Monday July 3, and was buried the 4th, at Mt. Zion. Aged 3 years.

The fruit tree agents poured in last week, some to the delight of some of our fair sect. Ask Miss Coy about it.

Mrs. John R. Adams of Greensboro was visiting at O. N. Hornaday's last week. This is her old neighborhood.

Mrs. O. N. Hornaday who got hurt in a buggy turn-over while returning from church a few Sundays ago is getting along all O. K., we are glad to hear.

Haw River Items.

Charlie Cash of South Boston, Va. was a visitor here Friday. There seemed to be great attraction for him here.

Miss Grace Stuart spent Saturday and Sunday at home.

Miss Lola Franklin visited at Hillsboro Saturday.

Mrs. R. H. Brooks left last week to visit in Raleigh and Rocky Mount.

C. D. Dawson was summoned to the bedside of his sick mother. We hope she will recover.

Mr. and Mrs. E. W. Franklin and children of Burlington spent Sunday with Mrs. S. A. Vest.

J. L. Allen of High Point spent Sunday here.

Rev. D. W. Arnette, G. W. P. Cates and Dolphus Anderson visited J. A. Trolinger Sunday afternoon who is confined to his room sick. They reported him improving.

Julius Johnson of Oxford Orphan Asylum is visiting his mother Mrs. Jennie Johnson.

Rev. J. C. Hocutt of Chapel Hill spent Saturday night with G. W. P. Cates, and preached Sunday morning at the Baptist church to the delight of the people. He left Sunday evening for Graham to visit his children.

C. B. King of Haw River attended the Fiddler's Convention at Swepsonville last Saturday night.

B. S. Robertson visited Haw River Monday.

Misses Rebecca Scott, Gena Robertson and Master Jack Causey visited Haw River Sunday afternoon.

Mrs. J. R. Williamson of Burlington spent Sunday in Haw River with her son W. P. Williamson.

Mrs. Clark and Mrs. Williamson were called to Stokesdale Saturday to attend the burial of Mrs. Clark's brother.

Mrs. E. J. Cates who has been spending the summer with her brother G. W. P. Cates left Sunday for her home in Orange.

Misses Lola and Ruth Franklin left Monday evening for Burlington. They will spend the Fourth in Greensboro.

The glorious Fourth is now upon us and carries us back to the Declaration of Independence.

Jim Dickey was in town Monday.

Miss Bessie McPherson of Liberty is visiting her brothers.

Dr. S. D. McPherson of Durham was a visitor here Sunday.

Messrs. C. R. Faucette, A. W. Parham and L. R. Johnson, took a stroll to the country and called on Mr. J. A. Trolinger, who is confined to his room sick. They reported him improving.

The Farmers Institute committee met in Graham Monday with a large and enthusiastic attendance and made arrangements for the County institute to be held at:

Mebane, Tuesday, July 25th.
Elon College, Wednesday, July 26th.
Friendship High School, Aug. 23rd.

A committee was appointed for each institute to look after the interest and pleasure of those in attendance.

Messrs. E. C. Turner, J. F. Howard and J. B. Geringer were appointed a committee to get up a list of prizes for the best yield of wheat per acre and the best average yield on entire crop of not less than ten acres. Rules and conditions under which the awards will be made will be announced at the institute. The committee was also interested asked the co-operation of the merchants, millers and business interest in general in getting up this line of prizes.

Mr. E. C. Turner was elected Sec. Treas. of the County institute. This office was created to put the management of these meetings on a business basis.

A vigorous effort will be made to get all the farmers in attendance. Everybody is invited to attend these meetings and urged to get their neighbors to do likewise. These meetings combine pleasure with profit. They are both a school of instruction and a basket picnic. Come to each of them; go to all of them—Send everybody else.

Farmers' Institute at Elon College.

Elon College, July 4.—Extensive preparations are being made for the reception of the Farmers' Institute which is to be held here Wednesday, July 26th. A number of prominent speakers are expected and it is earnestly hoped that all the farmers in the immediate vicinity will be on hand. Topics of practical and general import will be discussed and it is believed that much good will result from these meetings. Be on hand and bring a full dinner basket with you. A profitable and good time is assured.

Facts

YOU LOSE MONEY

when you allow any of your stock or poultry to remain sick a day.

They give you less results in beef, pork, work, or eggs, when they are not in perfect health. Take a little interest in your own pocket book and doctor them up with

Black-Draught Stock and Poultry Medicine

It will pay you to do this. It has paid thousands of other successful farmers and stock and poultry raisers.

This famous remedy is not a food, but a genuine, scientific medicine prepared from medicinal herbs and roots, acting on the liver, kidneys, bowels and digestive organs. Sold by all druggists, price 25 cents, 50 cents and \$1. per can.
