The Good Citizen's Catechism.

Q. What was formally the definition of a good citizen?

A. One who keeps out of jail and votes "right."

Q. Why is that no longer a satisfactory definition?

A. Because "good citizens" of that negative type made bad cities and towns.

Q. What are bad cities?

A. Cities that are run by selfish politicians or graftars, and are therefore dirty, ugly, wasteful.

Q. What are good cities?

A. Cities that are run by public-spirited officials for the good of the citizens, and are therefore clean, beautiful, economical.

Q. Why cannot we have more good cities?

A. Because we have so few good citizens.

Q. What is a good citizen?

A. One who not only desires to serve his city, but has a thorough knowledge of its needs and of the means of supplying them as shown by the experience of other cities.

Q. Why is this knowledge equally necessary for the citizen who does or does not hold any office?

A. Because without it he cannot know whether the city's affairs are being properly administered.

Q. Do city officials regard a knowledge of city affairs by citizens as desirable?

A. Good officials do; bad ones do not.

Q. Why do bad officials consider such knowledge objectionable?

A. Because civic ignorance is the source of their power and wealth.

Q. Why do good officials consider such knowledge desirable?

A. Because they feel the need of the co-operation and support that can only be given by an intelligent citizenship.

Q. Have I the desire to be better informed as to municipal improvement and civic betterment work?

A.

Q. Have I enough civic knowledge to enable me to check unintelligent officials and undesirable civic plans and to support good ones?

A.

Q. Am I keeping in touch with what other cities and towns are doing to make their respective communities more beautiful more healthful and more convenient places to live?

A.

At our recent National Convention, which was held in Milwaukee, the term citizen was used a number of times as though it could refer only to women who have been enfranchised. Webster's dictionary defines a citizen in these words: "A person, native or naturalized of either sex, who owes allegiance to government and is entitled to reciprocal protection from it." Our national constitutional says, "All persons born or naturalized in the United States are citizens thereof." Women are persons, therefore citizens, whether or not they are voters.

Freedom Hill and Antioch.

There will be preaching next Saturday night, Dec. 16th, at 7:30, and Sunday morning at 10:30 o'clock, at Freedom Hill Wesleyan Methodist Church. All in this neighborhood are invited to attend.

There will be meeting at Antioch Wesleyan Church Sunday evening at 8, and night at 7:30 o'clock.

Rev. G. R. Mines and wife, Conference Evangelists of the Wesleyan Church of this state, have charge of these two churches and both will be in attendance at these meetings, and good services are expected.

"Eyes That See Not."

Years years ago when our first parents lived in the Garden of Eden, they were allowed the privilege of enjoying everything in that earthly paradise, with one exception. In the midst of the garden stood a tree of which God had said, "Ye shall not eat." The daily task was to keep the garden. Delightful occupation! Here is a tree whose gorgeous flowers and dark green leaves are surpassed by the coloring of its rosy cheeked or golden fruit. There are flowers, more rare than any hot-house plant, growing in wonderful luxuriance. The deep crimson of one variety set off by the snowy whiteness of another. Vines creeping climbing everywhere, beautiful arbors, shady nooks. Fountains sparkling and singing in the sunshine and the rivers running on with a peaceful murmur. Surely here is peace and contentment. No; surrounded by all this there was something lacking. This tree of which God had said, "Ye shall not eat," troubled them, and the desire to taste its fruit finally overcame them, and they lost all.

We of today are very much as they were in those days. There is something above and beyond which we so long for we forget the blessings around us.

Mother Nature has bestowed her grandest productions upon the productions upon the poor, but with "eyes that see not" they pine among scenes which artists can never paint. Who can imitate the magnificent coloring of a sunrise or sunset or the silver border of a cloud? or the varying expressions of the faces around us? Yet we do not prize these until they are beyond our sight and past recall.

Our many blessings lie forgotten around us. Many a glance of love is not seen by us because we are looking beyond the giver to another; many an humble heart is starving for our love while we are foolishly longing for the love of some one whose neither desires or needs ours. Oh, if we would only stop in the mad race after things above our grasp, we would find that all around us lie the things we have been searching for.

He that hath eyes to see, let him see."

Ruby Everon.

Robinson-Whitsell.

A marriage, the secrecy of which was romantic, occurred in our town last Sunday evening when the contracting parties Mr. Joe Robinson and Miss Mattie Whitsell were united in the holy bonds of wedlock by Esq. J. R. Hall at his residence. The bride and groom had planned to have a minister tie the knot and drove to the Reform parsonage but finding Rev. Andrew not at home, took no chances. Mr. Robinson is a prominent man of the county with hosts of friends. While the bride is the charming daughter of Mr. J. C. Whitsell a prominent farmer of Burlington No. 4, and is the sister of our townsman Mr. C. D. Whitsell.

We join their many friends in extending congratulations and wish for them a happy life.

Death of Mrs. Skeens.

Mattie Lee Skeens, daughter of Mr. and Mrs. T. H. Skeens was born June 2nd 1885 and died Dec. 9th 1911 in the home of her brother at Glencoe Mills, aged 26 years, 6 months, 7 days.

At the age of 15 years she professed faith in Christ and united with the M. E. Church, remaining faithful until death called her away. Her funeral was conducted in Bethlehem Christian Church at Altamahaw on Sunday afternoon by Rev. J. D. Andrew and her remains were laid to rest in the graveyard there beside the body of her brother Ed who died some years ago.

The McNamaras trial at California has ended. One was sentenced to fifteen years and the other for life imprisonment. It will be remembered they were being tried for blowing up a building and killing twenty-three people.

GREAT VOTING CONTEST!

The State Dispatch Publishing Co. has decided to put on one of the greatest voting contests ever held in the County or this section of the state. In our first issue in 1912, which will be January 3rd, a complete list of the premiums together with rules which will govern the contest will be published. At present all care is being taken by the management of the paper to get nothing but first-class premiums and to inaugurate rules which will give a fair deal to every contestant. All this will have been perfected by the first of the year and the contest will move off with a vim. Watch for the list of premiums. Nothing to equal them ever been offered in a voting contest in Alamance County.

WHO WILL BE NEXT?

Quite a number of our subscribers have sent in their subscription since our gentle reminder; but a far greater number have not. Keep the good work going and let the dollars come, because we need them all. Don't forget, please.

FEDERAL COURT SENTENCES

All of the jury cases in United States court were concluded yesterday afternoon and is probable that the prisoners sentenced yesterday and during the term will be carried to Atlanta today.

The most important case of yesterday was that against Dock Bass and Ernest King, two young white men of Burlington, who were charged with stealing a mail sack in September. The sack was thrown from train No. 112 and was removed before the mail carrier went to receive it. The Bass and King boys were later found at the spot where the bag was recovered, their attitude being one of searching for something. The theory of the government was that they removed the bag to this point and later went back to get it and the jury held with this theory, returning a verdict of guilty after a short absence. Judge Boyd announced that he would pass sentence today.

Sentence of 15 and 12 months were yesterday passed against Dock Bass and Ernest King, white boys of Burlington, who late Friday evening were convicted in United States court of stealing a mail pouch at Burlington. The longer term was given Bass, a 20-year-old boy, while King, a lad of 17 years, was given the minimum, one year and a day. Had King been a year younger he would have gone to the reformatory, and in sentencing him to the federal prison Judge Boyd expressed regret in having no other alternative than to consign a youth of his years and appearance to such a place.

The two boys, both of whom were of good appearance, were described to the court by their counsel as reckless, yet hardly in the class of the incorrigible. They have trained about Burlington with a rather shiftless lot, the kind that can be found in most any town, and previous to the present indictment had never done anything serious, though had been in a number of escapades of the kind that usually have their ending as this did. One night last September the boys stole a mail pouch that was thrown from train No. 112. They secreted it under a box car and were later caught redhanded when attempting to remove it.

Warren-Aldridge.

The home of Mrs. R. G. Aldridge of Burlington, R. F. D. No. 5 was the scene of a pretty home wedding last Wednesday evening at two o'clock when her daughter Miss Bettie Aldridge and Mr. R. L. Warren of Prospect Hill were bound together in the holy bonds of wedlock by the officiating minister, Elder O. J. Denny. The parlor was beautifully decorated with ferns and potted plants and presented a very inviting appearance to the friends who had assembled to see the solemn vows administered. Among those who were present was our distinguished townsman Mr. D. S. Hall and wife who is the Rural Carrier on that route.

Among the large number of presents were silver ware, linen and glass ware in abundance. Mr. Warren is a prominent farmer of Prospect Hill and has married one of the fairest and best girls of R. F. D. 5.

The State Dispatch joins their many friends in extending congratulations.

Machinery Being Installed.

The new building erected by The Holt Engine Co. for the manufacture of the Holt Rotary Engine is nearing completion and the machinery being installed, in connection with the manufacture of the Holt Engine, a general repair shop is being installed, and it is hoped by first of the year to be ready to do business. If the present plans are carried out this shop will be one of the best equipped in this section of the state, and the Holt Engine Co. will do business. The managers and officers of this company are hustlers who do things with a vim beginning with a big V.

An Important Lecture.

Friday night was the time and the Baptist Church the place scheduled for Dr. Delia Dixon Carroll of Raleigh to address a mass meeting of citizens on the subject of Municipal Sanitation. The subject is a broad one and of as much importance as broad, as it was masterly explained by the speaker of the evening. The lecture drew a vivid picture of how times have changed from the times of our forefathers and how sanitary conditions have necessarily improved. To illustrate the public drinking cup which once was considered very convenient is being substituted by, private, which causes the spread of disease much lessened. The meat question as pictured by the speaker should be duly considered, as it is actually a fact much of the meat we buy is that of diseased cattle which would not pass the inspection of large packing houses.

Our Graded School was hinted at and the suggestion thrown out that the ventilation and the places from which the children drink be inspected. The proper cleanliness of the stalks was mentioned, as was keeping the vexing and annoying banana peels off the sidewalks. The entire lecture was full of useful suggestions and as stated by Rev. S. L. Morgan, chairman of the evening, it was fortunate for so large a crowd, little more than half the space of the church being occupied, to hear this lecture but the only regret was that more were not present. As stated by the chairman those present were some of the best citizens of our town who have the best interests of the town at heart.

Following the address Rev. J. B. Gibble was called to act as temporary chairman and Rev. J. D. Andrew as temporary secretary, nominating a committee of Messdames J. Q. Gant, J. L. Scott, S. L. Morgan, Dr. W. D. Moser and Mayor Freehand were named by a committee composed of Col. Eugene Holt, Mayor Freehand, Messdames Gant, Boyd and Morgan who were appointed by the chair to name a nominating committee and report, which will be decided upon a meeting to be held at the Christian church Thursday night, December 14th, at which time it is hoped to have the entire house packed with citizens who have Burlington and her future welfare at heart. Everybody is cordially invited and urged to attend.

After a rising vote of thanks of appreciation to the speaker of the evening the meeting adjourned.

Franklin Literary Society Entertains.

The annual reception of the Franklin Literary Society was given under the auspices of the society Friday night in the school auditorium. Each member of the society was given the liberty to invite some friend. The society has forty members with Mr. Dover Heritage as President, Mr. Geo. Sharpe Sec. and Treas., and Mr. Walter Story reporter. In connection with the members about thirty-five friends were present making a total number of seventy-five. Those who received at the door were Misses Annie Morgan Faucette and Flora Garret, Messrs. Paul Morgan and Claud Holt. The thirteenth quenching punch bowl was presided over by Miss Ella Rea Carroll in a very graceful manner. Refreshments consisting of ices etc. were served. Games were played, and a book contest held in which Miss Ella Rea Carroll won the prize a beautiful book "Snow Bound." The booby went to Russel Coble, a tin horn.

The auditorium was beautifully decorated with flowers, crepe paper the society colors black and gold being carried out. The entire entertainment was very lively and much enjoyed by members and friends.

Kidney Troubles Attack Burlington Men and Women, Old and Young.

Kidney ills seize young and old. Come quickly with little warning. Children suffer in their early years— Can't control the kidney secretions. Girls are languid, nervous, suffer pain. Women worry, can't do daily work. Men have lame and aching backs. The cure for man, woman or child is to cure the cause—the kidneys. Doan's Kidney Pills reach the cause. Burlington testimony proves it.

Mrs. Lula Helm, Webb Ave., Burlington, N. C., says: "I continue to think highly of Doan's Kidney Pills and recommend them at all times. I hope that my statement will be the means of leading other kidney sufferers to use this reliable remedy. I have taken Doan's Kidney Pills and have been greatly benefited. Other members of my family have also been helped by this preparation. I am certain that if Doan's Kidney Pills are taken according to directions, the results will always be of the best."

Master Herman Somers went to his rabbit gums and was met with a great surprise when he found he had caught a great large opossum for Thanksgiving. Weighed 9 lbs. Measure across the foot 3 one-fourth inches. Who can beat that for a little chap.

Juniors Present Bible.

On the evening of the 25th of Nov. the Juniors presented to the Altamahaw Graded School a new flag and Bible. Mrs. Dr. McIver, of Greensboro, made an interesting talk, and Prof. J. B. Robertson, our County Supt., also made a very helpful talk.

The Bible was presented by Mr. W. S. Bennett and the flag by Mr. W. M. Taylor. A large crowd of Juniors were present and some of them made very helpful remarks.

We are not able to express our appreciation of the flag and Bible but we hope that they may prove to be of much benefit to both, teachers and pupils.

The new school building is now being painted and is very nice, indeed. The teachers in charge are Prof. W. H. Dawson and Misses Roella and Floy Pegg. We are expecting to have an excellent school.

Preserved Peaches.

Mr. G. L. Bryant, of Gaffney S. C., has some truly remarkable canned peaches. These peaches were put up 35 years ago by Mr. Bryant's mother. She has been dead for 14 years, but the peaches are still good. Several jars of them were eaten a few days ago and now only one jar is left. Mr. Bryant says that he does not intend for this jar to be opened until after his death. It is really quite interesting to know that jars of peaches can be preserved this long.

Split, Quit, Fit.

Hines, Ala.—In a letter from this place, Mrs. Eula Mae Bradley says: "I used to spit up all I ate. I was tired and sleepy all the time. My head ached, and I could hardly drag around. Since taking Cardui, this has entirely quit, and now I feel quite fit." Mrs. Bradley suffered from nervous indigestion. Cardui builds up the nervous system, and strengthens the womanly constitution. That's why Cardui helped Mrs. Bradley and why it will help you. Try it.

HOKE SMITH WON'T TAKE IT

Washington, D. C., Dec. 5.—The federal treasury will be \$3,000 richer because Senator Hoke Smith, of Georgia, decided today that he could not accept pay for being a United States senator and a governor at the same time. Senator Smith was elected on July 12 and his salary from the government started at that date. He chose the state of Georgia's money, however, and today turned back about \$3,000 salary to which he was entitled as senator.

Site Selected for One of New Navy Yards.

Washington, Dec. 8.—Narragansett Bay, R. I., has been selected as the site of one of the three great Atlantic Coast Navy Yards, proposed by Secretary of the Navy Meyer in his reorganization plans, the others being at Norfolk and Guantanamo. This will mean the elimination of the New York, the Boston and the Portsmouth, N. H., yards.

Mayor Fitzgerald, of Boston, today had a long conference with Secretary Meyer. He said Boston would vigorously oppose such a change.

An Unfortunate Family.

Ill-fortune seems to have stuck close to Jacob S. Wentz, of Dillsburg, Pa., for the past two years. Within that time he, his wife, and three sons have died, except one.

The one son yet living had his arm crushed in the cog wheels of a concrete mixer. Fifteen months ago another son was ground to death in the cylinder of a thresh-

ing machine. A little later the mother died from ill health, and the third son was fatally injured in the railroad shops at Harrisburg.

Last week Wentz, himself, received a stroke of apoplexy and died suddenly. He was buried at Dillsburg.

Lad of 14 Convicted of Murder.

Danville, Va., Dec. 7.—A jury in the corporation court today convicted Sam Pruett, a 14 year old white lad, of the murder of Frank Hahan, fellow operative in a cotton mill, and gave him 8 years imprisonment. Pruett is a slight, frail boy in knee trousers. Hahan was the same age.

Pruett stealthily secured his father's revolver and awaited Mahan's coming, shooting him down without a word because Mahan had nagged him the day before.

LIST OF UNCLAIMED LETTERS

Remaining in Post Office at Burlington, N. C. Dec. 11, 1911.

GENTLEMEN:

Squirrels and Trees.

Washington Post.
The squirrels that are forcing themselves into the balance against the trees are the gray squirrels of the West and the Pacific coast. There has been an immense amount of trouble wherever the forest service has tried to reforest either cut-over or burned areas from the small rodents that ate the seeds before they sprouted. The gophers, field mice and ground squirrels have been the worst offenders, and it has been found necessary to exterminate these little pests over large areas before reforesting was at all successful.

Terrible Picture of Suffering

Clinton, Ky.—Mrs. M. C. Mc Elroy, in a letter from Clinton, writes: "For six years, I was a sufferer from female troubles. I could not eat, and could not stand on my feet, without suffering great pain. I had lost hope. After using Cardui a week, I began to improve. Now I feel better than in six years." Fifty years of success in actual practice, is positive proof, furnished by those who have used it, that Cardui can always be relied on for relieving female weakness and disease. Try Cardui, today, now!

A Terrible Blunder

to neglect liver trouble. Never do it. Take Dr. Kings New Life Pills on the first sign of constipation, biliousness or inactive bowels and prevent virulent indigestion, jaundice or gall stones. They regulate liver, stomach and bowels and build up your health. Only 25c at Freeman Drug Co.

Very Serious

It is a very serious matter to ask for one medicine and have the wrong one given you. For this reason we urge you in buying to be careful to get the genuine—

THE DRAUGHON'S BLACK-DRAUGHT Liver Medicine

The reputation of this old, reliable medicine, for constipation, indigestion and liver trouble, is firmly established. It does not imitate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.

Couldn't Walk!

"I used to be troubled with a weakness peculiar to women," writes Mrs. Anna Jones, of Kenny, Ill. "For nearly a year, I could not walk, without holding my sides. I tried several different doctors, but I grew worse. Finally, our druggist advised Cardui for my complaint. I was so thin, my weight was 115. Now, I weigh 163, and I am never sick. I ride horseback as good as ever. I am in fine health at 52 years."

TAKE The CARDUI Woman's Tonic

We have thousands of such letters, and more are arriving daily. Such earnest testimony from those who have tried it, surely proves the great value of this vegetable, tonic medicine, for women. Cardui relieves women's sufferings, and builds weak women up to health and strength. If you are a woman, give it a trial. It should help you, for it has helped a million others. It is made from pure, harmless, herb ingredients, which act promptly and surely on the womanly organs. It is a good tonic. Try it! Your druggist sells it.

Don't be a kicker, but all pull for Civic League.

A puzzling Democratic problem, Will Roosevelt accept again.

Attend the mass meeting to be held at the Christian Church, Thursday night and assist in organizing the Civic League.

Dear Santa: Please send Burlington a set of Policemen who are not afraid to lock up all the whiskey and the fellows who handle and drink it, and the fellows who shoot the firecrackers.

Senator Vardaman is for Champ Clark for President, and Champ brought it all on himself. Vardaman, no doubt, thinks that all talkative men should stick together. -Evening Dispatch. W. J. Bryan should belong to his ring also.

A Civic League is one of the things mostly needed by our town and to this end a meeting will be held at the Christian Church, Thursday night. The direct aim of this league should be not only the cleaning up of the town but making it beautiful. Many of the streets which are having sidewalks laid should be beautified. To this end a great work is in store.

Did you ever stop to think that the man, woman or child who stays behind the counter in the store is human and that you will be doing them a great favor by doing your Christmas shopping when they have time to render you the best of service. Don't wait until the day before Christmas and do your shopping. It will cost you less and you will receive nearer what you want.

You Should Be Interested

For almost a year to come the people of the United States will hear much about politics. The so-called "Presidential Year" has its draw-back, looking at it from a business standpoint financially speaking. But our greatest business after all is looking after our government, and time spent in this direction, if properly spent, is time spent wisely and well. Every good, law-abiding citizen should be interested. It is a time when men should be good tempered but exceedingly frank. Power in this country rests with the people and it should be the duty of the people to look after their interests.

Hand Wilson a Lemon.

The Carnegie Pension Foundation handed Dr. Woodrow Wilson a lemon the other day when they refused him the Carnegie Pension which he had made application for, which is given to teachers who have served for twenty-five or more years. Dr. Wilson has been the teacher alright, and has served the allotted number of years, but was refused the gift. Dr. Wilson, knowing that

he was into politics and that Democratic politics were very uncertain, decided that it was the business of some one to provide for him and thought that the duty might as well fall on old man Carnegie as anyone else. But old man Carnegie's men say they are unwilling for this fund to be used in any such a manner. All to their credit and honor. It appears Doc Wilson is receiving the cold shoulder both from a political and financial standpoint, and that the tide of fortune is running up stream.

Congress in Session.

There will doubtless be much interest and many political plays to be watched in this session of Congress which met at Washington during the past week. The political complexion of Congress at present is as follows: Senate, Republican 49; Democratic 42, vacancy one, Colorado. House, Democrats 227; Republicans 161; Socialists 1; Independent 1, vacancy one (seventh Kansas district). Out of this mixed up group the Insurgent Republicans hold the balance of power and upon their legislative accomplishments depend the attitude of Congress as neither the regular Republicans nor Democrats can do anything without their assistance.

In his message to Congress President Taft devoted exclusively to a discussion of the trust question, was read in both branches of Congress Tuesday and was generally well received.

The president defended the Sherman act as interpreted by the Supreme court of the United States, indicated plainly his opposition to the repeal or amendment of this statute, but suggested that congress pass a federal incorporation law and supplemental legislation that "would describe and denounce methods of competition that are unfair."

To supervise corporations chartered under federal law, President Taft proposed the creation of an executive bureau, or com-

mission, with powers akin to those of the interstate commerce commission.

Speaking of the much discussed dissolution of the tobacco trust, the president declared that in his opinion "not in the history of American law has a decree more effective for such a purpose been entered by a court."

HICO MILLING COMPANY

Just installed new chop mill for making mixed feed for the public.
New and improved machinery of all kinds. Best flour made.
Buy corn and oats in car load lots for benefit of customers.

The Hico Milling Company with improved and up-to-date machinery makes flour for the discriminating public, and those who once use their flour will take no other. Less than 20 per cent of the wheat sold is good enough for HICO BEST flour; as only the best wheat is used.

We pay top market prices for premium wheat from which our flour is made. Our expert baker makes daily tests to insure the most superior results from actual baking. Of course our leading brand, HICO BEST, is a little higher in prices, because the quality is so much higher, and the slight difference in cost is lost sight of in the extra quality and success in baking.
Burlington is fortunate in having such a high grade flour made at home and the people should patronize this mill and get the best at the same time.
Next time you need flour, ask your grocer for a sack of HICO BEST, and see what beautiful results you will have.

RAW RIVER ITEMS.

Crowded out last week. Rev. W. P. Campbell of Burlington preached a most excellent sermon at the Baptist church Sunday. He has supplied for the church since Oct. 1st. Miss Mattie Florence of Graham visited Miss Nannie Russell and spent Sunday very pleasantly.

A goodly number of the M. P. church gathered themselves at the car line last Friday evening at 7:30 p. m. with a lot of good things they had secured and boarded the car for Graham. About 95 in number, and off to the home of their pastor, Rev. G. L. Curry, and there they unloaded some of the good things of life on the pastor Rev. and Mrs. Curry, whose hearts were made glad. It was enough to make one feel that it was good to be a christian. The act was worthy of commendation, and it seemed to be deeply appreciated by both pastor and wife. We feel that when we parted it was a step to the higher life. "Blest be the tie that binds our hearts in Christian love."

Mrs. W. J. Crutchfield with her little boy Master Guy and James spent Thanksgiving Day with her parents in Orange county. It is so pleasant to visit the aged in after life. They seem to always be glad, it cheers them as they go down in the evening of life as see gleams on the other shore. Her many friends will regret to learn that Mrs. A. E. Finley is very low at this writing. They have the sympathy of their many friends.

The many friends will be glad to learn that Mrs. F. H. Thompson who has been confined to her room for sometime very sick is able to be up and will soon be out. Rev. B. T. Hurley is the guest of Capt. S. A. Vest's family. There seems to be some valuable attraction, judging from the pilgrimages made, he means business.

The Baraca and Philathea classes at the Baptist church are making preparation for an oyster supper next Saturday night. Mr. and Mrs. Eugene Anderson spent Sunday with his brother and Mrs. W. H. Anderson very pleasantly.

Ends Winter's Troubles.

To many, winter is a season of trouble. The frost-bitten toes and fingers, chapped hands and lips, chilblains, cold-sores, red and rough skins, prove this. But such troubles fly before Bucklin's Arnica Salve. A trial convinces. Greatest healer of burns, Boils, Piles, Cuts, Sores, Bruises Eczema and Sprains. Only 25c at Freeman Drug Co.

Atlanta, Ga., Dec. 7.—Ex-Governor Joseph M. Brown won in the gubernatorial primary held in Georgia today to select a successor to Hoke Smith, who recently resigned to accept a seat in the United States Senate, early returns indicating that he carried about 90 of the 146 counties. He was opposed by Richard B. Russell, justice of the Court of Appeals and by Pope Brown, former state treasurer, who ran second.

The victory of ex-Governor Brown is regarded as a protest against the present Statewide prohibition law, which was put upon the statute books by the Legislature without being passed upon by the people. Pope Brown stood for the retention of the law and advocated that it be strengthened by Legislature. Judge Russell ran as anti-prohibitionist and advocated the repeal of the law.

Ex-Governor Brown in his platform declared he would veto any further legislation on the liquor question unless it was first submitted to the people for approval. He also advocated the submission of the present law to a vote of the people to decide whether it should be retained or repealed.

Strawberries in December.

Mrs. C. C. Griffin, who lives on Route No. 4, Buford township, has in her garden a patch of strawberries known as the ever-bearing variety and those same strawberries are doing their best to live up to their name, for when the hard freeze came a few days ago the vines were full of ripening berries.

Lightning Kills Few.

In 1906 lightning killed only 169 people in this whole country. One's chances of death by lightning are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater, but not if Electric Bitters be used, as Robert Madsen, of West Burlington, Ia., proved. Four doctors gave him up after eight months of suffering from virulent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 50c at Freeman Drug Co.

Upon the editor the... The Nurse Phil... Traini...

The Pastors and the Newspapers.

Upon the accession of a new editor the pastors of the city desire to say several things concerning our city papers and their relation to the life of the community.

1. To the editors. They have great opportunities to shape the plastic life of our entire city and county. The editor's ministry is a wider one, and should easily accomplish more, than that of any pastor in the community. It is his privilege to preach social and civic righteousness every week to thousands of people. He may so generously praise virtue and right, and so stingily condemn vice and wrong, that an entire community will covet his notice of the one and dread his notice of the other. Great is his opportunity for helping to make Burlington in every sense a clean town, administered wisely and economically, not so much by party politics, as by personified righteousness. To this end we trust our new editor will become a close student of municipal government and of civic improvement, in order that his utterances may come to have in the public mind the weight of definite and accurate knowledge.

2. To the public we wish to make mention the debt due to a good editor. No other citizen has so great an opportunity for enabling or degrading the public sentiment of the community, or for promoting or retarding the progress of a town, as has the editor of a widely read paper. A wide-awake, progressive, high-toned editor therefore should be regarded as one of the leading benefactors of a community; and in so far as he puts into his paper these characteristics the paper should have the sympathy not only, but the enthusiastic support, of every true and public spirited citizen. Every citizen should feel a personal obligation to help make it go. By subscription, by liberal advertising in its columns, and by general boosting, the citizenship should insure a large financial success; and as paper and editor come to the front, all the community should show a pride in the success of the paper, as one of its leading enterprises. It is a sorry sort of citizen that will not feel proud of the success of a paper that is one of the chief promoters of the success and progress of the town.

3. To both our papers we have a word in common. Both papers are public servants and promoters of the public good. It is unworthy of either in local issues to stand merely as the champion of party politics, and to fling mud at the other, or at the party whose issues it espouses. For either to be so biased as not to give generous credit for whatever of good appears in paper or party or administration is to put itself outside the pale of respectable journalism. Editorial abuse and mud-throwing will not long be tolerated in the twentieth century by the enlightened public sentiment of any community. Any paper so offending against good taste and common morals should be discountenanced and blockbodied and forced to surrender its public trust. This gently reminds our editors that public sentiment demands that, if they cannot keep sweet, they will at least be courteous.

4. To the retiring editor of the Burlington News we wish to pay our compliments. If he has said some things and done some things we could not all approve, he has also said and done countless for which we give him unstinted praise. In the main he has been on the side of morals and reform and progress. We generously acknowledge the large debt which our community owes him, and reluctantly give him our hand in parting. This statement grows out of our recognition of the large responsibility and opportunity possessed by our editors, and out of a generous desire to see them become largely the living voices which shall proclaim and bring in a new era of righteousness and progress for all our community.

The above is not an official expression of the Ministerial Association, but the personal expression of the individual pastors in general.

S. L. Morgan, Secretary.

Thursday Night at the Montwhite.

"The Traitor," which was played at the opera house at Graham last Thursday night was attended by a large crowd from Burlington and Graham. The play would remind you of the stories you have heard your grand-parents tell about during the civil war. Each part was well played and moral which shined out in the play was, it never pays to tell your wife nor best friend your secrets. This truth was amicable proved in the character of John Graham, who was manager of the Ku Klux Klan and who would have lost his life because he revealed a secret to his best friend had a pardon not been given him by the President of the United States, U. S. Gaant.

The following show will be played at Montwhite during the remainder of the season: "The Private Secretary," Feb. 5th; "The Smart Set," Feb. 10th; "The Chorus Lady," Feb. 14th; "Buster Brown," Apr. 4th, and "John Larkins," Apr. 6th.

Girl and Sweetheart Shot; Did Father Do the Shooting?

Franklin, N. C., Dec. 8th.—A serious shooting affair occurred at West's Mill, near Franklin, last night. The parties involved were W. J. West, former State Senator from this district, West's daughter and Perry Morrison, a merchant at West's Mill. It appears that West objected to Morrison's attention to his daughter and a quarrel arose over the affair.

West's version of the affair is that Morrison shot the girl and that he shot Morrison in defense of his daughter. Morrison says that West shot him and that West also shot the girl. Morrison and the girl each received two bullet wounds. Both the injured persons are seriously, if not fatally hurt, but both are still alive this morning.

It is impossible to get a satisfactory account of the matter at this time, owing to the conflicting statements of the parties.

Plant Pecans.

(From The Duplin Enterprise.) The famous large soft-shell pecans of Louisiana bring \$1 per pound among the fancy trade in New York City. These groves are set out in the rich swamp lands of the well drained river valley, and begin to bear in seven years. After the trees come to maturity no investment is more attractive, the orchards often selling for one thousand dollars per acre and are far better than an orange grove as an investment.

Right here is a wonderful possibility for our drainage districts of Duplin county in the course of five years. While the markets will not hold at a dollar, nevertheless there will always be a large demand for them as a produce of a fine grade of toilet oils etc., at fancy prices.

Many Stand But Few Pass.

Raleigh, Dec. 7—Only fifteen of the fifty-nine applicants for licenses to practice pharmacy in this State, who undertook the examination before the State board here Monday, passed. Thirteen of the applicants were negroes and five of them passed, one a negro woman, Maleria E. Dye of Charlotte.

The percentage of successful applicants for licenses at the examination was about the least on record.

Facts About Indigestion and Its Relief That Should Interest You.

Although indigestion and dyspepsia are so prevalent, most people do not thoroughly understand their cause and cure. There is no reason why most people should not eat anything they desire—if they will only chew it carefully and thoroughly. Many actually starve themselves into sickness through fear of eating every good-looking, good-smelling, and good-tasting food, because it does not agree with them.

The best thing to do is to fit yourself to digest any good food.

We believe we can relieve dyspepsia. We are so confident of this fact that we guarantee and promise to supply the medicine free of all cost to every one who will use it, who is not perfectly satisfied with the results which it produces. We exact no promises, and put no one under any obligation whatever. Surely, nothing could be fairer. We are located right here and our reputation should be sufficient assurance of the genuineness of our offer.

We want every one troubled with indigestion or dyspepsia in any form to come to our store and buy a box of Rexall Dyspepsia Tablets. Take them home and give them a reasonable trial, according to directions. Then, if not satisfied, come to us and get your money back. They are very pleasant to take; they aid to soothe the irritable stomach, to strengthen and invigorate the digestive organs, and to promote a healthy and natural bowel action, thus leading to perfect and healthy digestion and assimilation.

A 25c. package of Rexall Dyspepsia Tablets furnishes 15 days' treatment. In ordinary cases, this is sufficient to produce a cure. In more chronic cases a longer treatment, of course, is necessary, and depends upon the severity of the trouble. For such cases, we have two larger sizes which sell for 50c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store.

LIBERTY NOTES.

We are having such warm weather that it makes us all feel like getting out of the house.

Rev. W. D. Fogleman had his sale the 9th. He will go to Asheville where the parsonage is furnished.

D. R. Hodgkin and John Pike made a start to cut feed. Hodgkin is after the good rations, so make ready when he cuts your feed to put the big pot and little pot on.

Mr. Moore from Richmond, Va. stayed all night at Isaac Hinshaw one night last week and bought a sideboard from Mrs. Hinshaw that belonged to her grandfather Archibald Ferguson. The many friends of J. M. Trolinger and family have the sympathy of the friends in the loss of their daughter who died at Luther, La., Dec. 2, 1911. She married Mr. E. F. Jones and left this part of the country in search of a fortune. She leaves a husband and three children. Another flower is gathered from earth and transplanted on high. Weep not, fond parents, she is only gone before you to the mansion where she is watching and waiting.
