Mrs. Addison-Smith, Mill St., Graham, N. C., says: "At the time I began taking Doan's Kidney Pills, my kidneys were badly disordered. There were severe pains in the small of my back and often it was hard for me to stoop or straighten. I was at a loss to know what to do until someone strongly urged me to try Doan's Kidney Pills. After I had taken the remedy a few days I was satisfied that I had at last found something suited to my case. My health improved rapidly and it was not long before I was restored to health and strength."

Stay right there, with your friends, and take this safe medicine. Throat and lung troubles find quick relief and health returns. Its help in coughs, colds, grip, croup, whooping-cough and sore lungs make it a positive blessing. 50c and \$1.00. Trial bottle free. Guaranteed by Freeman Drug Co.

Negro Tiger Fined.

Blind tigers would do well to look to the quality of their goods. "If the liquor had been good I would not have told on him." This was the naive statement of the recorder yesterday by Ed. Perry, white, who was testifying against Will Leeecraft, a negro, who has been in court on numerous occasions before. Leeecraft was on the anxious seat and tearfully fearful of one of the road sentences which have come into vogue, but he escaped with a fine of \$25 and costs.

Leeecraft was charged with selling two pints of whiskey for \$1.20. D. W. Griggs and Perry said they were together Sunday afternoon when they met Leeecraft on East Second street between Brevard and Caldwell streets, that he suggested that he could supply them with good liquor; they gave him the money; he returned with the liquor, but its quality was inferior. Wherefore, they sought revenge by seeking to bring the salesman to the ignominious pastime of breaking rocks. They failed however for Recorder Smith does not take kindly to spite work and agreed with the forcibly presented opinions of Attorney Hamilton C. Jones to whom Leeecraft ever looks as a Moses to lead him out of trouble into the light of freedom, and usually with good reason.

LaFollette Still in the Race

Madison, Wis., March 1—"I shall continue in the contest as a candidate for well defined principles and for a definite program of legislation which, once enacted into law, will break the hold of privilege on the industrial life of the people and free them from the burden imposed by thousands of millions of fictitious capitalizations." This is the gist of a published statement made today by Senator Robert M. LaFollette. The statement is an appeal for delegates. He denies that his health is broken.

The Dispatch a year for \$1.00.

For Murder of School Teacher.

Roanoke, Va., Feb. 25—Joshua Raines was today put on trial in the circuit court of Roanoke county at Salem for the murder of Miss Eva Chambers, the county school teacher, who was killed January 24. In the opening statement the attorney for the defense admitted that his client was guilty of the commission of the crime, but said that the defense would be insanity.

The court was in session throughout the day and when adjournment was taken this afternoon, the jury had been completed.

Senator Stephenson of Wisconsin makes quite a splash as he falls into the whitewash.

Bad Spells

"I suffered, during girlhood, from womanly weakness," writes Mrs. Mollie Navy, of Walnut, N. C. "At last, I was almost bed-ridden, and had to give up. We had three doctors. All the time, I was getting worse. I had bad spells, that lasted from 7 to 28 days. In one week, after I gave Cardui a trial, I could eat, sleep, and joke, as well as anybody. In 8 weeks, I was well. I had been an invalid for 5 weary years! Cardui relieved me, when everything else failed."

TAKE CARDUI The Woman's Tonic

If you are weak and ailing, think what it would mean, to you, to recover as quickly as Mrs. Navy did. For more than 50 years, this purely vegetable, tonic remedy, for women, has been used by thousands of weak and ailing sufferers. They found it of real value in relieving their aches and pains. Why suffer longer? A remedy that has relieved and helped so many, is ready, at the nearest drug store, for use, at once, by you. Try it, today.

Terrible Picture of Suffering

Clinton, Ky.—Mrs. M. C. McElroy, in a letter from Clinton, writes: "For six years, I was a sufferer from female troubles. I could not eat, and could not stand on my feet, without suffering great pain. I had lost hope. After using Cardui a week, I began to improve. Now I feel better than in six years." Fifty years of success in actual practice, is positive proof, furnished by those who have used it, that Cardui can always be relied on for relieving female weakness and disease. Try Cardui, today, now!

The political 'neurotics' should not be confounded with the political commyrotics. But they have much in common.

Some day the Underwood boom expects to get out of the molly-coodle class.

What We Never Forget.

according to science, are the things associated with our early home life, such as Bucklen's Arnica Salve, that mother or grandmother used to cure our burns, boils, scalds, sores, skin eruptions, cuts, sprains or bruises. Forty years of cures prove its merit. Unrivalled for piles, corns or cold-sores. Only 25 cents at Freeman Drug Co.

Such Platitudes You Mean.

(From The Spartanburg Journal) Woodrow Wilson is clearly an unsafe man. He is so reckless as to give utterance to such a statement as this: "The only basis of peace is justice." Such populist sentiments will never win the support of The Charlotte Observer.

CAUSE FOR ALARM.

Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.

It is not what you eat, but what you digest and assimilate that does you good. Some of the strongest, heaviest, and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

We urge you to try a 25c. box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 50c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store

The Newly Entered State.

North Carolina, which was recently entered by the Hartford Life under the management of Marion Rich, is coming right along in the various departments of the work. A reference to the Carolina Honor Roll shows you that new business is being issued to the extent that three writers have reached scoring point, and some more good appointments have been made.

It is gratifying also to note that the already insured there, are appreciating our re-entering their State as is indicated by the following letter:
New Bern, N. C., Feb. 12, 1912.
Mr. Marion Rich, General Agent
Columbia, S. C.

Dear Sir:
Your notice as to premium to be due March 28th, on my policies in the Hartford Life to hand I think a great deal of the Hartford Life Insurance Company and am glad it is going to re-establish its business in North Carolina. I am glad also that it will collect the premiums through your office instead of our having to send them up to Hartford.

Taft and Roosevelt Divide Honors

Excelsior Springs, Mo., Feb. 29—President Taft and Theodore Roosevelt in a convention marked disorderly scenes, divided honorees in a contest today for delegates from the third congressional district of Missouri to the National convention at Chicago. Two Taft delegates and two Roosevelt delegates were chosen. The Roosevelt delegates are the first from any part of the country to be instructed for him.

 All communications in regard to either news items or business matters should be addressed to The State Dispatch and not to any individual connected with the paper.
 All news notes and communications of importance must be signed by the writer. We are not responsible for opinions of our correspondents.

Subscribers will take notice that no receipt for subscription for The State Dispatch will be honored at this office unless it is numbered with stamped figures.

Entered as second-class matter May 20, 1908, at the post office at Burlington, North Carolina, under the Act of Congress of March 3, 1879.

Wednesday, Mar. 6, 1912.

The spring girl who was about ready to make her bow is driven back into her furs and muff.

Be it Taft or Roosevelt when the choice is made either will receive the support of the Republican party.

The Baltimore American says: "One year from yesterday Mr. Taft will be again inducted into the office he has so industriously filled, that is, if the date isn't changed in the meantime."

If the Charlotte Observer can mold sentiment and mold enough of it, Underwood will be the nominee for the Democratic Presidency. Thus far Wilson is in the lead, with Clark a close second.

All contestants in the Dispatch contest must turn in their money as they collect it. But they need not turn in their votes. We want all subscribers paper to start as soon as the money is paid in. The sooner the subscription starts the sooner it ends, and we are not in the News paper business for fun. The contest was not put on for fun, but for the purpose of adding new friends to the papers subscription list, and to collect the amounts due from old subscribers. These magnificent prizes cost money and lots of it, they are the best money can buy, they are well worth the time that it will take to win them. There is plenty of time to begin work, no one is so far ahead that some hustler cannot overtake them, make up your mind at once enter the race and then hustle to win.

Some one is going to do some nice joy riding this summer, some one is going to have diamonds flashing, some one is going to do some fancy sewing upon a machine that did not cost them much, some one is going to have their best room, set off with a nice bed room suit, some one is going to secure a business education without cost to them, some one is going to have a nice lounging couch so that when they feel bad they can recline easily and comfortably, some one is going to have a most powerful and dangerous weapon to scare the burglars away and thus protect their valuables, is this some one going to be you. Get into the contest and win one of the grand prizes. Never stop until you are the proud possessor of one. It's dead easy once you get started. Enter now, don't let your neighbor get ahead of you, delays are dangerous, get in the race now. Do it today.

No school today, no rural mails very little business, everything tied up on account of the heavy snowstorm. Verily the ground hog not only knows his business, but is always on the job.

The faith of the believers in the ground hog theory, is above par these days.

Orange County Bond Issue.

A bond issue of \$250,000.00 will be voted on in Orange County in the near future for the building of macadam roads. Since Orange is our sister county and her people are our people we naturally feel a deep interest in her industrial developments and improvements. Knowing the nature of people, it will doubtless be a difficult task for those who favor the issue to carry it, which should be done even at the sacrifice of much time on the part of those who are working for its success. The progress of a section or neighborhood may be truthfully judged by its number of miles of macadam roads and rural telephone lines. What County in the state that has issued bonds for the improvement of its highways would undo the act? But when the people are asked to vote for a bonded indebtedness which to make these improvements are pessimistic and oft times chronic kickers. Should we be in a position to influence any one to assist in this road improvement not only in Orange County but any where we would gladly give unlimited space in our columns. That our sister county Guilford on the west stands among the first in the good road movement and that our county Alamance is making strides along this line we trust Orange will keep the ball rolling and that we may at no distant day have a state high way from mountains to the sea. May the people of Orange put forth a determined effort for the success of this move which if lost will be lost for years to come.

The Last Teachers' Meeting for the Season.

The last meeting of the Alamance Teachers Association for the scholastic year 1911-12 was held in Graham on last Saturday. The day was fair and pretty; but the attendance was not quite as large as usual. This the last session maintained the high standard of interest already set by the Association. The main items discussed were Gradation of the School and keeping of the Register. Both items were treated in general conference and much vital information was given. It was decidedly in evidence that proper Gradation determines no small part of the school success. Several items pertaining to the conclusion of the years work was mentioned by the Supt. Prominent among these was the announcement of an examination soon to be held at several places over the county for the graduation of those students who have completed the Public School course. The exact date and places for these examinations will be announced soon.

An Alabama negro, who had spent several years as a servant in a New York family, returning to his home, attempted to instruct members of his family in correct usage, especially in their language. One day at the table his brother said to him: "Gimme some 'lasses, Sam." "You must not say 'lasses," corrected Sam. "You must say molasses." "What is you talkin' 'bout?" grunted his brother. "How's I gwine to say mo' 'lasses when I ain't had none yet?"—McCall's Magazine.

Lecture at Lutheran Church.

The lecture on the Passion Play given Friday night at the Lutheran Church by Rev. C. I. Morgan illustrated with radio-views was interesting. As the different scenes of our blessed Saviour's crucifixion and resurrection were viewed a feeling of sublime sympathy passed over the entire audience. The offering was for the benefit of the church building fund.

Purpose of Lent.

The purpose of Lent is a deeper consecration to God, along the way the Man of Sorrows trod—the way of sacrifice—the recognized law of heaven and earth. If you think awhile you will surely appreciate this purpose. The Episcopal Church in her services, faithfully reminds her children, year by year, of the well beaten highway of life. Life is born of

sacrifice, and in this school we must be trained, if we would reach the blessed end, God in Christ. We begin our ascension to heaven only when we lay ourselves upon God's altar.

The season of Lent may be of value to souls, if, with solemn meditations, people rightly use the special services, which will enable them to discern Christ, the world and themselves.

Fasting is not simply a matter of the body but also of the spirit. One should not depend upon mere abstinence, to work those results which are only produced by the Spirit of God through the means of grace. The great lesson which Lent teaches is self-denial. People ought not to confound self-denial with those self-inflicted ills and troubles which tend to make mere religious formalities. In the hearty acceptance of the Divine Law and of the restraints placed upon us by our Heavenly Father, we shall find providential opportunities for discipline, usefulness and growth.

One of the great lessons of Lent is that we are not to fret at or strive against, the will of God. In this as in all other things, follow the Lord Jesus, and say, not my will but thine, O God, be done.

Take advantage of every opportunity of communing with God in His Holy Temple. Enter that temple, not in haste and confusion, but with quiet preparation and godly purpose. Be constant. Engage in meditation. Meditate upon the Holy Scriptures as they are read. Examine your hearts. Find your special weaknesses and faults. Strengthen your purpose to correct them.

That Lent may not be without profit to your souls, be unceasing in public and private prayer to God. "Without whom nothing is strong, and nothing is holy."

Mutilated Body of Physician Found

Gainesville, Fla., Feb. 29.—With the top of his head shot away and showing other marks of violence, the body of Dr. H. C. Spencer, missing since Monday night, was found today about five miles southeast of the city. Five negroes have been arrested in connection with the crime. Dr. Spencer was last seen when he started to a turpentine still about three miles from town late Monday night. When he failed to return a search was made revealing his automobile and medicine case overturned against a fence on the road leading to the still.

A Message To The Mothers Of Alamance County.

There are two things which are of vastly greater importance to you than gaining the power to vote.

They are: first, a knowledge of the fundamental principles of business.

Second, a full realization of the vital importance of every property owner's having a will made and an executor appointed for his or her estate.

WHY ARE THESE THINGS SO IMPORTANT TO YOU, AS WOMEN?

There are SO MANY reasons, SO MANY instances of tragic sorrow and suffering caused by the IGNORANCE of them that it would take miles of news paper space to start the tale; but if you will read the advertisements in this space from week to week, you will learn something about it.

REMEMBER, MOTHERS, you are the guiding spirit of the home; the moulders of character; the shapers of nations; and upon you rests the burden of safeguarding the home in the event of your husband's death.

THE HOME IS NOT SAFE if he has not a will, attested and in safe keeping. Has YOUR husband made a will? If not, the wisest thing you could possibly do is to use your influence and see that it is attended to at once.

Get him interested and tell him to come to us and talk the matter over.

We pay all the expenses of making a will.

WOMAN ADMITS MURDERING 8 INFANTS

New York, Feb. 23.—The mystery of eight deaths of babies in the Brooklyn Nursery and Infants' hospital was solved tonight the police say, by the confession of Winifred Ankers, a kitchen woman at the hospital admitting that she placed oxalic acid in the babies' milk bottles.

The alleged confession was obtained by a police lieutenant and detective after two hours' examination of the woman, who had been under surveillance since autopsies developed the probability that the infants had been poisoned.

"On Saturday night after the bottles had been prepared for the babies," the police version of the confession runs, "I put two or three drops of oxalic acid into the bottles. I did not do it with intent to kill the babies, but I wanted to get square with the nurses who were my enemies."

The police believe the Ankers woman is demented. Her story they regard as true; however, and it was officially stated that she would be arrested on charges of homicide tomorrow. It was considered advisable to leave her at the hospital tonight under guard.

Winifred Ankers is 24 years old. She came to the hospital last July with her infant and, after placing the baby in the care of the hospital, found work in the kitchen. She had been regarded as a phlegmatic sort of character, but occasionally displayed temper, complaining of the small pay and poor food she said she received.

Suspicion was not directed toward her until four of the babies had died on Sunday and Monday. With the death of the fifth baby an autopsy was performed and microscopic examination indicated the presence of oxalic acid or some similar irritant. It was recalled that recently the Ankers woman had persisted in wanting some oxalic acid for cleaning cooper vessels and that she had finally been given permission to buy an ounce of it.

SUFFERED 23 YEARS

Constant Sufferer From Chronic Catarrh Relieved by Peruna.

Mrs. J. H. Bourland, San Saba, Texas, writes:

"For twenty-three years I was a constant sufferer from chronic catarrh. I had a severe misery and burning in the top of my head. There was almost a continual dropping of mucus into my throat, which caused frequent expectoration. My entire system gradually became involved, and my condition grew worse. I had an incessant cough and frequent attacks of bilious colic, from which it seemed I could not recover. My bowels also became affected, causing alarming attacks of hemorrhages. I tried many remedies, which gave only temporary relief or no relief at all. I at last tried Peruna and in a few days I was relieved of the bowels' derangement. After using five bottles I was entirely cured. I most cheerfully recommend the use of Peruna to any one similarly afflicted."

Mrs. J. H. Bourland.

FREE IF IT FAILS.

Your Money Back if You Are Not Satisfied With the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation no matter how chronic it may be, that we offer to furnish the medicine at no expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxative or cathartics do much harm. They cause a reaction, irritate and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Sold only at our store—The Rexall Store

The Men Who Succeed

as heads of large enterprises are men of great energy. Success, today, depends health. To all is to fail. It's utter folly for a man to endure a weak, run-down half alive condition when Electric Bitters will put him right on his feet in short order. "Four bottles did me more real good than any other medicine I ever took," writes Chas. B. Allen, Sylvania, Ga. "After years of suffering with rheumatism liver trouble, stomach disorders and deranged kidneys, I am again, thanks to Electric Bitters, found and well." Try them. Heroism and Rare Presence of Mind of Wilmington Colored Man.

Wilmington, Feb. 29.—Master Albert Loughlin, little son of Mr. and Mrs. E. B. Loughlin, of No. 116 Church street, was seriously burned yesterday about noon when his clothing, caught fire from a match. The lad and a little playmate, both dressed in cowboy uniforms, were playing on the street, and the fringe on the leg of the little fellow's trousers ignited from a match. The flames spread rapidly over his clothing. The child's screams attracted the attention of a colored man driving a delivery wagon who wrapped him in some sacks on his wagon, smothering the flames. His prompt action is probably what saved the little one from being fatally burned.

Lower Than Ever in Price

There have been no mistakes to correct---no experiments to try out---but conveniences have been added and a marked reduction in price made possible through larger production and added factory facilities.

Some of the original and exclusive features which have made FORD Model T the most popular and serviceable car in the world:

Marvelous Simplicity in Design---Few parts, but every part in harmony with scientific principle. There is nothing superfluous in Ford design, every part has its specific place, making a chassis compact, clean cut, neat, with great strength.

A Car of Vanadium Steel (scientifically heat-treated), the strongest of all steels, under tensile stress and against vibration and shock.

Ford Magneto built into the motor. No wearing surfaces, no moving wires, no ignition troubles.

Ford Planetary Transmission. Motor always connected with car. Transmission always in gear; when the car is running on high speed the gears are quiet. No crunching or stripping of gears.

No Weight on Moving parts. This assures durability, economy and long service.

Ford Spring Suspension. The axles are attached to the car at the extreme point of the springs, thus giving the utmost flexibility, smoothness in riding, and least wear on tires.

Ford Rear Axle. No truss rods. Look at it, no weight but its own to carry; think of the saving in wear this means to the rear tires.

Simplicity in Operation. The movement of the car may be controlled by the feet, the hands need never be taken from the steering wheel.

Light Weight. Ford Model T is the lightest in weight of any four cylinder car in the world, size, power and capacity considered. It has 60 pounds to the horsepower. It costs money to move weight. If weight is an advantage in a motor car, why don't the makers of heavy weight cars advertise the fact?

Accessibility. Every part of the mechanism of Ford Model T is easily accessible. There is nothing intricate---nothing confusing. It is as simple as A B C.

Cheapest to Maintain. Ford Model T is an exceedingly economical car to keep. It goes from 20 to 28 miles on one gallon of gasoline. It is equally economical with oil, and gives from 5,000 to 8,000 miles on one set of tires.

Ford Service for Ford Owners is a feature which must not be forgotten. No matter where you are, with your Ford car, if accident or trouble occurs, you are sure to find immediate service right at hand. Over four thousand individual dealers, each one carrying a supply of Ford parts in stock all the time, each one anxious and prompt to assist Ford owners. Ford service for Ford owners is an exclusive advantage. It is a worldwide advantage. No matter where you go, the Ford dealer is there waiting for you.

No Ford Cars Are Sold Unequipped. When you buy a Model T you get a whole car.

We would like to have you write for our series of books, illustrated and fully descriptive of the various features of Ford Model T cars. Send for the series. It won't cost you anything.

Business men are solving the problem of delivering all kinds of merchandise with the Ford Model T delivery Car---It is proving the Quickest and Most Economical for all general purposes.

A REPLY

By Fred N. Tate Chairman and Transportation Commissioners Southern Furniture Manufacturers Association

To The People of North Carolina:

It is not my desire to quarrel, nor as an officer of the Southern Furniture Manufacturers Association, to appear in print either advocating or condemning the conduct of our public officials, by communication from the Commission, published in Raleigh News & Observer dated March 5th.

Because I am no lawyer and have not acquired the habit of studying the political public comment, and for this reason I am not qualified to talk straight to the public mind, however I can say why my commiseration for the voters of our State is as they are at Raleigh, should be authorized, and should be an exhibition of admiration for the manipulation of a portion of the law which is abusing our intelligence and our ignorance of the communication of the Commission.

When it is shown that fifty of the furniture factories located in the State have been called to the moral aid in our endeavor to just burden of free crinations against the interests of the State of the railroads, when it is further shown that the furniture plants of North Carolina are deeply interested in sand voters and not from this time on well to what extent in which they are, is being returned unprofitable by the interested attitude of the Commission in refusal to lend the ear or even its moral cause; I say when published to the State, as they now are, the Commission will not be a fact that not but a very large number and voting our State, are back which must suit in the retirement rate expert trust busters? their stead men who to show proper of the rights of the they are accountable. Fortunately the Commission to let matter has already awaking of the extent that the qu with which to me of the suit will be bleome, and we ly the wisdom of first driving down cure our stakes, in plaint direct with Commerce Commission rather
