"Cardui Cured Me"

For nearly ten years, at different times, Mrs. Mary Ilnks of Treadway, Tenn., suffered with womanly troubles. She says: "At last, I took down and thought I would die. I could not sleep. I couldn't eat. I had pains all over. The doctors gave me up. I read that Cardui had helped so many, and I began to take it, and it cured me. Cardul saved my life! Now, I can do anything."

TAKE

If you are weak, tired, worn-out, or suffer from any of the pains peculiar to weak women, such as headache, backache, dragging-down feelings, pains in arm, side, hip or limbs, and other symptoms of womanly trouble, you should try Cardui, the woman's tonic. Prepared from perfectly harmless, vegetable ingredients, Cardul is the best remedy for you to use, as it can do you nothing but good. It contains no dangerous drugs. It has no bad after-effects. Ask your druggist. He sells and recommends Cardui. Write to: Ladies' Advisory Dept.; Chattanooga Medicine Co., Chattanooga, Tenn.,
